HOW TO USE THIS HANDBOOK

The Faculty Handbooks (also known as Faculty Booklets) are available on the Campus website in PDF format at <http://sta.uwi.edu/faculty-booklet-archive>. The Handbooks include:

- Relevant **Faculty Regulations** – e.g., Admission Criteria, Exemptions, Progression, GPA, Leave of Absence, etc.
- Relevant **University Regulations** including the Plagiarism Regulations and Declaration Forms
- Other Information on **Co-Curricular** courses, **Language** courses and **Support for Students** with physical and other disabilities or impairments.
- **Programme Descriptions and Course Listings** which include the list of courses to be pursued in each programme (degrees, diplomas, and certificates), sorted by level and semester; course credits and credits to be completed for each programme – majors, minors, and specials.
- **Course Descriptions** which may include details such as prerequisites and methods of assessment.

Students should note the following:

The Regulations and Syllabuses issued in the Faculty Handbooks should be read in conjunction with the following University Regulations:

- The Undergraduate Regulations and Syllabuses should be read in conjunction with the University Regulations contained in the [Undergraduate Handbook and the University's Assessment Regulations \(with effect from August 2018\)](#) and any subsequent amendments thereof.
- The Postgraduate Regulations and Syllabuses should be read in conjunction with the University Regulations contained on the [Postgraduate Admissions website](#), the [PG GPA Regulations](#) introduced in 2021, and the [Board for Graduate Studies and Research Regulations for Graduate Certificates, Diplomas and Degrees \(with effect from August 2018\)](#) and any subsequent amendments thereof.

Progress through a programme of study at the University is governed by Faculty Regulations and University Regulations. Should there be a conflict between Faculty Regulations and University Regulations, University Regulations shall prevail, where appropriate.

ACADEMIC CALENDAR 2025/2026

Get important dates such as the beginning and end of each semester, matriculation, examinations, graduation and ELPT. Also take note of deadlines for the payment of fees, registration, and applications for overrides, leave of absence, admissions, and scholarships & bursaries.

LEGAL NOTICE – PROGRAMME & COURSES

1. Notwithstanding the contents of Faculty Handbooks, Course Outlines or any other course materials provided by the University, the University reserves the right at any time to altogether withdraw, alter or modify its programmes or courses and/or vary its modes or methods of teaching, delivery and assessment of its programmes or courses, as deemed necessary in the following circumstances:
 - (a) As a result of any changes imposed by national laws, legislation or governmental regulations or orders made from time to time.
 - (b) In response to the occurrence of a force majeure event, including but not limited to, war (whether declared or not), riots, civil disorder, epidemics, pandemics, quarantines, earthquakes, fire, explosions, storms, floods or other adverse weather conditions, strikes, lockouts or other industrial action, confiscation or any other action or authority by governmental or regulatory agencies or acts of God.
 - (c) In the event of an emergency where there is risk to life and property.
 - (d) Where the exigencies of the circumstances require such action to be taken by the University.
2. Whilst it is anticipated that teaching, delivery and assessment of the University's programmes and courses during Academic Year 2025/2026 will be conducted primarily in person, the University reserves the right to implement virtual/online/electronic modes and methods of teaching, delivery and assessment or hybrid teaching and learning, if deemed necessary due to public health regulations, governmental order or health and safety protocols associated with the COVID-19 pandemic and any other possible threats to public health and safety.

DISCLAIMER – PRIZES & AWARDS

In the case where Faculty/Student Prizes or Awards may be listed, the Faculty does not bind itself to award any or all of the listed prizes/awards contained herein or its stated value and reserves the right to modify or altogether remove certain prizes/awards as described in either or both the electronic and printed versions of the Faculty Handbook.

MESSAGE FROM THE DEAN

Dear Students,

My colleagues and I warmly welcome you to the Faculty of Social Sciences. We are delighted that you have chosen us to partner with you on this journey of self-discovery and academic achievement. You are now part of a nurturing community whose vision is to be socially engaged and solutions oriented.

In order to equip you for the journey ahead, we have developed a suite of programmes which are offered across the four (4) Departments of the Faculty – the Department of Behavioural Sciences, the Department of Economics, the Department of Management Studies and the Department of Political Science. You have the option to customize your degree based on the various course offerings that span the diverse disciplines across the Faculty. We have also embedded a range of work integrated learning opportunities across the programmes to foster more holistic development. We encourage you to fully immerse yourself in the Social Sciences experience.

As you navigate your way along your chosen path, you may encounter a number of hurdles that may pose a challenge to you in accomplishing your goals. These hurdles may be administrative, academic or personal. Whatever the source, do not suffer in silence! My colleagues and I are committed to supporting you throughout your journey.

We look forward to partnering with you to achieve your educational goals. We wish you all the very best.

DEFINITIONS

Advising Hold	An Advising Hold may be placed on a student record to indicate that the student must get academic advising prior to registration.
Anti-Requisites	Refer to courses where content overlap precludes courses being taken together for credit. Students should consult their department for guidance.
Credit Hours	<p>ONE credit hour is equivalent to three notional hours of learning per week per semester.</p> <p>For purposes of determining student workload, three notional hours of learning may include:</p> <ul style="list-style-type: none"> • ONE contact hour and TWO hours out-of-class student work per week per semester; • a minimum of TWO hours of supervised laboratory work per week per semester; • at least THREE hours of directed learning activities (including project work, research work, practicums and internships) undertaken by the student out of class per week per semester. <p>Revision conducted during the three-week formal examination period at the end of the Semester is subsumed in this definition on a pro-rata basis.</p>
Co-requisites	Refers to pre-requisite course (s) that can be done together.
Exemptions with Credit	Refers to cases where a student is granted credits for courses completed and passed in other UWI programmes or at other recognized institutions. Permission must be granted by the Faculty. Exemptions with credit will be recorded as "EC" on the student's academic records. Students are not required to repeat these courses.
Exemptions only	Refers to the UWI courses, required for a student's current programme, for which credits will not be granted because, the student has already passed these courses in other programmes at the UWI or passed courses of similar content at other recognized institutions. Exemptions only will be recorded as "EX" on the student's academic records. In these cases, the student will be required to replace the courses with courses approved by the student's Department to meet their credit requirements.
Full-Time (F/T)	A student who is registered to pursue a course of study in a programme for which he/she must register for 5 courses (15 credits hours) in Semester I and Semester II and for which classes are timetabled from Monday to Friday from 8.00am to 8.00pm.
Part Time (P/T)	A student who is registered to pursue a course of study as a part-time student for which he/she must register for a maximum of 4 courses (12 credit hours) and a minimum of 2 courses (6 credit hours) in Semester I and Semester II.
Level I	In relation to a Faculty other than the Faculty of Social Sciences, this refers to the stage of a degree programme at the end of which a candidate who has completed all the examinations is eligible to complete the programme within the next two years without registering for Summer School sessions.
Prerequisite	A course listed in the Faculty Handbook as one that must be completed before being permitted to register for another course.
Summer School session	Refers to Semester III. This session is governed by the University Summer School Regulations. Students can register for a maximum of nine (9) credit hours. This is an optional semester for full-time and part time students.

