About The Diplomatic Academy of the Caribbean

The Diplomatic Academy of the Caribbean (DAOC) is a global academy for Caribbean Diplomacy. It is the first of its kind in the region and seeks to provide learning and training to a cross-section of target groups and beneficiaries involved in international cooperation negotiations and transactions within the CARICOM region and beyond.

The Diplomatic Academy of the Caribbean meets a clearly felt need, in the absence of any proper training and learning facility regionally, to offer programmes in diplomacy at various levels and on diverse subjects relevant to the 21st century socio-political and economic environment.
