APPLY NOW: sta.uwi.edu/apply

APPLICATION DEADLINE: 31 July 2022

How to apply?

Visit sta.uwi.edu/apply and follow the step-by-step instructions for submitting and tracking your online application.

Modified Admission (matriculation) Requirements

If you are a CAPE candidate whose exams were affected by the COVID-19 pandemic, then UWI will now consider the following as the minimum criteria for entry:

- Passes in at least two CAPE subjects either at Unit 1 or 2 with grades I - IV

PLUS

- The requisite CSEC subjects

PLUS

- Be currently registered for either CAPE Unit 1 or 2

These new minimum qualifications do not guarantee a right of entry into a degree programme. Faculty-specific admission regulations still apply.

For all other applicants, the normal admission criteria will apply (see below).

Normal University Admission (matriculation)

- Passes in five subjects at CSEC (CXC) General Proficiency (Grades I - II pre-1998 and Grades I - III from June 1998) or GCE O-Level/BGCSE or approved equivalents, including English Language and Mathematics.
- Passes in at least two subjects at GCE A-Level or passes in at least two 2-Unit CAPE (CXC) subjects or approved equivalent, excluding Communication and Caribbean Studies at CAPE or General Paper at A-Level.

Alternative Requirements

Visit sta.uwi.edu/admissions/undergrad/matriculation.asp to see entry options for holders of other academic qualifications such as associate degrees, Caribbean, non-Caribbean and overseas qualifications; and mature students over the age of 21.

Faculty Requirements

Visit sta.uwi.edu/programmes for additional programme information and faculty requirements.

8 Faculties. Fully Accredited Programmes. Endless Possibilities.

Visit sta.uwi.edu/programmes for programme details and entry requirements.

Faculty of Engineering

Pre-University Programmes

- Pre-Engineering

Certificate Programmes

- Geographic & Land Information Systems Management

Degree Programmes

- BSc Chemical & Process Engineering
- BSc Civil Engineering
- BSc Civil with Environmental Engineering
- BSc Electrical & Computer Engineering
- BSc Geomatics (formerly Surveying & Land Information)
- BSc Industrial Engineering
- BSc Land Management (Valuation)
- BSc Mechanical Engineering
- BSc Mechanical Engineering with a Minor in Biosystems
- BSc Petroleum Geoscience

Faculty of Food and Agriculture

Certificate Programmes

- Agriculture
- Environmental Geography
- Human Ecology

Diploma Programmes

- Agriculture (UDA)
- Institutional & Community Dietetics & Nutrition (Diploma/Internship)

Degree Programmes
