THE MISSION OF THE FACULTY OF LAW

The Faculty of Law at The University of the West Indies St. Augustine, in communion with its counterparts at Mona and Cave Hill, has as its principal mission the provision of high-quality legal education, cultivating in the prospective law graduate the art of critical thought and reasoned exposition as they apply to the growth and functioning of the legal systems in the Commonwealth Caribbean and to the advancement of a more just and humane West-Indian society. The Faculty of Law is an integral part of the regional development strategy and aims to facilitate this developmental purpose by providing a rich intellectual academic foundation in law for legal practitioners. A collateral purpose of the Faculty of Law, St. Augustine, is to engage in legal research and publication to contribute to a high calibre worldwide jurisprudence and more specifically, further the goal of building an indigenous jurisprudence. The Faculty also aims to enhance continuing legal education in the region and to elevate the standard of public debate and education on issues of relevance to the community that it serves.

In support of these objectives, the Faculty of Law, St. Augustine is committed to:

- deepening the intellectual and humanistic content of the law curriculum to ensure that the student derives a critical understanding of legal concepts, and a solid academic foundation for the practice of law or for the pursuit of a career in any other field;
- the undertaking of fundamental enquiries in collaboration with relevant disciplines into the adequacy of existing laws to meet the developmental needs of our societies;
- the organization and pursuit of research through the publication of books, monographs, internationally recognized journals, reviews and bulletins to meet the need for critical appraisals of current legal developments in both case and statute law;
- the thorough examination and scholarly exposition of current West Indian Law and West Indian Legal history;
- the provision of services to regional Governments pursuing legal and constitutional reform;
- the provision of intellectual support through research and training essential for the successful operation of the Caribbean Single Market and Economy (CSME) and the Caribbean Court of Justice;
- the provision of continuing legal education programmes for practising attorneys, civil servants, social workers, police officers, teachers and the general public;
- the provision of advanced training in law through the development of postgraduate programmes in such critically needed areas as Legislative Drafting, Corporate and Commercial Law and Public Law;
- the enhancement of the Faculty's ability to serve as an intermediary in the delivery of special programmes, workshops or projects that are funded through international agencies.

INTRODUCTION

The Faculty of Law was established at The University of the West Indies in 1970 and was initially based only at the Cave Hill Campus. Its primary objective is to provide for an academic qualification which is a prerequisite to professional legal training for lawyers in the Commonwealth Caribbean. However, the traditional basic legal skills of concise and pertinent oral argument, systematic and relevant presentation of essential issues, clarity and precision of written opinions and detached and balanced judgment are also useful and reliable skills for other professions such as the Civil and Police Service, Accountancy, Banking and Commerce.

The Faculty of Law offers both undergraduate and postgraduate programmes. The undergraduate programme is offered only to students from territories which contribute to the Faculty, except in special circumstances. The programme is divided into 3 parts - Part I -III and is offered at all three campuses of The UWI, St. Augustine, Cave Hill and Mona.

Graduate studies in the Faculty lead to the Graduate Diploma, the UWI LLM, MPhil and PhD. The UWI LLM is a regional programme offered simultaneously across the campuses utilising blended learning methodology. It includes specialisations in the areas of Corporate and Commercial Law; Legislative Drafting; and Public Law. A General LLM Degree is also offered when subjects in the abovementioned categories are combined.

The MPhil and PhD by research are available to suitably qualified candidates.

Full details on these graduate programmes are contained in the St. Augustine Faculty's Graduate Handbook, the Faculty of Law office and the website: <https://sta.uwi.edu/law/academics-admissions>.

DEAN'S MESSAGE

Welcome back students! We at the Faculty of Law, and the wider University community, have missed having you on campus and we warmly celebrate your presence. We trust that you will enjoy your time with us and make the best use of the opportunities that campus life affords you.

What does being a student of the Faculty of Law mean to you? What are your goals? What do you hope to get out of this experience? These are matters for you to consider and decide on. From our perspective we think that as budding lawyers, you are tasked with carrying on a long tradition of being change-makers and social engineers. The law is a powerful tool. Like any tool, in the hands of a skilled artisan, master pieces can be created. Becoming skilled does not come easy. It requires effort, hard work and dedication. Are you ready for the challenges to come? We expect you may feel some anxiety, but our role is to be there for you, to support you to achieve your goals and to facilitate you in getting to where you want to go. I urge you to keep your goals ever-present in your minds to ensure that you stay on course as you move through life.

