GENERAL INFORMATION

Definitions & Explanations

Definition of a Student

A person is considered to be a UWI student only after the completion of registration and payment of all fees (tuition, compulsory and hall fees) for the semester. A student who writes an examination(s) for a course(s) for which he/she was not registered and paid for will not be credited for such course(s).

Accounts Receivable Hold (AR Hold)

An AR Hold is placed on the accounts of students who have not paid fees and/ or submitted all required registration documents. This HOLD prevents registration, access to grades and transcripts and can only be removed by the Bursary, Student Accounts & Receivables Section.

Subsidies

Students receiving subsidies are required to pay the percentage of their tuition fee as per their contract agreement.

How to Calculate Tuition Fees

Except for self-financing programmes and programmes in the Faculty of Medical Sciences, The University of the West Indies has a credit-based fee structure for undergraduate programmes.

To calculate the cost of tuition for your programme:

- 1) Check the relevant [Faculty Booklet](#) to confirm the number of credits required per year to complete your programme.
- 2) Return to this fee booklet and multiply the number of credits by the fee per credit applicable to the Faculty and based on your nationality.

For Trinidad & Tobago nationals, this is the figure that is used to calculate GATE.

How to Calculate Fees Payable

Once you have calculated your Tuition Fees, add the annual compulsory fees listed in this Fee Booklet. These are now all the fees payable to the University.

How to Calculate the Total Cost of Pursuing Your Programme

Once you have calculated your Tuition and Compulsory Fees, add the estimated cost of your personal expenses. This figure will be the estimated cost of your entire programme. Personal expenses will vary from one individual to the next based on your circumstances (e.g., meals, travel and accommodation costs).

Full-time and Part-time

Students registered for 24 or more credits for the academic year are classified as full-time. Those registered for less than 24 credits are classified as part-time.

Tuition Costs Paid by Nationals from UWI Contributing Countries

The University of the West Indies is a regional institution supported by 17 contributing Caribbean countries. The University also recognises 22 other countries which are members of the Association of Caribbean States (ACS). Tuition fees vary according to the nationality of the student ([see list of countries in table below](#)).

Tuition fees for nationals of contributing countries **who are sponsored by their governments** have been calculated at 20% of the 2022/2023 economic cost. Contributing governments pay the remaining 80% of the economic cost on behalf of each sponsored student.

Students from **non-campus contributing countries** would be allowed to pay the fee applicable to T&T nationals once a letter of sponsorship for economic cost from their respective governments is provided.

GORTT

Government of the Republic of Trinidad & Tobago

Self-Financing Programmes

Not all programmes are sponsored by governments or are eligible for GATE funding. Students pursuing self-financing programmes would be responsible for paying their own tuition in addition to the other fees listed.

Registration & Submission of Documents

Students registering for their programmes and courses follow a seven-step process set out on the Campus registration website at <https://sta.uwi.edu/registration/>.

The Registration process includes activities outlined in this fee booklet related to finances, such as applying for GATE (Trinidad & Tobago citizens only), enrolling in Fee Pay and paying fees. Registration documents are to be uploaded via e-Courier using the link <https://e-courier.ca/aQ?is=Zjkl33oH3Y8e>.

If you have questions, please do not hesitate to contact the Bursary's Service Desk at <https://sta.uwi.edu/bursary/service-desk>.

FINANCING YOUR PROGRAMME

Higher Education Loan Programme (HELP)

A HELP Loan is a low interest student loan available through local commercial banks. Students must apply for the loan annually and must fulfil the following criteria:

- be citizens of Trinidad & Tobago
- have a continued period of residency of 3 years prior to application
- be between 18 and 50 years of age

NOTES:

- HELP loans cover tuition expenses (if not rated 100% through Means Test) and non-tuition expenses.
- Students studying in Trinidad & Tobago who meet all the criteria above are eligible to borrow up to a maximum of TT\$35,000 per year.
- Students studying elsewhere in the region who meet all the criteria above are eligible to borrow up to a maximum of TT\$75,000 per year.
- The amount received is based on the Means Test Criteria for HELP loans.

For more information, visit <https://www.moe.gov.tt/help-framework/> or email helploans@moe.gov.tt.

Scholarships & Bursaries (Postgraduate)

Scholarships and bursaries are also available for postgraduate students, each with varying eligibility requirements. **You must be a registered student to apply.**

We encourage all eligible students, particularly those in tight or already difficult financial circumstances, to visit <https://sta.uwi.edu/research/postgraduate-scholarships-bursaries> for the latest scholarship and bursary information and to see if you qualify for any of the opportunities listed.

Government Assistance for Tuition Expenses (GATE)

(APPLICABLE TO CITIZENS OF TRINIDAD & TOBAGO ONLY)

The Government Assistance for Tuition Expenses (GATE) programme **does not currently fund postgraduate programmes.**

HOW TO PAY FEES

The FEE PAY Payment Plan

Fee Pay is a payment plan which grants users automatic financial clearance on enrolment.

As part of the registration process, **ALL students are required to enrol in Fee Pay**. The plan is accessed through “My Secure Area” on the Student Portal.