GENERAL INFORMATION & REGULATIONS

General Regulations for Bachelor of Science Degrees

Qualifications for Admission

1.1 Before registration and before entering a programme of study in the Faculty, an applicant must have satisfied the University Matriculation requirements for entry to a degree programme. Set out below, however, are the minimum requirements for full-time 3 years (6 semesters) and part-time 4 years (8 semesters) admission to the Bachelor of Science degree programmes in the Faculty.

Normal Matriculation

(A) Passes in five subjects inclusive of Mathematics and English Language at the CXC (CSEC)/GCE/BGCSE Examinations. The following is also required:

- Two 2-unit CAPE (Caribbean Advanced Proficiency Examination)

(B) Other Qualifications to Full-Time Programmes

- Associate Degrees from approved Caribbean Tertiary Level Institutions with a minimum G.P.A. of 2.5 and above. Some Faculties/programmes may require a higher GPA.
- Holders of Associate Degrees from approved Caribbean Tertiary Level Institutions are considered as having satisfied normal matriculation requirements for entry to certain faculties and in specific instances credit/exemption may be given in respect of Level I courses.
- For the purpose of satisfying entry requirements, passes in subjects in the First-Year examinations of the Faculties of Humanities and Education and Social Sciences and in Preliminary Level courses of the Faculties of Science and Technology, Food and Agriculture, Pure and Applied Sciences of this University will be considered as the equivalent passes at the Advanced Level of the GCE examination.
- Degrees from any university recognized by the Board for Undergraduate Studies for this purpose.
- Persons with qualifications other than those stated above may also apply for admission.
- Persons over age 21 and who do not fall in any of the above categories will be assessed on their overall professional/academic achievements.

Lower-Level Matriculation

At least five (5) acceptable passes at CXC (CSEC)/GCE/BGCSE including English Language and Mathematics.

1.2 English Language Requirement

English Language is compulsory for admissions to all programmes. Applicants whose first language is not English are required to perform satisfactorily in an approved English Language Test. The Test of English as a Foreign Language (TOEFL) with a minimum score of 500 has been approved for this purpose.

1.2 (a) **Prerequisites for FOUN 1001** (With effect from August 01, 2019, FOUN 1001 will now be offered in Semester 1.)

Students must have one of the following prerequisites to register for FOUN 1001 – English for Academic Purposes:

- General Paper – Grade A or B
- CXC English Language (General Proficiency) – Grade 1
- GCE English Language – Distinction (Grade A or I or II)
- UWIDEC/Global (formerly Open) Campus Language and Communication - Grade B or above
- TOEFL (minimum writing score of 22)
- A pass in the English Language Proficiency Test (ELPT)
- A pass in FDMU 0005

Students must have the following prerequisite to register for **FOUN 1106**:

- CAPE Communication Studies – Grade I or II

These students must NOT read FOUN 1001.

1.2 (b) English Language Proficiency Test

The English Language Proficiency Test (ELPT) is used to assess whether persons applying to pursue Undergraduate degree programmes at UWI possess a satisfactory level of writing and reading proficiency in English for university academic purposes. All applicants to The University of the West Indies are required to take the English Language Proficiency Test (ELPT) except for persons with the following qualifications:

- Grade 1-CXC General Proficiency English A Examination
- Grade A-Cambridge GCE O-Level English
- Grade I or II in CAPE Communication Studies
- Grade A or B-Cambridge GCE A-Level/O-Level General Paper (GP) Examination
- Grade B or above in a College English Course from an approved University.

The ELPT is usually held three times in the academic year. Consult the Academic Calendar [online](#) for upcoming dates.

For people who do not take the ELPT test at the first sitting, a second and final sitting is usually scheduled during the first week of the semester. The results of applicants who pass the test will remain valid for a period of five (5) years.

To register to sit the ELPT test, kindly contact:

Ms. Nicholin Brathwaite-Copeland
Academic Literacies Programme (ALP) formerly The English Language Foundation Unit
Faculty of Humanities & Education

Co-Curricular Credits

The University of the West Indies is committed to providing students with opportunities for a well-rounded educational experience. The Co-curricular Programme at the St. Augustine Campus focuses on allowing you to develop a range of important life skills and to acquire characteristics to excel in life in the 21st century.

- i. Students are eligible to register for co-curricular credits from the first semester of studies.
- ii. Students can pursue as many co-curricular courses as are approved by the faculty advisor, however, no more than six (6) credits will count towards his/her degree for involvement in co-curricular courses.
- iii. If you encounter any restrictions when registering for a co-curricular course you must request an override from your faculty. To request an override, select the course you wish to pursue from the drop-down menu, and type in your request. Your request will be routed to your faculty coordinator.
- iv. The Division of Student Services and Development is responsible for the administration of the Co-curricular programme.
- v. Co-curricular credits will be awarded on the following basis:
 - a. Students must be involved in the course activities as stipulated in the syllabus *and* complete the assessment(s) to receive credit for the course.
 - b. Only courses identified in the co-curricular programme are eligible to receive credits.
- vi. The grading of co-curricular activities will be on a pass/fail basis and will not contribute to a student's GPA.
- vii. The Level I credits earned for involvement in the co-curricular programme may be included as part of the overall general credit requirement for the award of the Bachelor's Degree. However, such credits earned shall NOT be used in the computation of a student's Weighted Grade Point Average for determining the Class of Honours.
- viii. For further details on co-curricular offerings, please email cocr@sta.uwi.edu or visit the website at sta.uwi.edu/cocurricular/

Faculty of Social Sciences (FSS), Faculty of Science and Technology (FST) and the Faculty of Food and Agriculture (FFA) Agreement on Student Registration

Bearing in mind the number of places that FSS makes available to FST and FFA students pursuing approved options/majors/double majors, it was agreed that students of the Faculty of Science and Technology and the Faculty of Food and Agriculture will not be directly admitted into minors. However, they can declare minors if they are able to satisfy the requirements of the given minor through pursuance of courses during the Summer Session or otherwise.

Students from FST and FFA wishing to do FSS courses, please see listing with [pre-requisite requirements](#).

Level I Requirements

5.1 Students MUST complete ALL the requirements for Level I and Level II/III of their degree programmes as indicated herein. Level I consists of a minimum of 30 credits or ten 3-credit Level I courses, depending on the choice of degree i.e., a single Major, a double Major, one Major and one or two Minors, or a Special. The choice made will determine whether or not additional courses must be taken.

Requirements for Level I of the Degree are as follows:

- Three (3) University Foundation courses as stipulated
- Pre-requisites for Level II courses and/or free electives as stipulated in the respective degree programmes
- Any other courses designated by the respective departments which are not included in the above.

Foundation Courses

- 5.2 a. As of 1998-99 all students registered in The University of the West Indies will be required to complete a minimum of six (6) credits of Foundation courses. Declaration of Minors

Students must apply for the declaration of minor(s) **by the final semester towards the end of the registration** period, once they have attempted all courses required. If this is not done, and if the student does not satisfy the course/credit requirements for the requested minor, the minor will not be declared. Students can submit their Declaration of Minor(s) via the following online form: [FSS - Declaration of minors \(jotform.com\)](https://forms.gle/8v8v8v8v8v8v8v8v). For the purpose of this regulation, the end of registration means the “Add/Drop” period.

7.3.5 Students may also request to combine a Social Sciences major with a minor offered by another Faculty. To do this, the permission of the Deans of both Faculties must be obtained. Students wishing to do a Major or Minor offered by the Department of Management Studies are to bear in mind Regulation 16 (i), Admission Criteria for Courses offered by the Department of Management Studies.

