That's Life

English as a Foreign Language (EFL)

English language learners from China, Colombia, France, Guadeloupe, Haiti, Spain and Venezuela showcase human commonalities as they deal with the hassle of visiting the doctor, showing up at the immigration office on time while learning the foreign language. But, there is no monotone here. As the three brief scenes unfold one by one, the unexpected manages to overcome the expected, and ostensibly humdrum activities manage to mirror various elements of the human spirit: creativity, emotion, fear, intellect and passion.

Directed by: Dr. Amina Ibrahim-Ali, Lazina Siew, Nadine Ali, Natalie Bhawanie.

Cast: Alma Reyes, Ana Rodriguez, Brian Rodriguez, Daniel Baloa, Ely Lezama, Ghery Ramirez, Harmond Veliz, Huanyi Liu, Inmaculada Tarragó, John Murgas, Leila Anglesi, Leonardo Fico, Leonne Lormil, Maria Martinez, Maria Medina, Maria Perez, Marie Louison, Marine Durand, Nestor Gómez, Sergio Hernández, Stara Bally, Yurany Hernandez.

Tres sombreros de copa

Spanish

Dionisio is spending the night before his wedding in a small hotel. Holding his three glamorous top hats, he deliberates about the big decision of which one to wear on his nuptials. Paula, a dancer from a circus troupe also staying at the hotel, stumbled into Dionisio's room. As she sees him holding three top hats, she mistakes him for a juggler. So, for one night, Dionisio will experience the fun and madness of being part of a circus troupe.

Paula lives an agitated life in a world of parties, while Dionisio is ready to settle down. Yet, both characters find their respective lifestyles monotonous. This story makes us question whether true happiness is really achievable, or we will always see the grass greener on the other side.
