Dear Professor Knight

On behalf of the Chief Secretary of the Tobago House of Assembly, the Honourable Orville London and myself, we thank you for your Institute's participation at our two-day Symposium "*Branding Tobago: Perspectives on the Way Forward*" to actualise the first Strategic Priority Area (SPA) of CEDP 2.0, Branding Tobago: Clean, Green, Safe and Serene.

We extend gratitude to your representatives and rapporteurs to the CEDP, Messrs. Latoyaa Roberts and Avernel Romeo, M.Phil Research Students, The Institute of Internal Relations, University of the West Indies, for their extensive work to produce an executive summary, which was also well received by stakeholders in attendance.

We appreciate your partnership with the Comprehensive Economic Development Plan Secretariat, and are grateful that the competent support of your good self and students contributed to the success of the Symposium.

Yours Sincerely,

Dr. Elton Bobb