7.3.6 A student may with the permission of the Dean change any Major, Special or Minor for which he/she is registered. Students will be required to submit a written request to the Dean of the Faculty, through the Senior Assistant Registrar, Student Affairs (Admissions).

Rate of Progress and Regulations for Full-Time Programme

8. A full-time student:
 - a. shall complete the degree programme in not more than eleven (11) semesters and five (5) Summer School sessions.
 - b. will, unless the Academic Board approves otherwise on the recommendation of the Faculty Board, be required to register for ten (10) semester courses in any one (1) year and five (5) semester courses in any one (1) semester. Permission may be sought for not more than one additional course for the year by any student who needs that

course for completion of the requirements for their degree or who has been awarded a grade of 'A' as the examination mark for more than half of their courses for which they have been registered in the Faculty.

c. will be required to withdraw from the Faculty unless he/she has gained at least:

- **15 credits** at the end of the second semester
- **33 credits** at the end of the fourth semester
- **51 credits** at the end of the sixth semester
- **69 credits** at the end of the eighth semester

Full-time students shall usually be expected to register for a minimum of twenty-four (24) credits per academic year.

d. a student whose GPA for a given semester is less than 2.00 shall be deemed to be performing unsatisfactorily and shall be placed on warning. A student on warning whose GPA for the succeeding semester is less than 2.00, will be required to withdraw.

NOTE: Credits gained from courses done in another programme will not be counted towards the rate of progress. Full-time students may engage in employment for not more than twelve (12) hours per week.

Rate of Progress and Regulations for Part-Time Programme

All programmes (Undergraduate) are offered as both Full-Time and Part-Time at the Faculty of Social Sciences, St. Augustine Campus.

9. A Part-Time Student:

- a. Can complete their degree programme in four (4) years i.e., eight (8) semesters (not inclusive of Summer sessions) and shall complete their degree programme in not more than fifteen (15) semesters (not inclusive of Summer sessions)
- b. A part-time student whose GPA for a given semester is less than 2.00 shall be deemed to be performing unsatisfactorily and shall be placed on warning. A student on warning whose GPA for the succeeding semester is less than 2.00 will be required to withdraw.
- c. If a part-time student transfers into the full-time programme, he/she is required to maintain the rate of progress associated with the full-time programme.
- d. A part-time student will be required to withdraw from the Faculty unless he/she has gained at least:
 - **6 credits** at the end of the second semester
 - **18 credits** at the end of the fourth semester
 - **24 credits** at the end of the sixth semester
 - **39 credits** at the end of the eighth semester
 - **45 credits** at the end of the tenth semester
 - **72 credits** at the end of the twelfth semester
 - **90 credits** at the end of the fourteenth semester

NOTE: Credits gained from courses done in another programme will not be counted towards the rate of progress.

Registration/Examinations

11. a. Students will be examined during each semester and the Summer session in the courses for which they are registered.
- b. A course may be examined by one or more of the following methods:
 - i. written examination papers
 - ii. oral examination (under the conditions in Regulation 12)
 - iii. practical examinations
 - iv. coursework (which may include written in-course tests, practical work, dissertations, essays, projects, studies and other forms of coursework as approved by the Faculty Board or the Campus Committee on Examinations).

- ### Coursework

- 26

applicable Examination Regulations). The Head of Department shall consider any such request with the relevant course lecturer.

- d. A student may request to submit coursework assignments, essays, etc. after the stipulated deadline date on the basis of appropriate justification (such as, in case of illness, a medical certificate complying with any applicable Examination Regulations). This request must normally be made within forty-eight (48) hours after the stipulated deadline date and must be addressed to the Head of Department, who in consultation with the course lecturer may allow the extension.
- e. **A Policy on Pro-rating of Final Examinations from Missed Coursework**
A request to pro-rate final examination marks for having missed coursework will not be permitted.

Oral Examination for Final Year Students

- 13.
 - a. The Board of Examiners MAY recommend to the Department concerned that a student who has failed the last one or two course(s) required to complete their degree be offered an oral examination in the course(s) provided that he/she has obtained, in each instance, a mark of at least 45% for the course(s) within their final academic year.
 - b. If an oral examination is granted, the student may choose to decline the offer.
 - c. The oral examination, which will be of a maximum length of one (1) hour, will be held as soon as possible after the previous examination and within the academic year in which the student is expected to graduate. The Department immediately contacts the student so that arrangements can be made for the oral examination.
 - d. The oral examination will concern the course as a whole, and not be restricted to the questions set in the examination, which the student sat previously. The first examiner and at least one other examiner must be present at an oral examination.
 - e. If the examination is passed, the student cannot be awarded a grade higher than 50% (C) and this grade will replace the failing grade previously gained for the course.
 - f. If he/she fails the oral examination, the student will **NOT** have any right of appeal or review.
 - g. A student will be allowed only one (1) oral examination for any one (1) course.

“Exams Only” Regulations

- 14. A student may seek permission to be assessed in a course by means of “EXAMS ONLY” on medical or financial hardship grounds providing the following are obtained:
 - a. He/she has no more than two (2) courses outstanding to complete the requirement for the award of their Certificate/Diploma/Degree.

If permission is granted, the student will be advised in writing by the Student Affairs (Admissions) Office and will be required to pay the requisite per credit fee in accordance with published Undergraduate Financial Information.

Assessment by Exam Only means that the grade for the course will be determined on the basis of 100% Final Exam, i.e., coursework marks will not be taken into consideration. Students can submit their request for “Exams Only” status in writing to STA-Admis@sta.uwi.edu.

Missing a Final Exam

- 15. If a student fails the final examination component of a compulsory course, he/she may register for the course at the next available sitting and may apply for a transfer of the coursework mark, provided the coursework mark obtained is 50% or more. Electives are governed by the same rule, however, it is not mandatory that a student repeat an elective.

Failing a Final Exam

- 15.1 If a student fails an examination, he/she can register for the course at the next available sitting, once the course is a compulsory requirement for the programme being pursued. In this instance, a student can request a transfer of coursework, once the coursework was passed. If the course in question is an elective course, the student can register for another course.

Special Examination Sitting

- 15.2 In exceptional circumstances, the Dean may grant a student a deferral from sitting that exam and permission will be given to retake it on a subsequent occasion, by virtue of special assignments overseas for an employer (part-time students only) or by virtue of being selected to represent the country on a National team. In both instances, formal representation will have to be made by the employer/National association.

If permission is granted, students will be advised in writing by the Student Affairs (Admissions) Office and will be required to pay the requisite per credit fee in accordance with published Undergraduate Financial Information.

Policy Statement on the Award of Exemptions Only and Exemptions with Credits for Undergraduate Studies in the Faculty of Social Sciences

- 15.3 Persons applying for Exemptions should make such requests through the Student Affairs (Admissions) Office to the Dean on the appropriate form during the first three (3) weeks of semester I and the first two weeks of Semester II.

