

THE UNIVERSITY OF THE WEST INDIES
ST. AUGUSTINE, TRINIDAD AND TOBAGO

EDUROAM STAFF INSTALLATION STEPS

To obtain Wi-Fi Internet Access via the Eduroam wireless network using Microsoft Windows 7, Windows 8.x and Windows 10 PC devices.

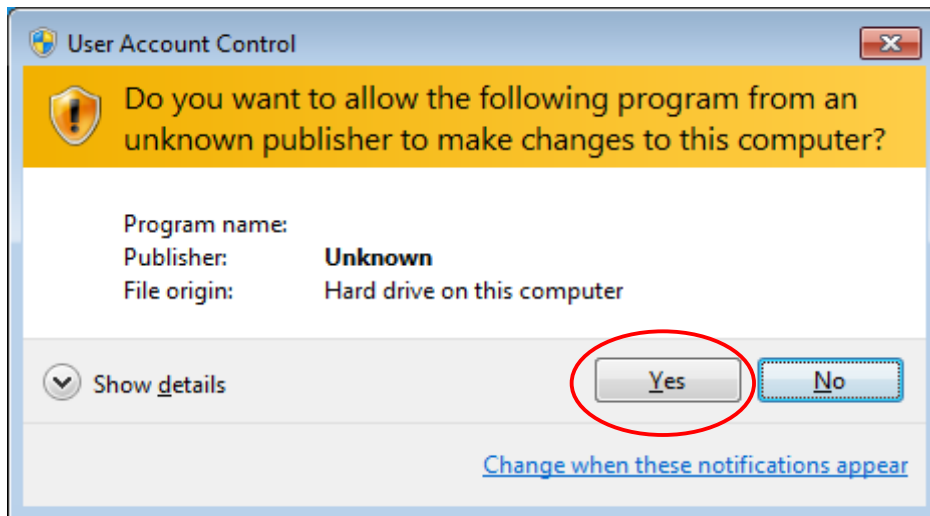

Users must download and install the Eduroam configuration tool.

Step 1: Download the latest EDUROAM installation file using this link

https://intranet.sauwi.uwi.tt/wireless/eduroam_uwista.exe

Step 2: Double click downloaded file <[eduroam_uwista.exe](#)> and if prompted with the following action < Do you want to allow the following program from an unknown publisher to make changes to your device.

Click <Yes>.

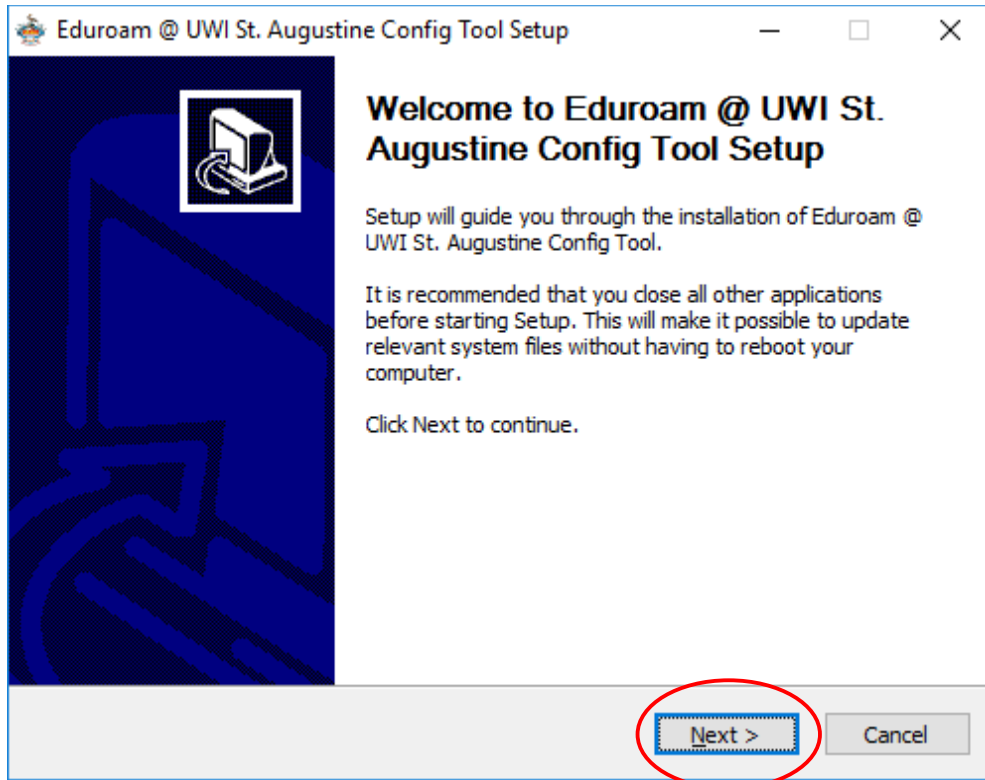

If not prompted to allow unknown publisher access proceed to **Step 3**.
