ENGINEERING INSTITUTE

Faculty of Engineering
The University of the West Indies
St. Augustine, Trinidad
presents

HEALTH AND SAFETY IN MECHANICAL SHOPS, GARAGES, TYRE SHOPS AND WORKSHOPS

November 7 & 8, 2012
Faculty of Engineering,
The University of the West Indies,
St. Augustine, Trinidad

Health and Safety in Mechanical Shops, Garages, Tyre Shops and Workshops.

Mechanical Shops and garages offer some of the most widespread and diverse forms of employment. The activities in these environments include: electrical and mechanical repairs, mechanical services, body repairs including painting and surface treatment of metal, the use of different chemicals for cleaning, washing and greasing as well as tyre maintenance. Such a range of activities and the use of equipment inevitably carry a wide range of risks to the health and safety of workers and the general public. This seminar will focus on the many injuries that may occur as well as the possible prevention methods in these types of work environments.

LEARNING OBJECTIVES

Upon successful completion of the seminar, participants will be able to demonstrate an understanding of:

- Recognizing workplace hazards
- Preventing accidents and injuries
- Following safe work methods & practices
- Duties and rights as given in all national Health and Safety legislations.

TARGET AUDIENCE

- Supervisors & Employees responsible for ensuring safety in these environments.
- Safety Professionals responsible for ensuring safety in these environments.

FOCUS TOPICS

The course covers areas such as:

- Legal obligations under the EMA Act 2000 and OSH Act 2004 (as amended)
- Health and Safety Plans (roles and responsibilities)
- Understanding Human Behaviour
- The Work Environment
- Hand and Power Tools
- Walking and Working Surfaces
- Materials Handling, Lifting and Ergonomics
- Hazard Communication
- Machines Safety
- Electrical Safety

CERTIFICATE REQUIREMENTS

All delegates who successfully complete the course are awarded a certificate of participation.

PACKAGE INCLUDES:

Seminar materials
Lunch and refreshments
Certificate of Participation