16. The granting of exemption only and exemption with credit are as follows: -

a. **From UWI Certificates –**

A student who, prior to pursuing the Certificate has:

- (i) *normal level matriculation (five (5) O-Levels and two (2) or more A-Levels) will receive exemptions with credit for Level I courses successfully completed up to a maximum of thirty (30) credits hours, i.e., 10 courses.*
- (ii) *lower level matriculation (a minimum of five (5) O-Levels) will receive exemptions with credit for Level I courses successfully completed up to a maximum of eighteen (18) credits-hours, i.e. 6 courses.*
- (iii) *no matriculation/mature route (up to four (4) O-Levels) will receive exemptions with credit for Level I courses successfully completed up to a maximum of twelve (12) credits hours, i.e., 4 courses.*

Granting **Exemption Only (no Credit)** from a particular course means that the student must do another course approved for their degree programme in order to satisfy their credit requirement.

Also, the granting of exemptions (with credit) in no way exempts a student from the University requirement of pursuing and passing nine (9) credits of Foundation courses.

The granting of exemptions with credit/exemptions only must be based on equivalency to courses in each degree option.

In keeping with The UWI's policy, exemptions with credits/exemptions only will only be granted for courses which have been successfully pursued within the last five (5) years.

b. **From UWI Diplomas –**

A student who, prior to pursuing a Degree, has successfully completed a Diploma

- (i) *will receive exemptions with credit up to a maximum of eighteen (18)-credit hours, i.e., 6 courses, of which nine (9) exemptions must be Level I courses.*
- c. A student who has successfully pursued both a UWI Certificate and Diploma
- (i) *will receive exemptions with credit up to a maximum of twenty-seven (27) credits hours, i.e., 9 courses, of which eighteen (18) credit hours must be Level I courses.*
- d. A student who is currently enrolled in a Degree programme, and pursues courses in the Summer Programme, will be granted exemptions with credit for all courses pursued towards the completion of his/her degree, providing that the course(s) pursued in the Summer Programme is/are deemed the same or equivalent to that offered in the normal stream.
- e. A student who has successfully completed individual courses in the Summer Programme before enrolment in a Degree programme, will be granted up to a maximum of twelve (12) credit hours or 4 courses providing these courses are taken within a five year period.
- f. A student seeking exemptions in excess of the limits stated in e. above will be granted exemption only and will be required to pursue a substitute course relevant to the field of study.

- g. From three-year Associate Degree Programme Accredited Tertiary Learning Institutions (TLI):
- (i) *Exemptions will be granted for all courses that have been assessed by UWI (in 1998) for equivalency with specific UWI courses if a minimum B grade (TLI grading) has been achieved.**

**This exercise is an on-going one and TLI courses approved by the relevant Assessment Committee after 1998 will be granted exemptions.*

h. **From other universities:**

- (i) *A student transferring from another university to register for a UWI degree will have to do a minimum of two years of full-time study (60 credits hours)*
- (ii) *Unless Departments already have a record of the particular courses, course outlines are to be submitted for departments to make an assessment. Any course approved by departments will earn student's exemption(s) from UWI equivalent courses – up to the limit indicated by (a) above i.e., up to a maximum of 30 credit hours.*
- (iii) *Exemptions only may be granted for any course(s) in excess of limit indicated.*

16.1 Students Doing Study Abroad

- (i) *Students who wish to pursue part of their programme at another university (a maximum of two (2) semesters which must not include the final semester of full-time study) must have the courses they intend to do at the overseas university assessed for equivalence by the relevant department at St. Augustine BEFORE proceeding to study abroad. The request to study abroad and the course approved by the department must then be submitted through the Faculty to obtain Academic Board approval.*
- (ii) *When the student's results are received from the overseas university, and have been evaluated and approved, the student will then receive credit for the courses as substitutes for the St. Augustine equivalent.*
It should be noted that first year (level 1) courses in a four-year undergraduate programme, will NOT usually warrant any exemption from UWI courses

16.2 Students pursuing a course(s) at other universities to complete their degree programme:

- (i) *In an instance where students may be migrating/must be away from the country for a significant period and are in the process of completing their UWI degree there may be discretionary decisions made by the Faculty and sanctioned by Academic Board to accommodate them.*

Withdrawal

- 17.1 A student whose GPA for a given semester is less than 2.00 shall be deemed to be performing unsatisfactorily, and shall be placed on warning. A student on warning whose GPA for the succeeding semester is less than 2.00 will be Required to Withdraw (RTW).
- 17.2 A candidate who has been required to withdraw from the Faculty may apply to the Faculty for re-admission one (1) year after withdrawal. Each case will be considered on its own merit, but will only succeed if the Faculty is satisfied that the circumstances prior to withdrawal have been altered substantially.
- 17.3 Students who are readmitted to a Faculty may in accordance with its regulations be granted exemption from Level I courses subject to there being no change in the content of the courses and provided that no more than five (5) years have elapsed since the date of withdrawal. Level II University courses, for the purposes of exemption, may be treated in the same way as Level I Faculty courses.
- 17.4 Students from one faculty who had been required to withdraw from the University for failing to complete their degree programme within the stipulated period may be admitted to another faculty after a minimum period of one (1) year has elapsed since their withdrawal. Such students may be granted exemption from Level I courses relevant to the new programme subject to regulations 17.2 and 17.3 above.
- 17.5 Students required to withdraw from the University for failing to complete their Diploma or Certificate programme within the stipulated time period may be re-admitted to the Faculty after a minimum period of one (1) year has elapsed since their withdrawal. Such students shall not be granted exemptions from courses in the programme previously passed.
- 17.6 A student who voluntarily withdraws from the University and who applies for re-admission within five (5) years shall be granted exemptions with credit for courses previously passed, subject to the time limit for the maintenance

of credit stipulated in the relevant Faculty Regulations. All grades previously obtained shall be used in the determination of the student's GPA.

Leave of Absence

18. i. A candidate who for good reason wishes to be absent from an academic programme for a semester or more must apply for formal leave of absence to the Senior Assistant Registrar, Student Affairs (Admissions), through the appropriate Dean, stating the reason for the application.
- ii. The length of such leave of absence, if granted, will be subject to approval by the Academic Board of the Campus concerned, but will not exceed one (1) academic year in the first instance terminating at the end of the academic year for which the application is approved.
- iii. Leave of absence will not be granted for more than two (2) consecutive academic years.
- iv. Leave of absence may be granted for one (1) semester or for an academic year.
- v. Applications for leave of absence for a semester shall normally be submitted by the end of the third week of the relevant semester.
- vi. Applications for leave of absence for the academic year shall normally be submitted by the end of the third week of Semester I.

NOTE 1: Students who have been attending classes and then apply for Leave of Absence after the deadline date are liable for payment of full tuition fees for the semester/academic year whether they sit examinations or not.

NOTE 2: Leave of absence grants a student permission to be away from classes and from writing examinations. A student cannot, therefore, be on approved Leave of Absence and at the same time benefit from examination results for that period.

NOTE 3: Coursework marks cannot be transferred for persons who are on Leave of Absence.

