CONFERENCE ON THE ECONOMY 2011 (COTE 2011)

MANAGING IN A VOLATILE ECONOMIC ENVIRONMENT: ADDRESSING THE CHALLENGES BEFORE US - A TRIBUTE TO DR. ERIC ST CYR

This year's conference which pays tribute to Dr. Eric St. Cyr, a former Lecturer and Head of the Department of Economics, will focus on the challenges facing regional economies as these seek to establish a path to sustainable growth and development in the existing volatile economic environment. **COTE 2011** will be highlighting the key economic, and related developmental issues facing the region in this context.

The Department of Economics invites economists, faculty members, post graduate students, policy makers, members of the corporate sector and other interested individuals to submit abstracts for presentations at **COTE 2011** to be held October 5th - 8th 2011 at the Learning Resource Centre, The University of the West Indies, St Augustine Campus, Trinidad.
