STUDENT NURSE UNIFORM
SPECIFICATIONS
Foreword

Many persons enter a profession with great expectations. You have chosen to enter the profession of nursing and the first step is being able to access quality professional education. We at the University of the West Indies, School of Nursing (UWISoN), also offer you the rudiments of the discipline necessary for professional practice, through this uniform booklet. This booklet is the UWISoN’s guide that introduces you, the student, to looking and living the part of that professional nursing student.

Please be guided by the instructions set out therein.
