FAQs

Overview of MAP

MAP is a graduate professional development certificate (with academic credits) programme that offers courses to professionals in Trinidad and Tobago and regionally who are committed to continuous learning and development. The programme is designed to increase marketability and competitiveness in the business arena, making it perfect for anyone looking to boost their career prospects and fast track their ability to ladder up to a Master's Degree.

Why is MAP Right for You?

With MAP, you'll have the opportunity to learn in a more manageable or bite-sized way, given the programme's duration. You can choose between the MAP Express 3-month and MAP Mastery 12-month options, depending on your schedule and learning preferences. This flexibility allows you to balance your personal and professional commitments while gaining valuable knowledge and skills.

IMPORTANT

What to expect?

A rich and dynamic learning experience to enhance professional development!

WHAT DOES IT MEAN TO MAP?

Microcredentials

- Small, focused qualifications or certifications that demonstrate specific skills or knowledge.

Accelerator

- Helping individuals to rapidly advance to the next level of their education.

Path

- The route that leads to your career destination or goal.

The Value to You

Our postgraduate course bundles are tailored to help you climb the ladder of success by providing you with the skills you need to succeed. With the opportunity to ladder up to a higher degree programme, such as a PG Diploma or Masters Degree, our courses will help you achieve your career goals.

Who should do the MAP Programme?

- Recent graduates of Undergraduate or Postgraduate Degrees
- Professionals who are interested in making themselves more marketable, agile and are seeking avenues to change career paths
- Leaders in organizations
- Experienced alumni

Postgraduate Options

The Dynamic Leadership in the Age of Innovation Certificate provides an avenue to the following Postgraduate programmes:

MSc Strategic Leadership and Innovation

Course Descriptions

COURSE TITLE: ENTREPRENEURIAL LEADERSHIP (SLIN 6004)

SEMESTER 2 (JANUARY - MAY)

NO. OF CREDITS: 4

COURSE DESCRIPTION: Entrepreneurial Leadership is a relevant and modern course that exposes participants to the theory of entrepreneurial leadership and will build competencies in adopting an entrepreneurial approach to solve organizational challenges. The students will also be exploring business model innovation as a means of implementing change in the areas of market share, technology and operations. Therefore, the entrepreneurial leadership skills developed will feed directly into organizational innovation and change.

COURSE TITLE: LEADING INNOVATION IN THE DIGITAL ECONOMY (SLIN 6005)

SEMESTER 3 (MAY - JULY)

NO. OF CREDITS: 4

COURSE DESCRIPTION: This course is designed to provide the business leader with the perspective and frameworks needed to explore and integrate emerging technologies and exploit existing ones. The course will therefore cover a wide range of topics, including Dynamic Capabilities and Innovation, IS Strategy and Governance, Technology Architecture, Data, AI and Machine Learning, Business and Enterprise Systems, Social Commerce, Cybersecurity and Risk Management and Controls, and People, Culture, and IS-led Change Management.

Now You're Ready to MAP Your Career!

MAP is an excellent option for professionals looking to enhance their marketability and competitiveness in the business arena. With flexible learning options and a variety of learning streams to choose from, you're sure to find a programme that aligns with your goals and interests. We encourage you to consider MAP and take the first step towards achieving your career goals!

FAQs

MAP Programme

Get the facts

Who can do MAP Programmes (also referred to as Specially Admitted)?

To be considered as a Specially Admitted student, applicants for graduate courses should normally possess an undergraduate degree, but due consideration will be given to maturity, work experience and previous study in the absence of an undergraduate degree.

Will I receive credits for doing these courses in the MAP Programme?

Yes. Once you register for the course and successfully complete the course assessments, the credits will be recorded on your UWI transcript

How many courses can I do under the MAP Programme?

Normally, a specially admitted student should be allowed to take no more than (12) credits in any given year, nor more than a total of 24 credits under this category of registration.

Can I use these MAP courses towards completing a degree at a later date?

Yes. Specially Admitted students may use not more than nine (9) credits from any particular programme towards UWI certification.

How do I apply for the MAP Programme?

We will invite you to complete the formal online application. When you complete the online form and upload all supporting documents (CV Required) based on the prerequisite requirements for the course.
