Kannathil Muthamittal

(A Peck on the Cheek)

(Mani Ratnam, 2002)

The 1st Tamil film in our series, *A Peck on the Cheek* is a much-feted film by one of the leading contemporary directors of Indian cinema, Mani Ratnam. The film tells the story of a child of Sri Lankan Tamil Tiger rebels adopted by Indian parents, who desires to meet her biological mother in the midst of the Sri Lankan Civil War. A moving story that addresses the sensitive subjects of an aggrieved, confused child and the extended political battles in Sri Lanka, *A Peck on the Cheek* features all the trademarks of a Mani Ratnam film: technical finesse, beautiful cinematography, well-picturized songs, and brilliant performances.

The film is in Tamil with English subtitles.

All screenings are free and open to the public.
