

## Letter of Support with relevant Letterhead

Date

The Selection Committee  
Climate Change and Health Leaders Fellowship Training Programme  
The Caribbean Centre for Health Systems Research and Development  
Faculty of Medical Sciences, University of the West Indies,  
Trinidad and Tobago.

Dear Members of the Selection Committee,

By signing this letter, I, \_\_\_\_\_ (Insert name of direct supervisor) hereby give my full support for Applicant's name to fully participate in the Climate Change and Health Leaders Fellowship Training Programme. I/we commit to granting Applicant's name the time required to work on the fellowship-related activities listed below throughout the year of the program scheduled to run from June 2022 to May 2023.

These activities will include:

- Attendance at a 4-day face to face introductory kick-off workshop (June 2022)
- Attendance at weekly themed online sessions – 1.5 hours / week (June 2022 – May 2023)
- Attendance at a 4-day face to face summative workshop (May 2023)
- The planning and implementation of a nationally relevant climate change and health focused project in the fellow's home country.
- The planning and implementation of a symposium in the fellow's home country.
- A visit to a CARICOM Climate Change / Health regional agency for a 5 day period.

Applicant's name will also be given time to complete some homework assignments set between the online weekly sessions, to respond to administrative requests related to the fellowship, and to participate in other climate change and health related seminars.

Kind regards,
