PEAPSL CONSULTANCY

BIOGRAPHY

PEAPSL Consultancy Limited offers EAP, training, and other associated services to numerous organisations. PEAPSL Consultancy Limited supports a wide range of contract clients of various industries within many different sectors and has served over three hundred companies; locally and regionally.

We are known as a pioneer in the region and our standards are in line with those of the International Employee Assistance Professionals Association (EAPA). The organisation is on par with the best EAP service providers due to its two and a half decades of experience, highly qualified and trained staff, and partnerships with international facilitators.

PEAPSL's Team is well-trained in the areas of Clinical and Medical Social Work, Clinical and Child Psychology, Industrial Psychology, Financial Counselling and Planning, Play Therapy and Marital & Family Therapy and Coaching. PEAPSL's mediators are trained in Civil, Family and Divorce matters, and our staff are Certified Employee Assistance Professionals (CEAPs).

Our Services

The services offered by PEAPSL are designed to direct all employees to a better quality of mental health that leads to overall increased productivity and a healthy work environment.

This includes assisting supervisors and managers in their leadership roles by providing quality training and coaching; to ensure that the organisation is operating at its best. These objectives are accomplished by addressing problems that harm productivity, such as stress, substance usage, departmental disputes, significant organisational changes, and employees' personal issues (mental, marital, familial, stress and financial).

CORE SERVICES
