## SEMINAR SERIES

### “DATA AND STATISTICAL ERRORS IN RESEARCH”

Dr. Rajvir Singh is a top-ranked postgraduate in Mathematics from Agra University and a Ph.D. (Biostatistics) graduate from AIIMS, New Delhi. He has over 25 years of experience in the medical fraternity and has been exposed to a wide variety of statistical techniques. He teaches research methodology and biostatistics courses to medical residents and research fellows and has supervised more than 10 Ph.D. students in the capacity of Guide and Co-guide. Dr. Singh is a pioneer of research at the Hamad Medical Corporation (HMC) and the author of more than 500 peer-reviewed research publications with over 12957 citations and an H-Index of 59. He currently ranks in the 97.5<sup>th</sup> percentile of the research fraternity in the world and has completed 8 National Research Priority Projects (NPRP) worth \$7.5 million.