Fee Pay recognises two categories of students:

- Sponsored (e.g. GATE, Scholarships)
- Non-Sponsored (self-funded)

Fee Pay combines the payments due for tuition and compulsory fees. These fees are then payable in instalments each semester as follows:

AUTOMATED PAYMENT PLANS: SPONSORED STUDENTS			
	Semester 1*	Semester 2*	Summer Semester*
Instalments	% of Fees Due	% of Fees Due	% of Fees Due
1st	15%	15%	50%
2nd	15%	15%	50%
3rd	70%	70%	–

AUTOMATED PAYMENT PLANS: NON-SPONSORED STUDENTS			
	Semester 1*	Semester 2*	Summer Semester*
Instalments	% of Fees Due	% of Fees Due	% of Fees Due
1st	40%	40%	50%
2nd	30%	30%	50%
3rd	30%	30%	–

*For the deadline dates for each instalment, please see the most up-to-date academic calendar here at <https://sta.uwi.edu/registration/academiccalendar.asp>.

Financial Clearance

Once students enrol in Fee Pay and start making their payments according to the schedule, they will receive automatic **financial clearance**. Financial Clearance is required for students to access myeLearning, write exams, submit online course assessments, and to access facilities at the Health Services Unit, the Alma Jordan Library, and the Halls of Residence.

If payments are not made by the above-mentioned deadline dates, an automatic **Accounts Receivable (AR) Hold** is placed on the student’s account.

An AR hold restricts access to myeLearning, writing of exams, submission of online course assessments, and access to facilities such as the Health Services Unit, the Alma Jordan Library and the Halls of Residence.

To maintain financial clearance, all required registration documents must be submitted on or before the due date for the 1st instalment.

Payment Methods

Once you have enrolled in Fee Pay, the Campus provides a variety of convenient payment methods:

1. Online Payment via mySecureArea using FEE PAY (**highly recommended**)
2. Online Payment using a credit card OR chip debit cards (international and local cards accepted)
3. Online Inter-bank Transfers/Internet banking (local banks only)
4. Deposit at any branch of Republic Bank in Trinidad & Tobago using the UWI deposit slip*
5. Wire transfer (for students based outside Trinidad & Tobago)

* If paying via cheque, cheques must be made payable to **The University of the West Indies**. At the back of the cheque, please print the following in **BLOCK** letters:

STUDENT’S NAME
STUDENT’S IDENTIFICATION NUMBER
NAME OF FACULTY

For details and instructions, visit <https://sta.uwi.edu/bursary/payment-options>.

Compulsory Fees

Fee	Rate
Guild Fee	TT\$225
Identification Card (first issue only)	TT\$120
Caution Money (year of entry only)*	TT\$500
Students Group Health Plan	TT\$100
Personal Accident Insurance	TT\$20
Amenities Fee	TT\$500

NOTE

* **Except for caution money**, compulsory fees are **non-refundable**.

Caution Money

Caution money is payable by all students upon entry to The University. It is refunded on completion or withdrawal from a programme. Requests for refunds must be submitted to the Student Affairs (Admissions) Section cautionmoneyrefund@sta.uwi.edu after clearance certificates have been obtained from the Alma Jordan Library and the relevant department and/or Faculty. For information on the caution free refund request procedure, visit <https://sta.uwi.edu/news/notices/notice.asp?id=25889>.

Other Fees

- Replacement Identification Card TT\$180
- Transcript Fee TT\$42 per copy
- Late Registration TT\$200

Examination of Thesis Fees

- MPhil TT\$100
- PhD TT\$150

Qualifying Students

Students who are required to read for undergraduate courses or are required to pass a special qualifying examination before registering for higher degrees, will pay per-credit fees for their faculty. In addition, all compulsory fees, and a qualifying examination fee of **TT\$50** are payable upon registration at the beginning of the academic year.

Taught Masters – Project Only Fee (exclude MPhil and PhD)

1. Full-time nationals who are completing a project over an entire academic year have the option to change status to part-time and pay part-time fees, in addition to all compulsory fees.
2. Students not sponsored by contributing governments must pay a Project Only fee equivalent to 20% of the higher tuition fee.
3. Students from other countries must pay a Project Only fee equivalent to 20% of the US dollar fee.

Higher Degrees (MPhil and PhD)

Students must continue to pay fees until the submission of their thesis to the Office of Graduate Studies & Research.

NOTE:

1. If the thesis or project is submitted before September 30 (semester 1) or end of February (semester 2), only the registration fee of TT\$20.00 is payable.
2. After submission students must continue to register and pay the registration fee for the academic year until awarded.

Self-Financing Programmes

Tuition Fee Waiver

There is no tuition fee waiver for self-financing programmes.

Project

1. Once the cost of the programme has been paid in full, students are only required to pay compulsory fees until submission of their final project.
2. After submission of the project, students must continue to register and pay the registration fee for the academic year until they are awarded.

Halls of Residence Fees

Students who have been accepted to live on a Hall of Residence are required to pay the Hall Application Fee and Hall Precautionary Fee using the following link:

<https://sta.uwi.edu/dssd/hall-application>

Hall Accommodation fees can be paid either in full at the beginning of each semester or monthly. Payments can be made using any of the following options:

- online via mySecureArea using a valid credit or debit chip card
- at any branch of Republic Bank in Trinidad and Tobago
- by wire transfer (for foreign-based students)
