### OAS CONSORTIUM OF UNIVERSITIES

The OAS Consortium of Universities was created in 2000 to contribute to the development of human capital in the Americas. The Consortium presently comprises over one-hundred higher education institutions and has significantly increased the number of scholarship recipients over the years.

### OTHER ORGANIZATIONS AND INSTITUTIONS

In addition to higher education institutions, the Department of Human Development, Education and Employment also partners with regional and international organizations, public and private agencies, philanthropic and commercial institutions, from OAS member and observer states, as well as other areas of the General Secretariat of the OAS.