Learning is constant and occurs in everything we do. An important part of your University life is your campus experience. Take advantage of the many opportunities which you will have at the University to socialize and build your network of lifelong friends. Learn from the faculty members. Interact with them. Ask questions. Be enthusiastic about your learning.

We at the Faculty are here to support you on your journey of self-discovery and academic growth. The pandemic has pushed us to adopt modern approaches to course delivery and multi-modes of assessment to improve student performance. We constantly strive to be more practical in our approach making the study of law relevant and practical to the needs of our community. The University's investment in technology over the past two years has been aimed at enhancing your experience. In the interim there has also been thoughtful development of covered pathways across the campus to facilitate ease of movement and integration with the wider campus community.

We at the Faculty also have the support of our stakeholders to our work. To this end, our adjunct staff includes judges and senior practitioners. This investment of time and the sharing of knowledge by our colleagues in the profession with you demonstrate the faith they have in our work and in you. Their work is in furtherance of a great tradition of regional legal education aimed ultimately at the advancement of our indigenous jurisprudence and laws. You are the future seniors of the profession, law makers and judges. Your preparation for your future calling starts here.

As we return to our physical classrooms, we hopefully bring with us lessons of compassion, renewed vigour, appreciation, humanity and perseverance. Your journey in law begins with us but you will forever be a student of the law.

We thank you for letting us join you in this phase of your legal education. We do not take for granted your presence here. Approach our staff with your queries, ideas, concerns, and suggestions. We look forward to meeting you and we wish you the very best for this academic year.

The Faculty has an increasing number of scholarships, bursaries and prizes to award deserving students and also give financial assistance which supplement the financial assistance available from the Department of Financial Advisory Services, Division of Student Services & Development.

The **Makandal Daaga Scholarship** is available for a person applying to the Faculty of Law who has a record of activism and can benefit from the Faculty's policy of increasing access to the LLB degree.

There are a number of Bursaries also available to students. The criteria for Bursaries and most grants are academic merit, financial need and evidence of extra-curricular activities.

TEACHING AND EXAMINATIONS

TEACHING ARRANGEMENTS

The course of study provided on all campuses will be designed for full time students. Thus, students will be required to attend classes during the day, although some may take place in the evening. Such classes may be online. **The study of Law requires frequent and intensive use of the Law Library for reference to primary source materials, such as law reports, statutes and texts.** The programme of work provided will involve the preparation of written and oral opinions which call for concentrated library work at regular intervals. The majority of law library holdings are now available online, via databases such as Lexis and West Law, as well as online versions of textbooks.

LECTURES AND TUTORIALS

Teaching in law subjects will in most of the courses in Part I and Part II take the form of lectures and tutorials. Tutorials are arranged on a small-group basis. In these classes, the student will be expected to develop the techniques of argument and presentation of cases and to produce essays, opinions and small project work under tutorial guidance. **The tutorial is a very important aspect of the teaching programme in the Faculty, and attendance at tutorials is compulsory.**

The UWI Regulations require all students to attend ALL lectures, seminars and tutorials for which they are registered. Failure to attend classes may result in the student being DEBARRED from examinations.

CASEBOOK METHOD

The student will be encouraged to learn the art of legal reasoning by use of the case-book method. This involves the preparatory reading of selected materials, followed by class discussion designed to deduce the legal rules inherent in the materials and their use and limits in future situations.

SEMINARS

In the advanced courses, teaching may be conducted by means of seminars. This involves the preparatory reading of selected materials with a view to analysis and presentation.

MOOTS

This involves the preparation and presentation of argument and counter-argument on points of law in a simulated court situation. Success lies not only in the winning of the case but in the demonstration of legal skills in making the best argument from the materials available. Opportunities also exist for the participation in international competitions, e.g. the Inter-American Human Rights Moot Court Competition, the Philip C. Jessup International Moot Court Competition and the Caribbean Court of Justice Moot subject to the availability of funds and are determined on a competitive basis

BOOK LISTS

Book lists will be issued separately for each course and detailed reading and work sheets will be made available from time to time during the session.

