

SPONSOR A TREE PROGRAMME

The Year 2021-2022 marks 100 years of agricultural legacy through teaching, research and innovation at The University of the West Indies, St. Augustine Campus. The Faculty of Food and Agriculture has rolled out various activities throughout the year to commemorate one hundred years of excellence in West Indian Agriculture.

Now is a great opportunity for all Alumni, Faculty and Collaborators to join the celebrations with the Faculty of Food and Agriculture, The University of the West Indies, St Augustine Campus through various activities and bring back the golden memories.

One of the activities is the planting of 100 trees to mark the Centenary Year.

During the Centenary Year 2021-22, tree planting will take place in:

- August - September 2021,
- November-December 2021 and
- March-April 2022.

You are invited to sponsor a tree on the Main Campus at St Augustine, South Campus at Debe and the University Field Station (UFS) at Mt Hope based on your preference of our exciting packages.

We solicit your support to this activity to make the Centenary Year celebration a grand success.

You may select one of the packages listed below and let us know your choice!

We are happy to provide more information and look forward to your engagement to PLANT A TREE in your name marking one hundred years of excellence!