Admission Criteria for Courses Offered by the Department of Management Studies

19. Students who wish to pursue Management Studies courses and programmes and were not admitted under any of the approved Management Studies specializations, majors or minors or approved double majors offered in conjunction with the Faculty of Science and Agriculture must:
- (i) *attain a cumulative GPA of at least 3.0 (B average) in their previous courses in order to be eligible for admission into Levels II /III Management courses.*

NOTE 1: Students who are desirous of pursuing Level I Management Studies courses will only be admitted with the approval of the Head of the Department of Management Studies or his/her designated nominee(s)

Admission Criteria for Courses Offered by the Department of Economics

20. Students who wish to pursue the Major in Economics and were not admitted under any of the approved Economics specializations, majors or minors must:
- (i) *attain a cumulative GPA of at least 3.0 (B average) in their previous courses in order to be eligible for admission into Levels II /III Economics courses.*

Class of Degrees

21. **Notification of Results**

For those candidates who have completed the requirements of the BSc degree a pass list shall be published and arranged alphabetically in the following categories:

- i. *First Class Honours*
ii. *Second Class Honours - Upper Division*
iii. *Second Class Honours - Lower Division*
iv. *Pass*

Award of Honours**GRADE POINT AVERAGE SYSTEM (GPA) REGULATIONS GOVERNING AWARD OF DEGREES**

22. (i) The class of degree to be awarded shall be determined on the basis of a weighted Grade Point Average (GPA).
- (ii) In the calculation of the weighted GPA, a weight of zero shall be attached to all Level I courses.
- (iii) Levels II and III courses shall have equal weight in the determination of the weighted GPA.
- (iv) A course designated at registration as not for credit (NFC) shall not count in the determination of the weighted GPA.
- (v) Core courses satisfying the requirements of specializations, majors and minors must be taken into account in the determination of the weighted GPA.
- (vi) The class of degree shall be awarded as follows:

First Class Honours –	Weighted GPA of 3.60 and above
Second Class Honours: Upper Division –	Weighted GPA of 3.00 – 3.59
Lower Division –	Weighted GPA of 2.50 – 2.99
Pass –	Weighted GPA of 2.00 – 2.49

Marking Scheme for Examinations in the Faculty of Social Sciences

23. (i) In the determination of the GPA, the grades with corresponding quality points shall be as defined in the University Regulations governing the GPA.
- (ii) The authorized marking scheme is as follows:

GRADE	GPA	MARKS
A+	4.3	90 – 100
A	4	80 – 89
A-	3.7	75 – 79
B+	3.3	70 – 74
B	3	65 – 69
B-	2.7	60 – 64

C	2	50 – 54
F1	1.7	40 – 49
F2	1.3	30 – 39
F3	0	0 – 29

Dean's Honour Roll

Eligibility for inclusion on the Dean's Honour Roll

The following guidelines apply:

- (a) Inclusion on the Dean's Honour Roll will be on a Semester basis. The Summer School will not be considered.
- (b) Students must obtain a Semester GPA of **3.60 and above** in Semester I or II
- (c) **Full-time** students must have passed a minimum of **15 credits in the semester**.
Part-time students must have passed a minimum of **12 credits in the semester**.
- (d) Repeat courses will be included in the computation of the Semester GPA towards the Dean's Honour Roll

Credits gained for the following will NOT be taken into consideration in computing the Dean's Honour Roll:

- Co-curricular offerings
- Internship programmes
- Audited courses
- Summer courses
- Not-for-credit courses

Grade Code Sheet

The following designations when assigned **SHALL NOT** be used in the calculations of Grade Point Average:

AB	Absent from an examination for acceptable reasons other than medical problem. No penalty.
AM/XM	Medical submitted for absence from an examination. No penalty.
AMS	Absent Medical Supplemental
DB	Debarred
DEF	Deferred
EC	Exemptions with Credit
EQ	Examination Query
EX	Exemption Only
FM	Fail/Medical Submitted
FMS	Failed Medical Supplemental

Award of Aegrotat Degree

(Degree, Diploma & Certificate Programmes)

1. A candidate taking examinations in respect of a final degree, diploma or certificate programme and who had been absent through illness from one or more papers, may apply for the award of an aegrotat degree, diploma or certificate on the following conditions.
 - a. *Where the whole of the final examination for a degree, diploma or certificate is taken at the end of the final year of the course and he/she has completed more than half of the final examination but has been absent from the remainder of that examination.*
 - b. *Where the final examination is in two or more parts (the award of the degree, diploma or certificate depending on performance in each of these parts) and he/she has successfully completed the first one or two parts and more than half of the final part but has been absent from the remainder of the examination for the final part.*
 - c. *Where the final examination is in two parts and the student has completed the first part (second year) with a B average or higher and his coursework during the final year of the course has been of a consistently high standard, but he/she has been absent from the other part of the examinations.*
 - d. *The examiners consider that in the work which the candidate has submitted at such of the final examination as he/she had attended, he/she reached a standard which, if also reached in the remainder of the examination, would have qualified him/her for the award of a degree, diploma or certificate.*

All applications for an aegrotat degree, diploma or certificate must be referred by the Registrar to the Faculty Board of Examiners and the Board for Examinations for a recommendation to the Board for Undergraduate Studies. Applications from or on behalf of candidates must be accompanied by a medical certificate signed by (a) University Health Officer, or (b) the Dean of the Faculty of Medical Sciences in consultation with the appropriate members of the Medical School, (c) or other medical personnel appointed for this purpose by the University, and shall reach the Registrar not later than thirty (30) days from the last examination paper written by the candidate.

In assessing an application for an aegrotat degree, diploma or certificate, reports from the appropriate Heads of Departments on the candidate's work should be taken into consideration. Oral examinations, where possible, by internal examiners may be an aspect of examinations for the award of an aegrotat degree.

An aegrotat degree, diploma or certificate will be awarded without distinction or class.

Holders of an aegrotat degree, diploma or certificate will not be permitted to re-enter for the same examination but may proceed to a higher degree if accepted by the Board for Graduate Studies and Research.

General Regulations for Certificate Programmes

Part-Time Study

1. A part-time student shall normally complete the Certificate Programme in not more than four (4) consecutive semesters.
2. A part-time student whose GPA for a given semester is less than 2.00 shall be deemed to be performing unsatisfactorily, and shall be placed on warning. A part-time student on warning whose GPA for the succeeding semester is less than 2.00 will be required to withdraw.
3. A part-time student shall normally register for five (5) courses in any one academic year.
4. A student is required to take at least two (2) and not more than three (3) courses in any one semester.

Oral Examination for Certificate Students

5. Oral examinations are available to students in this programme under the same regulations that govern such examinations in the undergraduate programme EXCEPT that only ONE (1) Oral examination will be offered to Certificate students who obtain a mark of at least 45%.

Award of the Certificate

6. In order to be awarded a Certificate, candidates must complete thirty (30) credits, (equivalent to ten (10) semester courses) and have satisfied the Examiners for the award of the Certificate. The report of the examiners and the pass list shall be laid before the Senate for approval.

SPECIAL REGULATIONS

I. Special Regulations Governing the Summer School

“Summer” School Students shall be required to comply with the General Regulations for students.

Period of Study

Classes in the “Summer” School shall normally be conducted during the period May to July. The minimum contact period in the “Summer” School shall be no less than thirteen (13) hours per credit.

Eligibility for Admission to the “Summer” School

The following categories are eligible for admission to the Summer School:

- Registered students of the University who have not yet completed the requirements of the degree, diploma or certificate programme for which they are registered.
- Students of the University who have been granted (a) leave of absence for Semester I and/or Semester II or part thereof preceding the Summer School or (b) deferral of entry.
- Other persons not students of the University who are eligible to matriculate at either the normal or lower level.