FACULTY ADVISERS

Faculty Advisers will give help and advice on matters both of an academic and non-academic nature if such advice is sought. The Faculty Adviser is to be regarded by students as an important Faculty resource.

EXAMINATIONS AND ASSESSMENTS

Written assessments and examinations are held at the end of each Semester. In some courses, however, assessment may take the form of assignments submitted during the Semester, together with an examination at the end of a Semester, or solely of an extended research paper, submitted during the course of the academic year, as in the Independent Research Paper Course.

Students must be notified of the method of assessment for each course at the start of the Semester.

CONFERENCES, WORKSHOPS AND PROJECTS

The Faculty is engaged in a number of important continuing legal education and public education initiatives. These involve major conferences and workshops, such as the Oil & Gas Workshop, the Banking Law Workshop, Sports Law Workshop and the Legislative Drafting Workshop. There are several Public Panel Discussions on current legal topics. It is also implementing significant externally funded law projects, which it bid for and won. These often include student speakers and researchers.

Currently, the Faculty is implementing one donor-funded project:

- *Addressing Human Rights Abuses of Remand Prisoners with Special Emphasis on Domestic Violence Murder Cases*, an EU funded project which examines injustices in the criminal justice system which results in persons remaining on remand awaiting trial for many years.

LINKS TO PROFESSIONAL TRAINING

Entry into the legal profession of all of the Commonwealth Caribbean territories is regulated by the law of the particular territory, but as a result of a regional agreement the basic requirements tend to follow a common pattern.

Since 1975, a Legal Education Certificate is normally required by a prospective lawyer. This is granted by the (West Indian) Council of Legal Education which was established in April 1971. The Certificate will be granted to a student who successfully completes a two-year course of full-time training at one of the Council's three Law Schools in Trinidad, Jamaica or The Bahamas.

The students will be taught by a system of practical instruction designed to give training in the basic and essential skills of the practising lawyer.

Entry into a Law School will normally be granted to any applicant holding the UWI LLB degree. Students who hold law degrees from other universities are required to sit an entrance examination which is held in July of each year. The deadline for applications to the Law Schools is January 31 of the proposed year of study. Application forms are obtainable from the Faculty of Law or from either of the three Law Schools at the addresses below:

The Hugh Wooding Law School

P.O. Bag 323
Tunapuna Post Office
TRINIDAD AND TOBAGO
W: <https://www.hwls.edu.tt/>

The Norman Manley Law School

P.O. Box 231

W: <http://nmls.edu.jm/>

The Eugene Dupuch Law School

P.O. Box SS-6394
Nassau
THE BAHAMAS
W: <https://eugenedupuchlaw.edu.bs/>

Holders of a Certificate of Legal Education will be regarded by all Governments in the West Indies as having satisfied institutional and educational requirements for practice, but local legislation may add further requirements such as the requirement of nationality, which must be satisfied before the right to practise is granted in a particular territory.

REGULATIONS FOR THE DEGREE OF THE BACHELOR OF LAWS (LLB)

ENTRY REQUIREMENTS

1.
 - (a) The normal entrance qualification for the Faculty of Law (St. Augustine) is the basic Matriculation standard of FIVE subjects, at least TWO of which must be at CAPE (Units 1 and 2) or equivalent level, the remainder at CSEC general or equivalent level. There are no special subject requirements in addition to those necessary for Matriculation. However, successful entrants typically have much higher qualifications since entry is competitive.
 - (b) Selection for admission into the Faculty of Law is based on a points system. The Faculty may consider applications from persons who satisfy basic Matriculation standards but whose academic qualifications are not competitive in relation to the points system. In particular, mature applicants over 30 and law enforcement personnel who have shown evidence of academic and professional achievement may be considered. The Makandal Daaga Scholarship is also assessed according to special criteria, such as a candidate's social activism or work in the community.
2. Applicants applying for transfer from Faculties other than law at UWI will be required to have an overall/cumulative GPA of 3.5 or greater in order to be considered.

DIRECT ENTRY TO PART II

3. Applicants with first degrees may also be considered for the Direct Entry option of the LLB degree, which means that they will read for the degree in 2 years instead of 3. The Faculty reserves the right to limit the numbers of persons permitted to enter as Direct Entry students. A student normally qualifies for direct entry when he or she holds a First-Class undergraduate degree.

SUBJECT EXEMPTIONS – EXTERNAL & OTHER DEGREES

4.
 - (a) Graduates holding degrees from The University of the West Indies, or from the University of Guyana may already have studied certain subjects specified for The University of the West Indies LLB degree. Any student fulfilling the required conditions of the Faculty Regulations may apply for appropriate exemption.
 - (b) Students who hold Commonwealth common law type degrees from other universities will not as a rule be accepted for the LLB degree. Such students may in certain circumstances be admitted to read for the LLM degree.
 - (c) Students who have already studied a single subject in the course of studies and who are granted exemption without credit may be required to study a different subject in its stead.

LEAVE OF ABSENCE

5. A student may apply for a Leave of Absence where the circumstances require it.
 - (i) The application must be made online.
 - (ii) The application is determined by the Dean and/or his or her designate on behalf of the Board of the Faculty of Law, St. Augustine (Faculty Board).
 - (iii) The application must state the reason for the request.
 - (iv) Where granted it is subject to approval by Academic Board; leave of absence normally will not exceed 1 year in the first instance and be granted for 2 years only in exceptional circumstances.
 - (v) The deadline for applications should be adhered to. Students should track their requests (updates will be sent to their student email) in order to ascertain if additional information is required. Students must not assume that the application constitutes approval.

COURSE REQUIREMENTS FOR THE LLB

6. Every student in his or her first year is required to read Foundation courses as may be prescribed by the Faculty of Law (St. Augustine) unless exempted from so doing under these Regulations.

ACADEMIC PROGRAMME

7. Courses for the LLB degree are delivered in three parts, as indicated below.

DIRECT ENTRY

8. Students entering Part II directly through the Direct Entry programme are required to pursue the course of studies prescribed in the Regulations for the degree of Bachelor of Laws (LLB) for Direct Entry.

UWI REGULATIONS AND FACULTY REGULATIONS

9. All students of The University of the West Indies are subject to the General Regulations for Students approved by the Senate of the University. Where there is a conflict between these Regulations and the University Regulations, the University Regulations shall apply, except where a Regulation of the Faculty is expressly permitted by the Board for Undergraduate Studies.

FULL-TIME REGISTRATION

10. A candidate for the LLB degree shall be registered as a full-time student only and shall be required to read for the full complement of courses corresponding to a full-time programme of study, except where special accommodation is made for illness or disabilities in accordance with **Regulation 24** of the UWI's Assessment Regulations For First Degrees, Associate Degrees, Undergraduate Diplomas And Certificates.
11. It shall be the responsibility of the candidate to consult the Faculty Regulations to ensure that he or she is properly registered.

Course of Study and Credits

12. Subject to **Regulations 21 and 22**, candidates for the LLB degree shall pursue a course of study extending over not less than three academic years and with a minimum value of ninety-three credits, which must include credits for all of the Law courses listed in **Regulations 14 and 16**, before being eligible for the award of the degree.
13. Subject to **Regulations 21 and 22**, the course of study for the LLB degree shall be in three parts and unless otherwise permitted by the Board of the Faculty, Part I courses shall be taken in the first year, Part II courses in the second year and Part III courses in the third year.

- (b) Students admitted to the Faculty of prior to 2018/2019 will continue to be governed by the Regulations in force at the time of their admission.

UNIVERSITY REGULATIONS ON PLAGIARISM

Application of these Regulations

1. These Regulations apply to the presentation of work by a student for evaluation, whether or not for credit, but do not apply to invigilated written examinations.

Definition of plagiarism

2. In these Regulations, “plagiarism” means the unacknowledged and unjustified use of the words, ideas or creations of another, including unjustified unacknowledged quotation and unjustified unattributed borrowing;

“Level 1 plagiarism” means plagiarism which does not meet the definition of Level 2 plagiarism;

“Level 2 plagiarism” means plagiarism undertaken with the intention of passing off as original work by the plagiariser work done by another person or persons.

