

FACULTY OF SCIENCE AND TECHNOLOGY

Postgraduate SHORT COURSES

THE FST PROFESSIONAL STEP UP PROGRAMME

We have pulled out some of our most popular courses and are making them available as stand-alone short courses for busy professionals.

Upon completion, participants receive a certificate and credits they can apply to the full degree programme later on!

DURATION: Duration of the semester

These courses are NOT approved for GATE funding

ENTRY REQUIREMENTS:

Applications are open to suitably qualified persons to these MSc courses.

STEP UP!

Advance your career one course at a time.
