## *Ranked Among the Best*

### **Only Caribbean University Ranked Among BEST IN THE WORLD**

- ▶ CARIBBEAN'S #1
- ▶ WORLD'S TOP 1.5 %
- ▶ LATIN AMERICA'S TOP 20
- ▶ WORLD'S GOLDEN AGE TOP 100
- ▶ IMPACT RANKINGS 2.5%

An innovative, internationally competitive, contemporary university deeply rooted in the Caribbean, The UWI is an international university, in every respect, with links extending beyond the region to well over 100 universities worldwide.

The Times Higher Education rankings in 2018 and 2019, placed The UWI as the number 1 ranked university in the Caribbean out of over 200 registered institutions across the region; and among the top 3% of some 2,000 registered universities in the wider Latin America and the Caribbean. In 2020 The UWI was ranked among the THE's top 100 "Golden Age" universities established between 1945 and 1967. [Read more ...](#)

## *About UWI*

The first of UWI's five campuses began in 1948 at Mona, Jamaica, as a College of the University of London. The St. Augustine Campus in Trinidad & Tobago was added in 1961 and UWI achieved full university status in 1962. St. Augustine was followed by campuses at Cave Hill, Barbados (1963), the Open Campus (2008), and the Five Islands Campus in Antigua & Barbuda (2019). [Read more ...](#)

## *Our 8 Faculties*

Teaching at the St. Augustine Campus takes place within eight faculties - Engineering, Food & Agriculture, Humanities & Education, Law, Medical Sciences, Science & Technology, Social Sciences, and Sport. Each Faculty offers a wide range of undergraduate and postgraduate programmes. [Find out more ...](#)

# About the FACULTY OF MEDICAL SCIENCES

The Faculty of Medical Sciences was founded in 1948 at Mona, Jamaica as a College of the University of London.

In 1989, teaching began at the Faculty of Medical Sciences, St. Augustine for medical, dental, veterinary and pharmacy students. In 2005, the first cohort of nursing students was accepted and in 2012, the BSc Optometry was added to the Faculty of Medical Sciences' programmes.

The Faculty is located mainly on the Eric Williams Medical Sciences Complex, which is situated approximately eight (8) miles from Port of Spain and two miles from the main campus at St. Augustine. Other clinical teaching sites include San Fernando and Port of Spain General Hospitals, Sangre Grande Hospital, Mt. Hope Maternity Hospital and Community Clinics across the country.

The Surgery Unit is located at the Eric Williams Medical Sciences Complex and falls under the purview of the Department of Clinical Surgical Sciences, School of Medicine. The Unit is involved in the teaching of students in Year 4 & 5 of the MBBS programme and Postgraduate students in the Diploma and DM in Emergency Medicine.

## *The Department of Clinical Surgical Sciences*

Medical Science teaching at undergraduate and graduate levels, and research at The UWI goes back to 1948, when the Faculty of Medical Sciences was first established in Mona Campus. The current programme offerings include:

- a. Undergraduate Programmes:  
Bachelor of Medicine and Bachelor of Surgery (MBBS)
- b. Postgraduate Programmes  
DM in various disciplines

Education Philosophy – The attention of all applicants for academic posts in the Faculty of Medical Sciences at St. Augustine is directed to the following outline of the education philosophy. It is considered essential that all persons appointed are sympathetic to this philosophy and will feel able to work effectively within this educational structure.

Throughout the course, emphasis is placed on the integration of course content and subject matter. The problem-based learning approach to medical education is adopted for teaching, self-instruction (i.e. self-motivated learning), small-group teaching and wide use of learning resources.

The education objectives of the Medical School include the following:

To produce graduates whose professional and academic standards are of a level comparable to their colleagues in the more developed countries and who will function efficiently in whatever environment they are required to work.

## *Tenure of Appointment*

Appointment as Lecturer will normally be for three (3) years in the first instance, with eligibility for consideration for renewal.

Subsequent to the first appointment, a member of staff who has served in an equivalent position in this or some other University for a period of six (6) years will be eligible for consideration for indefinite tenure.

Appointment to this post is subject to the [Charter of the University and to its Statutes, Ordinances, Rules and Regulations](#), including Statute 36 – Retirement of Members of Staff.

Further details may be obtained from the Campus Registrar,  
The University of the West Indies, St.  
Augustine, Republic of  
Trinidad and Tobago.

## *Research*

Persons appointed to posts in the Faculty of Medical Sciences – St. Augustine, will be expected to actively participate in research activities pertaining to his/her field.

The University of the West Indies supports the research activities of permanent members of staff by providing study leave, special leave for scholarly purposes, and sabbatical leave, as well as offering funding for research trips, fieldwork, institutional visits, conference participation and organization, and research assistants. For more information on research funding, see <http://sta.uwi.edu/research/funding.asp>

# Lecturer in Ophthalmology
