

UWI-NGC Research Expo 2015: Mini-Workshop Schedule

Tuesday 22nd September 2015

TIME	WORKSHOP TITLE	FACILITATOR	BUILDING	ROOM
9:00 a.m. - 12:00 p.m.	Elsevier Publishing Workshop	Dr. Roger Hosein, Dr. Daren Conrad.	Alma Jordan Library	AV Room. 3rd Floor

The Alma Jordan Library is inviting graduate students and members of faculty who may be interested in publishing to attend a workshop being conducted by Elsevier. Elsevier is a world leading publisher of scientific, technical and medical full text literature. Publishing more than 2,500 journals and 11,000 online books, their archives contain over 13 million documents and total yearly downloads amount to some 750 million. Elsevier's online network of sites reaches over 16 million professionals and scientists at corporate, academic, governmental and medical organizations each month. Of particular note is the FREE access that they provide to articles in their databases that have been published by that year's Nobel Laureates.

Registration information and a detailed programme are available at:
