About the Programme

This programme aims to improve the conditions of the Caribbean people through the provision of teaching, research and outreach activities. Students will be offered the opportunity to forge links with regional and international professional organisations, engage in community outreach and learn alongside experts in the field of social work.

Application Procedure

Prospective students may apply on-line at <http://www.sta.uwi.edu/admissions> (no application fee is required).

Applicants **MUST** submit certified photocopies of all supporting documents which have been certified by a Notary Public/School Principal or School Vice-Principal. These documents are necessary for consideration of your application.
