## VOLUNTEERS NEEDED!

FOR RESEARCH  
PARTICIPATION

HELP US TO  
HELP YOU!

Study: Situating Prevalence and Risk for Mental Health among Young Adults within the University Community: Towards an Interdisciplinary Intervention-Oriented Approach

### REQUIREMENTS

- Registered level 2 and level 3 Undergraduate Students at UWI, St. Augustine Campus
- Between the ages of 18 to 35
- Have previously accessed CAPS  
(willing to participate in an interview)

### HOW AND WHY SHOULD I PARTICIPATE?

- Data would be collected through confidential semi-structured interviews
- This study aims to investigate factors associated with the mental health of UWI students and the effectiveness of current interventions
- This information would be used to improve intervention services