3. What may otherwise meet the definition of plagiarism may be justified for the purposes of Regulation 2 where the particular unacknowledged use of the words, ideas and creations of another is by the standards of the relevant academic discipline a function of part or all of the object of the work for evaluation whether or not for credit, for example:
 - a. The unacknowledged use is required for conformity with presentation standards;
 - b. The task set or undertaken is one of translation of the work of another into a different language or format;
 - c. The task set or undertaken requires producing a result by teamwork for joint credit regardless of the level of individual contribution;
 - d. The task set or undertaken requires extensive adaptation of models within a time period of such brevity as to exclude extensive attribution;
 - e. The task set or undertaken requires the use of an artificial language, such as is the case with computer programming, where the use of unoriginal verbal formulae is essential.
4. It is not a justification under Regulations 2 and 3 for the unacknowledged use of the words, ideas and creations of another that the user enjoys the right of use of those words, ideas and creations as a matter of intellectual property.

Other definitions

5. In these Regulations,
 - “Chairman”* means the Chairman of the relevant Campus Committee on Examinations;
 - “Examination Regulations”* means the Examination and other forms of Assessment Regulations for First Degrees Associate Degrees Diplomas and Certificates of the University;
 - “set of facts”* means a fact or combination of facts.

Evidence of plagiarism

6. In order to constitute evidence of plagiarism under these Regulations, there shall be identified as a minimum the passage or passages in the student’s work which are considered to have been plagiarised and the passage or passages from which the passages in the student’s work are considered to have been taken.

Student Statement on Plagiarism

7. When a student submits for examination work under Regulation 1, the student shall sign a statement, in such form as the Campus Registrar may prescribe, that as far as possible the work submitted is free of plagiarism including unattributed quotation or paraphrase of the work of another except where justified under Regulation 3.
8. Quotation or paraphrase is attributed for the purpose of Regulation 7 if the writer has indicated using conventions appropriate to the discipline that the work is not the writer’s own.
9. The University is not prohibited from proceeding with a charge of plagiarism where there is no statement as prescribed under Regulation 7.

Electronic vetting for plagiarism

10. The results of any electronic vetting although capable, where the requirements of Regulation 7 are satisfied, of constituting evidence under these Regulations, are not thereby conclusive of any question as to whether or not plagiarism exists.

Level 1 plagiarism

11. In work submitted for examination where the Examiner is satisfied that Level 1 plagiarism has been committed, he/she shall penalise the student by reducing the mark which would have otherwise been awarded taking into account any relevant Faculty regulations.

Level 2 plagiarism

12. Where an examiner has evidence of Level 2 plagiarism in the material being examined, that examiner shall report it to the Head of Department or the Dean and may at any time provide the Registrar with a copy of that report. In cases where the examiner and the Dean are one and the same, the report shall be referred to the Head of the Department and also to the Campus Registrar.
13. Where any other person who in the course of duty sees material being examined which he or she believes is evidence of Level 2 plagiarism that other person may report it to the Head of Department or the Dean and may at any time report it to the Campus Registrar who shall take such action as may be appropriate.
14. Where a Dean or Head of Department receives a report either under Regulation 12 or 13, the Dean or Head of Department, as the case may be, shall
 - a. where in concurrence with the report's identification of evidence of Level 2 plagiarism, report the matter to the Campus Registrar; or
 - b. where not concurring in the identification of evidence of plagiarism, reply to the examiner declining to proceed further on the report; or
 - c. where concluding that there is evidence of Level 1 plagiarism, reply to the examiner indicating that conclusion and the Examiner shall proceed as under Regulation 11.
15. Where a report is made to the Campus Registrar under Regulation 14a or 16, the Campus Registrar shall lay a charge and refer the matter to the Campus Committee on Examinations.
16. Where the Campus Registrar receives a report alleging Level 2 plagiarism from the Examiner or any other person except the Dean or Head of Department, the Campus Registrar shall refer the matter to a senior academic to determine whether there is sufficient evidence to ground a charge of plagiarism and where such evidence is found, the Campus Registrar shall proceed as under Regulation 15.
17. Where the matter has been referred to the Campus Committee on Examinations pursuant to Regulation 15, the proceedings under these Regulations prevail, over any other disciplinary proceedings within the University initiated against the student based on the same facts and, without prejudice to Regulation 21, any other such disciplinary proceedings shall be stayed, subject to being reopened.
18. If the Campus Committee on Examinations is satisfied, after holding a hearing, that the student has committed Level 2 plagiarism, it shall in making a determination on the severity of the penalty take into consideration:
 - a. the circumstances of the particular case;
 - b. the seniority of the student; and
 - c. whether this is the first or a repeated incidence of Level 2 plagiarism.
19. Where the Campus Committee is of the view that the appropriate penalty for an offence of Level 2 plagiarism is for the student to be:
 - (i) awarded a fail mark;
 - (ii) excluded from some or all further examinations of the University for such period as it may determine;
 - (iii) be dismissed from the University,it shall make such recommendation to the Academic Board.

