

The Smart Start programme was designed to support prospective Trinidadian students who have applied to The UWI and are awaiting acceptance. Key objectives include:

- 1) To prepare prospective students to become aware of the realities, demands and responsibilities of university life
- 2) To aid students in understanding the purpose of higher education and the mission of The UWI
- 3) To support students in navigating the physical environment of the campus and to understand the services available to them
- 4) To present students with an opportunity to connect with their peers
