NATIONAL LEADERSHIP Training Programme

In partnership with the Ministry of Youth Development and National Service, the Department of Behavioural Sciences has launched a National Leadership Training Programme to support the growth and development of youth leaders. See clipping of the launch from Trinidad and Tobago Television.

[Click here MIS Platform \(media-insite.com\)](https://media-insite.com)

The programme runs from September 13th to October 5th 2022 and will cover the following (6) modules, with the award of a certificate of participation upon completion:

- Conflict Management and Resolution
- Introduction to Leadership
- Establishing Effective Partnerships and Group Management
- Contextualizing Youth Development Work from a Policy Perspective
- Civic Engagement and Responsibility
- Communicating Effectively in Groups

We trust that all participants will gain the knowledge and tools that encourage them to be a force for change within their respective communities and at the national level.
