

THE MATHEMATICS HELP CENTRE (MHC).

AN OVERVIEW.

Department of Mathematics and Statistics, Faculty of Science and Technology.

❖ Objectives of Mathematics Help Centre (MHC)

- To provide face-to-face assistance to persons with difficulties in courses with **Mathematics and Statistics** components in **ALL faculties** at the U.W.I., St. Augustine Campus and the Open Campus.
- To promote the expertise and important role of the Department of Mathematics and Statistics at the Campus.

❖ Location of MHC

The Mathematics Help Centre will be available online via the myeLearning course “Math Help Centre”

❖ Availability of the MHC

Synchronous Mode (Course Room):

Opening hours are **Monday to Friday from 9 a.m. to 12 p.m. and 1 p.m. to 4 p.m.** except on **Thursday (9 a.m. to 12 p.m. only).**

Asynchronous Mode: A Discussion Forum is also available where students may post questions.

❖ MHC Tutors

Instructors, Teaching Assistants, Part-time Demonstrators and Associate Professionals from the Department of Mathematics and Statistics assist students with difficulties at the MHC.

❖ Student requirements per session

Students must bring their attempts at the question for clarification and course material.

- Tutors will provide necessary guidance to students by providing the skills and techniques required to understand the material.
- Tutors will NOT proof – read or do assignments for students or provide opinions/judgements on the way an assignment or examination was marked by another Lecturer.
- In the event a Tutor is unable to answer a question efficiently, the student will be referred to another who has the expertise.
- Graduate students with projects will be referred to the Statistical Consulting Unit.
