

INTERNSHIP OPPORTUNITIES!

REGIONAL INTERNSHIP PROGRAMME 2023

Providing Young Caribbean Nationals with Work Experience

Do your part in the journey to make the Caribbean the first climate-resilient region in the world.

CALL FOR APPLICATIONS

CCRIF invites young Caribbean nationals to apply for an internship to work with a Caribbean organization in an area related to disaster risk management or climate change adaptation.

THE 2023 INTERNSHIP PROGRAMME INCLUDES:

- **On-site internships** – working with a national or regional organization
- **Virtual internships**

CCRIF INTERNS WILL:

- work for 2 months (between July and December 2023)
- receive a monthly stipend and housing allowance
- receive certification from CCRIF and The UWI in disaster risk financing and parametric insurance

PAST HOST ORGANIZATIONS HAVE INCLUDED:

ACS, CARICAD, CARICOM, CCRIF, CDEMA, CRFM, CIMH, CMO, OECS, The UWI and national meteorology and disaster management agencies.
