Ranked Among the Best

Only Caribbean University Ranked Among BEST IN THE WORLD

An innovative, internationally competitive, contemporary university deeply rooted in the Caribbean, The UWI is an international university, in every respect, with links extending beyond the region to well over 100 universities worldwide.

The Times Higher Education rankings in 2018 and 2019, placed The UWI as the number 1 ranked university in the Caribbean out of over 200 registered institutions across the region; and among the top 3% of some 2,000 registered universities in the wider Latin America and the Caribbean. In 2020 The UWI was ranked among the THE's top 100 "Golden Age" universities established between 1945 and 1967. [Read more ...](#)

About UWI

The first of UWI's five campuses began in 1948 at Mona, Jamaica, as a College of the University of London. The St. Augustine Campus in Trinidad & Tobago was added in 1961 and UWI achieved full university status in 1962. St. Augustine was followed by campuses at Cave Hill, Barbados (1963), the Open Campus (2008), and the Five Islands Campus in Antigua & Barbuda (2019). [Read more ...](#)

Our 8 Faculties

Teaching at the St. Augustine Campus takes place within eight faculties - Engineering, Food & Agriculture, Humanities & Education, Law, Medical Sciences, Science & Technology, Social Sciences, and Sport. Each Faculty offers a wide range of undergraduate and postgraduate programmes. [Find out more ...](#)

About the FACULTY OF MEDICAL SCIENCES

The Faculty of Medical Sciences was founded in 1948 at Mona, Jamaica as a College of the University of London.

In 1989, teaching began at the Faculty of Medical Sciences, St. Augustine for medical, dental, veterinary and pharmacy students. In 2005, the first cohort of nursing students was accepted and in 2012, the BSc Optometry was added to the Faculty of Medical Sciences' programmes.

The Faculty is located mainly on the Eric Williams Medical Sciences Complex, which is situated approximately eight (8) miles from Port of Spain and two miles from the main campus at St. Augustine. Other clinical teaching sites include San Fernando and Port of Spain General Hospitals, Sangre Grande Hospital, Mt. Hope Maternity Hospital and Community Clinics across the country.

The Department of Clinical Medical Sciences

The Radiology Unit is part of the Department of Clinical Medical Sciences, Faculty of Medical Sciences.

<https://sta.uwi.edu/fms/medicine/index.asp>

We offer a postgraduate degree programme in Radiology at the DM level. Postgraduate students have the option of doing practice-based research.

DM Radiology Programme

The aim of the DM Radiology programme is to promote and institutionalize the critical study of Radiology at The University of the West Indies. The programme seeks to engage with pertinent issues and problems related to culture, representation, power and policy in and beyond the Caribbean. The programme does this by introducing students to the history, methodologies and theoretical traditions of Radiology and fostering students' skills and confidence in critical thinking and independent research.

Tenure of Appointment

Appointment as Lecturer will normally be for three (3) years in the first instance, with eligibility for consideration for renewal.

Further details may be obtained from the Campus Registrar,
The University of the West Indies, St.
Augustine, Republic of
Trinidad and Tobago.

Research

Research in the DM Radiology programme focuses on a range of theoretical questions in and beyond the Caribbean and its diaspora. For information on the research conducted at the Faculty of Medical Sciences visit the Faculty webpage at <https://sta.uwi.edu/fms/medicine/index.asp>

The University of the West Indies supports the research activities of permanent members of staff by providing study leave, special leave for scholarly purposes, and sabbatical leave, as well as offering funding for research trips, fieldwork, institutional visits, conference participation and organization, and research assistants. For more information on research funding, see <http://sta.uwi.edu/research/funding.asp>

Lecturer in Radiology (2 posts)

Qualifications and Experience

The successful candidate must possess a Doctor of Medicine (DM) in Radiology or equivalent postgraduate qualification.

Candidates should also possess:

- At least five (5) years postgraduate experience (after graduation) in the Radiology specialty.
- Clinical decision making and communication skills

Candidates with the following would have an advantage:

- Degree or Certificates in Medical Education
- At least two (2) years teaching experience at the postgraduate level
- Ability to conduct research
- Successful award of grant as a Principal Investigator or member of a team
- At least three (3) publications in high-impact, peer-reviewed journals for their field of research, and/or co-authored papers
- Ability to use online pedagogical platforms such as Blackboard Collaborate (BBC) and Zoom

The following would be considered assets:

- Subspecialty training in Radiology
- Evidence of the provision of subspecialty service (e.g. Interventional Radiology, Neuroradiology)
- Ability to use teaching aids such as PowerPoint presentations

Candidates must be registered or able to be registered as a specialist in Radiology with the Medical Board of Trinidad and Tobago.

Special Responsibilities

- Providing work-based clinical supervision and teaching of undergraduate and postgraduate students
- Supervising postgraduate research projects
- Teaching of Radiology for the MBBS degree and the DM Radiology programmes via online and face to face modes.
- Managing a Radiology Service
- Mentoring students

Personal Attributes

The Campus places high priority on individuals of integrity who can work well in a team and student friendly environment. Candidates should also possess good communication and interpersonal skills. A good command of both oral and written English is essential. Candidates should also:

- Be able to function as a team leader
- Uphold the highest standards of professional practice and behaviour, and medical ethics
- Have a strong interest in mentoring staff

Candidates are further encouraged to enhance their application by providing the following:

- Cover letter
- Teaching statement (1 page)
- Research statement (1 page)
