

SOCIOLOGY ESSAY WRITING COMPETITION

CONGRATULATIONS

In semester II (2020/2021), the Sociology team within the Department of Behavioural Sciences initiated an Essay Writing Competition for CAPE sociology students across seven (7) pilot schools in the East corridor. For this competition, we invited students to write an essay in response to the following statement: "The COVID-19 pandemic has brought about positive and negative changes in social interaction and social institutions." The essay writing competition challenged students to make connections between external events (such as the ongoing COVID-19 pandemic) and the everyday happenings as experienced. It is with immense pleasure that we congratulate the following prize winners of the Sociology Essay Competition:

**1ST PLACE-LANA DEO
COUVA EAST SECONDARY**

**2ND PLACE-LEAH DUMONT
HOLY FAITH CONVENT**

**3RD PLACE-ELLENA LEWIS
COUVA EAST SECONDARY**

Hearty congratulations to you, your teachers and parents. We wish each of you all great success in your academic journeys and do hope that the Department of Behavioural Sciences can continue to play a role in that process.
