What I Can Become – Career Development for Young Persons

The UWI’s After School Care Centre (ASCC) will host a camp, *What I Can Become – Career Development for Young Persons*, from July 8 – August 17, for children aged 5–12, at #29 Warner Street, St. Augustine.

Hours: 8am–4:30pm (earliest drop off time is 8am and latest pick up time is 4:30pm).

Cost: 6 weeks at $1,400, or 1 week at $250. There is a late fee of $40, for every half an hour after 4:30pm, or any part thereof.

Deadline for applications: **July 5**. Please send applications to ascc@sta.uwi.edu.

What’s it all about?

The Summer Camp will feature activities with a focus on the UWI St. Augustine, which can help our young campers understand WHAT careers are attainable at UWI. Events will be Faculty specific, and involve tours of The UWI St. Augustine Campus and its unique areas. Additional activities will involve Spanish, sign language, art and craft, storytelling, outdoor games and activities, as well as group sessions focused on building work ethics relevant to their academic and personal lives. The entire camp will be mounted over six weeks, with each Faculty having one week of focus:

- **Week 1**: Faculty of Engineering
- **Week 2**: Faculty of Food & Agriculture
- **Week 3**: Faculty of Humanities and Education
- **Week 4**: Faculty of Law and Faculty of Social Sciences
- **Week 5**: Faculty of Medical Sciences
- **Week 6**: Faculty of Science & Technology

Field trips to areas of interest outside of the campus will be included weekly. However, these require an additional charge based on entrance and transportation fees for parents.

Parents are asked to provide lunch and snacks for their children daily along with an apron or large tee-shirt for art and craft activities. There are 50 spaces available and you are invited to recruit campers to be part of our camp as it is open to the public.
Payments are to be at the Bursary at The UWI St. Augustine Campus and the receipt returned to the ASCC as proof of payment.

**Contact:** 222-8459 (between the hrs of 2:30pm and 8:30pm) or ascc@sta.uwi.edu.
