

## Facilitator

### Professor Andrew K.S. Jardine

Ph.D., C.Eng., M.I.Mech.E., M.I.E.T., P.Eng. FCAE, FIIIE,  
FISEAM (Hon.)

Emeritus Professor Andrew K. S. Jardine is an internationally recognized maintenance optimization expert and is the Founding Director of the Centre for Maintenance, Optimization and Reliability Engineering (C-MORE) of the University of Toronto.

He is the author of *Maintenance, Replacement and Reliability*, first published in 1973 and now in its 6th printing. He is the co-editor (with J.D. Campbell and J. McGlynn) of *Maintenance Excellence: Optimizing Equipment Life Cycle Decisions*.

Professor Jardine has received an impressive array of awards, honours and tributes, been the Eminent Speaker to the Maintenance Engineering Society of Australia, as well as the first recipient of the Sergio Guy Memorial Award from the Plant Engineering and Maintenance Association of Canada in recognition of his outstanding contribution to the maintenance profession.

In 2013, he received the Lifetime Achievement Award from the International Society of Engineering Asset Management (ISEAM). Besides writing, researching and teaching, Professor Jardine has carried out innumerable consulting assignments with organizations around the world, including mines, government agencies, power and transit companies, and many others.

St. Augustine, Trinidad

In Collaboration With  
The Department of Mechanical and Manufacturing Engineering, UWI  
PRESENTS

A Short Course On  
**MAINTENANCE  
ANALYSIS AND  
OPTIMIZATION**

Dates: 4th & 5th March, 2017 and  
25th & 26th March, 2017  
Time: 9:00 a.m. – 5:00 p.m.
