

## MR. WAYNE OUDIT

Wayne Oudit is a regional Consultant and Trainer with over ten (10) years experience in Finance, Auditing, Human Resources, and General Management. He is a Fellow (FCCA status) of the Association of Chartered Certified Accountants (ACCA).

Mr. Oudit founded the Training and Consultancy company - International Quality Solutions Limited in 2005. Over these past four (4) years he developed and delivered training workshops for more than 2,000 entrepreneurs in the fields of Financial Management; Human Resources; Strategic Planning; and General Management.

He is currently a Business Strategy and Finance facilitator for the Arthur Lok Jack, Graduate School of Business. Additionally, within the Caribbean, he has trained ACCA students in the fields of Advanced Auditing, Financial and Management Accounting.

Mr. Oudit has held the position of Chief Financial Officer at the Caribbean New Media Group Ltd (CNMG) from the company's inception in November 2005 to January 2009.

He has worked some 17 years with three top-tier international companies (ACCA, British American Tobacco and Ernst & Young) covering External Audit; Financial Accounting; Management Accounting; Information Technology; Internal Audit; Administration; Marketing; Risk Management; and Corporate Services.

Wayne Oudit is a dynamic speaker with exceptional leadership qualities and has significant strengths in team-building; mentoring; empowerment; process re-engineering; and quality innovative output.

Financial Intervention  
Workshop

July 28th, 29th & August 5th, 2009  
Faculty Boardroom, Block 1  
Faculty of Engineering,  
The University of the West Indies,  
St. Augustine, Trinidad

# Formulating & Implementing Innovative Solutions within a Global Economic Downturn

This unique workshop is customised for CEOs and other senior management decision makers enabling them to analyse the current global economic recession as it relates to the domestic market. Participants will reevaluate and amend their

respective Company's Strategic Business Plans and Budgets.

## COURSE HIGHLIGHTS

A comprehensive understanding of the importance of :-

- Innovation - The future of Management.
- Speed - To suitably adapt within the volatile global recession.
- "Think BIG, Act Small" - A localised approach.

## LEARNING OBJECTIVES

Within the context of a global economic downturn:-

- Analysis and development of innovative strategies
- Revenue growth and cost cutting strategies
- The methodology used to formulate and adapt a Strategic Plan and linking it to the Budget.
- Performance Measurement techniques to drive pro-active decisions in a timely manner.

## TARGET AUDIENCE

- Chief Executive Officers
- Chief Financial Officers
- Directors
- Engineers
- Entrepreneurs
- Senior Managers

## BIOS OF A CROSS-SECTION OF THE EXPERT PANEL

**Mr. Faris Al Rawi**  
**Ms. Angela Lee Loy**  
**Mr. Ram Ramesh**  
**Mr. Dave Ramkissoon**

**MR. FARIS AL RAWI** is currently on the panel of Attorneys for Scotiabank Trinidad and Tobago Limited, Scotiitrust and Merchant Bank Trinidad and Tobago Limited as well as RBTT Bank Limited. He also functions as an Alderman to the Port-of-Spain City Corporation.

He is immensely experienced in the corporate, commercial, insurance and conveyancing arenas and has an intimate knowledge of regulated industries, public companies and securities and exchanges.

**MS. ANGELA LEE LOY**, Managing Director of Aegis Business Solutions Limited and Aegis Management Solutions Limited. She has over thirty years experience in Auditing and Business Advisory Services, having worked with Aegis and PricewaterhouseCoopers.

Ms. Lee Loy is widely – and quite rightly – recognised for her wide-ranging professional and civic achievements and her long-term contribution to both business and society.

**MR. RAM RAMESH** established Caribbean Money Market Brokers (CMMB), the first and largest full-service brokerage house in Trinidad & Tobago and the Eastern Caribbean in 2000.

In 2006 Mr. Ramesh was named as "The Most Influential Chartered Financial Analyst (CFA) Charterholder" by the CFA Institute.

Mr. Ramesh has over twenty years of international experience having worked for international firms such as Citicorp and PricewaterhouseCoopers.

**MR. DAVE RAMKISSOON** - C.E.O. and Chairman, Electrical Industries Limited (EIL), is a self made businessman who started off in 1981. In 1986 he formed Electrical Distributors Limited, (EDL) and in 1997 Mr. Ramkissoon acquired EIL, becoming the largest electrical cable manufacturer in the Caribbean.

Through strong leadership, Mr. Ramkissoon again achieved quick financial turnaround by putting EIL back on a profitable track. Today, EIL stands out as one of the leading private sector companies in Trinidad and Tobago.
