NATIONAL SCHOOLS POSTER COMPETITION

Theme: Medical Physics & Sustainable Healthcare

Poster details:

1. Each participant can submit only one entry. (Submission by multiple participants from the same school is allowed.)
2. The theme must be clearly included.
3. The poster should not contain any of the participant's details. These details will be submitted in the registration form only.
4. The poster can be digital or handmade and must be two-dimensional.
5. The poster is to be done in Landscape or Portrait orientation and measure 8.5" x 11".
6. The submission must be original work. Plagiarism and explicit content in the poster will lead to disqualification.
7. Each participant must also submit an audio clip (no more than 3 minutes duration) explaining how the poster submitted is linked to the theme and the materials used to create it.
8. To participate in the competition, one must register using the link: <https://bit.ly/medicalphysicspostercompetition>
9. The submission link, along with additional instructions, will be sent to participants using the email addresses entered in the registration form.
10. Deadline for Submission: **June 30, 2023 | 5:00 p.m.**

Prizes to be won!
