

# HAVANA

Cuba is a country full of rich cultural, historical and natural treasures with an exceptional heritage. The IIR overseas study tours are intended to add an important international dimension to the student's academic experience and to provide them with a fresh perspective on issues related to multilateralism, regionalism, and hemispheric concerns.

## PLACES VISITED:

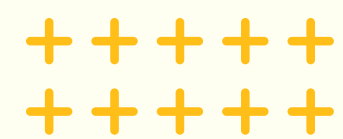

- José Martí Memorial
- Plaza de la Revolucion/ Revolution Square
- Miramar District
- Mercado Artesania Visit
- Viñales Valley
