

# IMPORTANT NOTICE FOR ALL IR STUDENTS

## COMPLETE YOUR LANGUAGE REQUIREMENTS THIS SEMESTER (JAN - MAY 2022)

### DEAR STUDENTS,

All BSc International Relations (Special) students that still need to complete their language requirements are strongly urged to do so this semester. The Centre for Language Learning (CLL) will be making immediate changes after Semester II that will impact all IR students.

Effective in the academic year 2022/2023, CLL will require students to register for language courses via Banner to complete the language requirement for programmes. As a consequence, there will be a change in increased credit hours, class availability and an increased cost.