Summer School students who have not been offered a place at the University have no automatic right of acceptance into any Faculty of the University (Ref. 7 (iii) above).

Registration

Summer School Students shall be required to pay the appropriate fees and to complete and submit their registration forms to the Registry.

Summer School Students shall not normally be permitted to register for more than three (3) one-semester courses (usually nine (9) credits) in any given Summer School.

Registration for a course offered in the Summer School implies registration for the examination of that course.

Late Registration

In cases where results are declared, students may be permitted to register up to the end of the second week of the Summer School session.

Examinations

Examinations for courses taught in the Summer School shall be conducted in accordance with the University Examination Regulations.

- For categories (i) and (ii) of Clause 7 - students must submit a copy of their most recent grade slip. For category (iii) of Clause 7 - students must submit their original CXC and/or GCE O- and A-Level Certificates.

Question papers for Summer School examinations should ideally be submitted to the Registry at the same time as the Semester I or Semester II question papers, and in any case shall be submitted no later than the beginning of the Summer School.

Summer School students shall write the University examinations appropriate to the course(s) for which they are registered.

Declaration of Results

Results for the Summer School examinations shall be dealt with in accordance with the University Examinations Regulations and shall be declared no later than August 31.

Students who register for a course and do not write the examination shall be deemed by the Board of Examiners to have failed the course unless an application for withdrawal has been received by the Registry within the time specified below.

Application for Withdrawal

Summer School students may apply to withdraw from a course or courses by writing to the Campus Registrar.

Applications for withdrawal from a course must reach the Campus Registrar no later than the end of the 2nd week of the Summer School session.

Exemptions with Credit

Registered students of the University including those on approved leave of absence shall be given credit for courses successfully completed at the Summer School (Ref. 7 (i) & (ii) above). Unless they register expressly not for credit students may not subsequently have such credit altered.

Persons in categories (iii) of Regulation 7 above who are accepted into the University may be granted exemptions with credit for courses successfully completed in the Summer School provided that five (5) years have not elapsed since the completion of the relevant course(s).

NOTE: Participation of students in the Summer session shall be optional.

Policy for Exemptions for Summer School Programmes

Students who hold certificates (e.g., CPA, CPSHRM. and CLGS) entering any Certificate programme offered by the Faculty of Social Sciences Summer Programme may be granted no more than nine (9) credits in cases where they are eligible for exemptions with credit.

Students requesting exemptions with credit for more than nine (9) credits may be granted exemptions only and be required to replace the others with any Level I or Certificate courses for credits.

Students requesting exemptions with credit for more than nine (9) credits may be granted exemptions only and be required to replace the others with any Level I or any Level II or III courses once they have the prerequisites.

KEY:

CPA: Certificate in Public Administration

II. Special Regulations for the Certificate in Public Administration **(ALL SEMESTERS)**

The Certificate in Public Administration shall be awarded to persons who, having completed the course of study prescribed by these Regulations, have satisfied the examiners in the examination for the Certificate.

Qualifications for Admission

To be admitted to the prescribed course of study for the Certificate in Public Administration, candidates must: -

- *be matriculated students of the University; and*
- *have, in the opinion of the University, practical experience or other qualifications of special relevance to the course. Persons seeking admission will normally be required to have had about five years' experience of civil service work or other relevant experience.*

Candidates seeking admission, who do not satisfy the requirements at 2(i) but who are deemed capable of doing the standard of work required for the Certificate may be permitted to enter the Certificate course, at the discretion of the Faculty.

Award of the Certificate

In order to be awarded the Certificate in Public Administration, a student must complete thirty (30) credits (equivalent to ten (10) semester courses).

UNIVERSITY REGULATIONS ON PLAGIARISM

Application of These Regulations

1. These Regulations apply to the presentation of work by a student for evaluation, whether or not for credit, but do not apply to invigilated written examinations.

Definition of Plagiarism

2. In these Regulations, “plagiarism” means the unacknowledged and unjustified use of the words, ideas or creations of another, including unjustified unacknowledged quotation and unjustified unattributed borrowing;

“Level 1 plagiarism” means plagiarism which does not meet the definition of Level 2 plagiarism;

“Level 2 plagiarism” means plagiarism undertaken with the intention of passing off as original work by the plagiariser work done by another person or persons.

3. What may otherwise meet the definition of plagiarism may be justified for the purposes of Regulation 2 where the particular unacknowledged use of the words, ideas and creations of another is by the standards of the relevant academic discipline a function of part or all of the object of the work for evaluation whether or not for credit, for example:
 - a) The unacknowledged use is required for conformity with presentation standards;
 - b) The task set or undertaken is one of translation of the work of another into a different language or format;
 - c) The task set or undertaken requires producing a result by teamwork for joint credit regardless of the level of individual contribution;
 - d) The task set or undertaken requires extensive adaptation of models within a time period of such brevity as to exclude extensive attribution;
 - e) The task set or undertaken requires the use of an artificial language, such as is the case with computer programming, where the use of unoriginal verbal formulae is essential.
4. It is not a justification under Regulations 2 and 3 for the unacknowledged use of the words, ideas and creations of another that the user enjoys the right of use of those words, ideas and creations as a matter of intellectual property.

Other Definitions

5. In these Regulations,
 - “Chairman”** means the Chairman of the relevant Campus Committee on Examinations;
 - “Examination Regulations”** means the Examination and other forms of Regulations for First Degrees Associate Degrees Diplomas and Certificates of the University;
 - “set of facts”** means a fact or combination of facts.

Evidence of Plagiarism

6. In order to constitute evidence of plagiarism under these Regulations, there shall be identified as a minimum the passage or passages in the student’s work which are considered to have been plagiarised and the passage or passages from which the passages in the student’s work are considered to have been taken.

Student Statement on Plagiarism

7. When a student submits for examination work under Regulation 1, the student shall sign a statement, in such form as the Campus Registrar may prescribe, that as far as possible the work submitted is free of plagiarism including unattributed quotation or paraphrase of the work of another except where justified under Regulation 3.
8. Quotation or paraphrase is attributed for the purpose of Regulation 7 if the writer has indicated using conventions appropriate to the discipline that the work is not the writer’s own.
9. The University is not prohibited from proceeding with a charge of plagiarism where there is no statement as prescribed under Regulation 7.

Electronic Vetting for Plagiarism

10. The results of any electronic vetting although capable, where the requirements of Regulation 7 are satisfied, of constituting evidence under these Regulations, are not thereby conclusive of any question as to whether or not plagiarism exists.

