Research Proposal

* Title of the Research Project	
* Research Start Date	
dd/mm/yyyy	
* Research End Date	
dd/mm/yyyy	Ö
* 1 . A la atura at	=
T 1 A L -++	
Summarise the Aims, Methodology, Location	
Summarise the Aims, Methodology, Location	
Summarise the Aims, Methodology, Location Confidentiality Statement or Declaration for	
* 1. Abstract Summarise the Aims, Methodology, Location Confidentiality Statement or Declaration for 300 words left * 2. Background and Rationale for the stud	the study
Summarise the Aims, Methodology, Location Confidentiality Statement or Declaration for 300 words left	the study

*	3.	Aims	and	Objec	tives

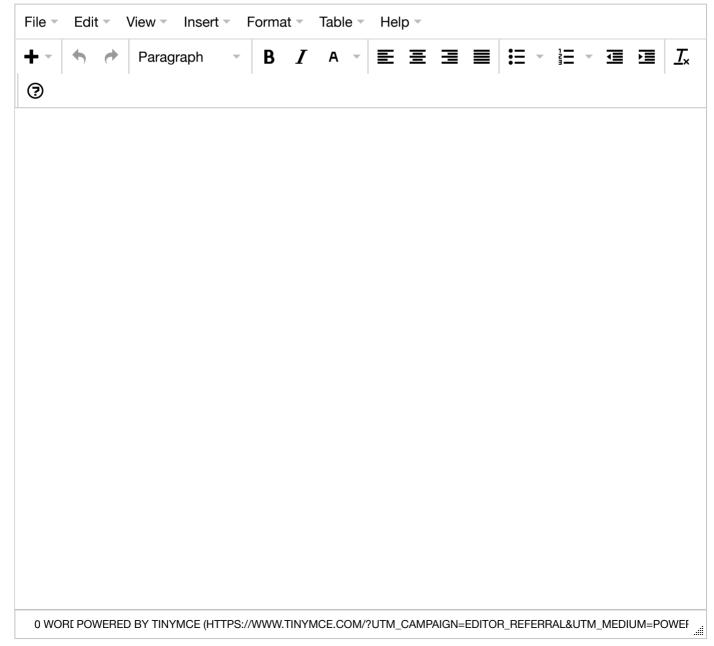

300 words left

4. Hypotheses (If Applicable)

300 words left

5. Methodological Design

* 5.1 Overall Study Design (Theoretical Framework) **2**

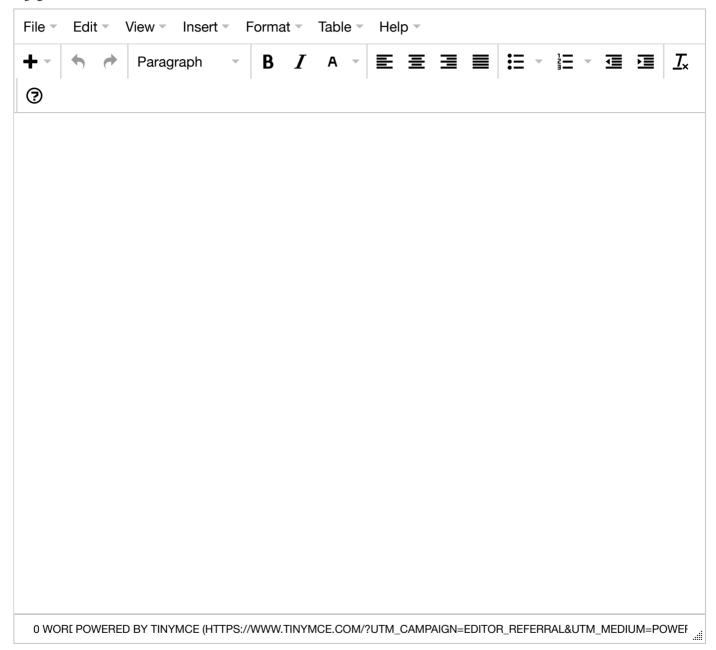

* 5.2 Location and Time Frame of the study **Q**

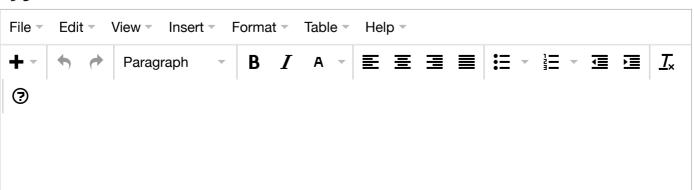

- /	
- (

5.3 Justification for Participants or Subjects

* 5.3.1.1 Inclusion Criteria

* 5.3.1.2 Exclusion Criteria

* 5.6 Methods of Data Analysis Q	

6. Confidentiality		
* 6.1 Methods for storing and securing study/biological data		
* 6.2 Methods for protecting participants' confidentiality (not applicable for Waiver Application)		
7. Risk/Benefit		
* 7.1 Indicate what is the level of risk associated with this research ②		
No more than minimal risk		
* 7.2 Please describe risk, discomfort (physical/psychological), inconvenience, side effects, and financial costs to participants (include measures to mitigate these risks/discomforts)		
* 7.3 Indicate direct benefits to participants (not applicable for Waiver Applications)		
7.4 Impacts of the study on human groups that are not participants in the study (positive/negative, where applicable)		
7.5 Impacts of the study on the environment (positive/negative, where applicable)		
* 8. Compensation for participants: including payments or payments in kind		

9. Informed Consent

10. Funding									
0.1 State source nd funder. ②	es of Funding.	. Indicate	any poten	tial for co	onflict of	interests	betweei	n resear	che
