

ENDNOTE ESSENTIALS

Open to Students and Staff: Engineering & Institute of International Relations (IIR)

Learn how to use EndNote X9. Get hands-on training to:

- Create and organize an EndNote library
- Build your EndNote library both manually and by using direct export from databases and Google Scholar
- Use the Group function to organise references
- Change citation style, edit references, locate and attach PDF files
- Cite While You Write
- Create a Reference List