Level 1 Plagiarism

11. In work submitted for examination where the Examiner is satisfied that Level 1 plagiarism has been committed, he/she shall penalise the student by reducing the mark which would have otherwise been awarded taking into account any relevant Faculty regulations

Level 2 Plagiarism

12. Where an examiner has evidence of Level 2 plagiarism in the material being examined, that examiner shall report it to the Head of Department or the Dean and may at any time provide the Registrar with a copy of that report. In cases where the examiner and the Dean are one and the same, the report shall be referred to the Head of the Department and also to the Campus Registrar.
13. Where any other person who in the course of duty sees material being examined which he or she believes is evidence of Level 2 plagiarism that other person may report it to the Head of Department or the Dean and may at any time report it to the Campus Registrar who shall take such action as may be appropriate.
14. Where a Dean or Head of Department receives a report either under Regulation 12 or 13, the Dean or Head of Department, as the case may be, shall
 - a. where in concurrence with the report's identification of evidence of Level 2 plagiarism, report the matter to the Campus Registrar; or
 - b. where not concurring in the identification of evidence of plagiarism, reply to the examiner declining to proceed further on the report; or
 - c. where concluding that there is evidence of Level 1 plagiarism, reply to the examiner indicating that conclusion and the Examiner shall proceed as under Regulation 11.
15. Where a report is made to the Campus Registrar under Regulation 14a or 16, the Campus Registrar shall lay a charge and refer the matter to the Campus Committee on Examinations.
16. Where the Campus Registrar receives a report alleging Level 2 plagiarism from the Examiner or any other person except the Dean or Head of Department, the Campus Registrar shall refer the matter to a senior academic to determine whether there is sufficient evidence to ground a charge of plagiarism and where such evidence is found, the Campus Registrar shall proceed as under Regulation 15.
17. Where the matter has been referred to the Campus Committee on Examinations pursuant to Regulation 15, the proceedings under these Regulations prevail, over any other disciplinary proceedings within the University initiated against the student based on the same facts and, without prejudice to Regulation 21, any other such disciplinary proceedings shall be stayed, subject to being reopened.
18. If the Campus Committee on Examinations is satisfied, after holding a hearing, that the student has committed Level 2 plagiarism, it shall in making a determination on the severity of the penalty take into consideration:
 - a. the circumstances of the particular case;
 - b. the seniority of the student; and
 - c. whether this is the first or a repeated incidence of Level 2 plagiarism.
19. Where the Campus Committee is of the view that the appropriate penalty for an offence of Level 2 plagiarism is for the student to be:
 - (i) awarded a failing mark;
 - (ii) excluded from some or all further examinations of the University for such period as it may determine;
 - (iii) be dismissed from the University, it shall make such recommendation to the Academic Board.

Clearance on a Charge of Level 2 Plagiarism

20. A determination of the Campus Committee on Examinations that Level 2 plagiarism has not been found will be reported to the Campus Registrar who shall refer it to the Examiner and notify the student. Where the Committee has not identified Level 2 but has identified Level 1, it shall be reported to the Campus Registrar who shall refer it to the examiner.

Level 2 Plagiarism: Appeal to the Senate

21. A student may appeal to the Senate from any decision against him or her on a charge of plagiarism made by Academic Board.

Delegation by Dean or Head of Department

22. The Dean or Head of Department, as the case may be, may generally or in a particular instance delegate that officer's functions under these Regulations.

Conflict of Interest Disqualification

23. Any person who has at any time been an examiner of work or been involved in procedures for laying charges in relation to which an issue of plagiarism is being considered under these Regulations shall withdraw from performing any functions under these Regulations other than those of supervisor and examiner.

CODE OF CONDUCT

Responsibility of Faculty of Social Sciences Students

All Faculty of Social Sciences students are guided to accept responsibility for their learning, development and experience. To this end, students are encouraged to:

- (a) familiarize themselves with the regulations and observe the guidelines for academic and behavioural conduct as prescribed by the Faculty and the University;
- (b) be informed of the services provided and resources available;
- (c) be managers of their time;
- (d) closely follow the programme requirements as set out in the Faculty Handbook for the year in which they joined the programme;
- (e) seize opportunities that will foster personal growth and enrich their university experience;
- (f) provide feedback to make the Faculty one which maintains a commitment to the pursuit of excellence in service, teaching, and research;
- (g) get to know the lecturers and instructors. Such a relationship is valuable especially when an academic reference is required for a job or to apply for postgraduate studies.
- (h) routinely check the Faculty's website, notice boards and UWI-provided email for information and updates;
- (i) seek help with academic and psychological issues when needed;
- (j) become familiar with and practice personal safety measures;
- (k) seek to have queries, and complaints addressed via the appropriate channels in a timely manner. In-course matters should first be brought to the attention of the tutor or lecturer. If unresolved, by themselves or as a group, take the matter to the Head of the Department concerned and subsequently to the Dean;
- (l) use designated student parking areas. Students are not usually allowed access to the Faculty's car parks, however, students who have a physical disability or otherwise unable to use the University car park because of a medical condition may apply to the Director of Security for a special permit; and
- (m) adhere to the University's non-smoking, alcohol and drug abuse policies in buildings or other enclosed areas.

Faculty of Social Sciences General Code of Conduct

Preamble

This code has been granted in line with what is believed to be staff and students' general perceptions on what may or may not be considered appropriate conduct, and has been formulated through constant consultation with representatives of the relevant groups. This has been done in recognition of the fact that the Faculty and its environs should be associated or seen as being synonymous with activities that uphold the University's, and by extension its Faculties', mandate towards the expansion and promotion of pursuits of an academic nature; and that as such persons therein should aspire to conduct themselves in a manner that may be considered socially acceptable. Therefore, wholesale and/or blatant disregard for the stipulations made herein may result in the application of disciplinary action.

Code of Conduct

- (a) Areas surrounding lecture rooms and offices are designated quiet zones. Students shall therefore refrain from engaging in loud conversation or any other noise-generating activity that may cause a disturbance. This includes, but is not restricted to singing, recitations, preaching, loud praying, the use of noise-emitting electronic equipment (i.e., radios, phones, etc.), and romping and playing of physical games (e.g., scrumage). Persons are also to refrain from the use of violent and offensive language.
- (b) The Faculty's space shall be considered as meant for activities of an academic nature. The facilities provided therein should therefore be utilized appropriately and in their rightful fashion.

- (c) Persons shall refrain from engaging in behaviour not suited for the Faculty's space, this being inclusive of the restrooms. This includes, but is not limited to lying down or sleeping on the furniture, public grooming, and the playing of games such as cards, dominoes and other such board games. Persons shall also refrain from engaging in any activity which amounts to an inappropriate public display of affection.
- (d) Persons shall refrain from lingering or congregating along designated pathways in a manner that may obstruct free movement along them. This includes the sitting on stairs and railings. Additionally, persons shall avoid walking in or through gardens and related lawns. There shall also be no riding on the pathways, except in the case of disabled persons who utilize mobility aids.
- (e) Persons are not to remove furniture from their prescribed locations. This includes removing chairs and/or tables from classrooms, benches from usual positions, etc. An exception may be made in the case where the movement of furniture is necessary to facilitate the instructional programme/process, so long as the furniture is replaced in its original position thereafter.
- (f) Persons, in adhering to this General Code of Conduct, shall also be careful to abide by the stipulations of other such Faculty guidelines/policies. These include, but are not limited to the Faculty's Code of Conduct for Instructional Sessions, as well as the Faculty's Notice Posting Policy.

THE CAMPUS LIBRARIES

THE UNIVERSITY OF THE WEST INDIES
ST. AUGUSTINE CAMPUS

The Campus Libraries

The UWI, St. Augustine Campus Libraries are the repository and gateway to information supporting the teaching, learning, and research needs of the University community. There is currently an integrated digital network of six libraries:

- The Alma Jordan Library
- The Medical Sciences Library
- The Norman Girvan Library, Institute of International Relations
- The School of Education Library
- The Republic Bank Library and Information Resource Centre, Arthur Lok Jack Graduate School of Business
- The Allan Mackenzie Library at UWI-ROYTEC

Items in the collections of these six libraries can be discovered in a single catalogue. This is integrated into a single virtual library space ([UWILinC](#)), which provides a single point of access to the print and digital information resources of all five campuses of the University.