Clearance on a charge of Level 2 plagiarism

20. A determination of the Campus Committee on Examinations that Level 2 plagiarism has not been found will be reported to the Campus Registrar who shall refer it to the Examiner and notify the student. Where the Committee has not identified Level 2 but has identified Level 1, it shall be reported to the Campus Registrar who shall refer it to the examiner.

Level 2 plagiarism: Appeal to the Senate

21. A student may appeal to the Senate from any decision against him or her on a charge of plagiarism made by Academic Board.

Delegation by Dean or Head of Department

22. The Dean or Head of Department, as the case may be, may generally or in a particular instance delegate that officer's functions under these Regulations.

Conflict of interest disqualification

23. Any person who has at any time been an examiner of work or been involved in procedures for laying charges in relation to which an issue of plagiarism is being considered under these Regulations shall withdraw from performing any functions under these Regulations other than those of supervisor and examiner.

STUDENT EXCHANGE & STUDY ABROAD

INTERNATIONAL OFFICE - OFFICE OF INSTITUTIONAL ADVANCEMENT AND INTERNATIONALISATION (OIAI)

The St. Augustine Campus has a range of partnership agreements managed through the International Office, OIAI that facilitates exchanges by UWI students as well as students from our international partners to spend time at each other's campuses. The Office also enables student mobility with institutions where we do not have such formal partnerships.

The UWI Student Exchange programme will allow you to study at one of our many international partners around the world, including in North America, Europe, South America, Africa, Asia and the Caribbean in addition to other UWI Campuses.

This type of international immersion has many educational and personal benefits. Students who have participated in the past have all spoken about the tremendous experiences and learnings not only in the classroom, but also from the people and places that they were able to interact with. They have become more independent in their thinking, self-sufficient and confident. They have also been able to make new friends, learn new languages and experience the world first-hand as true global citizens. A number of options for student exchanges are available to undergraduate and postgraduate students, including:

- Exchange Students – from one semester to one year duration.
- Study tours through the “UWI Discover’s” programme – for one to two weeks.
- Visiting Students – for postgraduate students doing research on invitation by overseas institution.
- Virtual Exchanges (UWI-VEP) - Our target demographic for virtual exchanges include:
 - students who could otherwise not afford a semester abroad
 - students who just wish to enrich their transcript with a few specific external courses from partner universities
 - students who cannot study abroad because of personal commitments

Funding is available to assist students with some of these exchange opportunities.

For further information on funding as well as Student Exchange and Student Mobility, please visit our website: <http://sta.uwi.edu/internationaloffice/> or visit our Facebook Page for the latest news on mobility opportunities at: <https://www.facebook.com/UWIInternationalOffice/>, or contact:

COURSE CODE: LAW 3870**COURSE TITLE: POVERTY LAW I****1. General**

This is an optional course in Part III of the LLB programme.

2. Course Objective

The course is designed to promote an understanding of varied experiences and perspectives in the inter-relationship of law and social deprivation and of legal, ethical and social dilemmas in the context of intersecting vulnerabilities. It seeks to promote fundamental inquiries into the nature, function and suitability of the law, both domestic and international, in addressing overlapping vulnerabilities within the communities of developing societies of the Commonwealth Caribbean, particularly with respect to the legal framework for the protection of human rights and fundamental freedoms.

While students work with civil society organizations to tackle issues affecting marginalized or vulnerable communities, they are able to integrate the legal methodologies, research and writing in a concrete setting.

This course is designed to ground the theoretical knowledge gained through the first years of their law degree in an advanced course that grapples with the practical aspects of the law. In so doing, it provides final-year students with a solid introduction to the fundamental legal skills necessary to the practice of law, such that UWI students will maintain a competitive advantage in their transition to The Hugh Wooding Law School and subsequently, their professional careers.

Ultimately, the final beneficiaries of this course will be the students, the legal profession and the communities at large in the Commonwealth Caribbean.
