## THE PROGRAMME

Participants engaged in interactive workshops and practical sessions to acquire a well-rounded skill set. The graduation ceremony honoured the graduates' achievements and marked a significant accomplishment of the Faculty in developing their human resources. The ADVANCE Programme was conceptualized by the Faculty's Administrative Officer, Mrs. Joanna Olatunji whose vision and creativity played a pivotal role in the programme's success.

## THE IMPACT

The ADVANCE Programme's impact is expected to grow, empowering individuals and contributing to the wider Campus Community's development. Overall, the pilot programme demonstrated the value of prioritizing personal and professional growth, setting the stage for a brighter future.