Other UWI libraries not currently networked include: the Department of Creative and Festival Arts Library, the Seismic Research Centre Library, and The Patience-Theunissen Memorial Library of the Seminary of St. John Vianney, and the Uganda Martyrs.

Each Library's website (<https://libraries.sta.uwi.edu/>) is the gateway to its comprehensive electronic, print and multimedia information resources in all disciplines. From there, students can access state-of-the-art, scholarly, full-text databases on and off campus.

Resources for Students

Each Library's website (libraries.sta.uwi.edu/) is the gateway to its comprehensive electronic, print, and multimedia information resources. From there, students can access state-of-the-art, scholarly, full-text databases on and off campus. The specialised and constantly updated collections contain information relevant to all faculties, research centres, and institutes on Campus. They currently provide access to approximately:

- electronic resources: 258 databases, 104,337 e-journal titles, and 68,158 e-books
- print resources: 439,343 books/monographs

Each Faculty handbook includes the relevant library's services, resources and contact information.

The Alma Jordan Library (AJL):

The AJL, (previously known as the Main Library), which officially opened at its present location in January 1970, covers a total area of 9,000 square metres. It is organised into subject divisions: Engineering; Food and Agriculture/Science and Technology; Humanities; and Social Sciences/Sport/Law. Other divisions which provide services to users include Circulation and Access Services, and the West Indiana & Special Collections (WISC).

The AJL has a wide collection of electronic resources covering all disciplines. These include:

- 262 databases (<https://libraries.sta.uwi.edu/apps/index.php/DatabaseSearch/index>)
- 104,337 electronic journal titles (<https://sfxhosted.exlibrisgroup.com/uwi/az/sta>)
- 68,158 electronic books (<https://libguides.uwi.edu/ebooks>)

In addition, it has some 500,000 books, as well as a vast array of multimedia materials in many formats including:

- 4,164 audio-visual items
- 1,147 cartographic items
- 6,011 photographs
- 4,206 multimedia items and
- 22,784 microfilms

Preserving West Indian Documentary Heritage

Documentary heritage is a cornerstone of all democratic societies and, as such, is an essential resource for supporting economic, social and cultural domains, as well as for fostering innovation. The AJL possesses historical materials dating as far back as the 1600s. WISC's mission is to acquire, preserve, and provide access to material emanating from the West Indies, produced by West Indians, and on the West Indies as well as the West Indian diaspora.

WISC's collections contain materials in different formats, ranging from maps, microforms, newspapers, theses, photographs, recordings, and over 179 special collections (<https://archivespace.sta.uwi.edu/>), some of which have been recognised for their importance. The Memory of the World Register lists documentary heritage endorsed by the Director-General of UNESCO as having global significance and outstanding universal value. Three of these award-winning collections reside at WISC:

- The C.L.R. James Collection - Inclusion in the Memory of the World Register in 2005.
- The Eric Williams Collection - Inclusion in the Memory of the World Register in 1999.
- The Derek Walcott Collection - Inclusion in the Memory of the World Register in 1997.

Library Services (<https://libraries.sta.uwi.edu/ajl/index.php/services>):

The AJL provides a wide range of services to support teaching and research. These include, but are not limited to the following:

- Online Chat Service: "Ask-a-Librarian", an online chat service, provides users with immediate responses to questions in real-time with library staff. It is available from the AJL and the Medical Sciences Library websites. Users can also submit queries and find answers in the Frequently Asked Questions at: <http://uwi-sta.libanswers.com>
- Faculty Liaisons: Liaison Librarians provide formal communication between members of faculty and the AJL. A faculty member should liaise directly with his/her Liaison Librarian or with the Head of User Services regarding required services.
- Booklists: Members of faculty must submit booklists to the Acquisition and Continuing Resources Unit of the Library six (6) months before the course is scheduled to be taught. These booklists should contain full bibliographic information on the essential texts and reading lists.
- Borrowing: Members of faculty, senior administrative and professional staff can borrow up to nineteen items. Research Assistants may check out material on behalf of a faculty member with written authorization.
- Collection Development: Members of faculty are encouraged to collaborate with liaison librarians to select resources in their discipline.
- Course and Syllabus Changes, New Courses and Degree Programmes: When amending existing or developing new course offerings or programmes, members of faculty must liaise with their Faculty Liaison Librarian to ensure that an adequate print and electronic resource base is established to support research and teaching. Formal certification in this regard is required.
- Current Awareness Services: The AJL can, on request, provide members of faculty with information about the latest research material published in their areas of research or interest.
- Dissertation/Thesis Checking: Liaison librarians can assist users in mastering the appropriate citation style for their discipline. In addition, the Library provides training in the use of citation management software (Endnote) that can create references and bibliographies. When a thesis/dissertation is completed and accepted, the Library's Bindery Unit will bind personal copies at a cost.
- Gifts & Donations: The AJL welcomes gifts of library materials which will enrich the collection and support the teaching and research programmes of the UWI. In particular, it welcomes donations of manuscripts and other materials of significance to research on the Caribbean. It does not generally accept the temporary deposit of material.

- Information Literacy: Throughout the academic year the Library offers research skills training for undergraduates, postgraduates and members of faculty. Seminars can be tailored to any subject discipline. Members of faculty are also encouraged to use and promote the Library's information literacy training materials (LibGuides) via the MyeLearning platform.
- Interlibrary Loans/Document Delivery: The Interlibrary Loan/Document Delivery service provides access to information resources that are not available in the AJL. The Library currently bears the cost of this service.
- New Course Proposals: The Campus Libraries can assist members of faculty in locating course materials for new or revised courses or programmes.
- Off-Campus Access to Electronic Resources: Members of faculty can access subscription databases on and off campus via The AJL's website. Off-campus access will require staff members to enable their accounts via the Campus intranet site at the URL.
- <https://intranet.sauwi.uwi.tt/wireless/>
- Research Guides: Research guides can be accessed on The AJL's website. These guides cover areas ranging from the different citation styles, discipline navigating specific e-resources databases, effective search strategies, etc. Some guides are also available in print. <https://libguides.uwi.edu/sta>
- Reference Services: The staff of the Library is available on demand to assist members of faculty in locating information resources needed for research purposes.
- Print and Electronic Reserve Collection: In addition to essential booklist items, traditional reserves may include personal copies of lecturers' books, copies of chapters of books (small percentages of the entire work), photocopies of print journal articles, course readers, etc. Items to be placed in the Temporary Reserve Collection should arrive at The AJL three (3) months in advance of the beginning of each semester. Electronic Reserves (E-reserves) allow Lecturers to make course readings and other recommended materials available to authorized UWI students online. Faculty can incorporate material from a variety of sources including but not limited to, content from the Campus Libraries licensed databases, documents that they themselves have produced, or have obtained permission to use or convert into digital format. Reserve materials are removed or returned to normal circulation at the end of each semester. Electronic Reserves (E-reserves) allow members of faculty to make course readings and other recommended materials available online to authorized University of the West Indies students 24/7. E-reserves are available on and off Campus.
- Past Examination Papers (<https://libraries.sta.uwi.edu/apps/index.php/PastPaperSearch/index>): The AJL maintains an open access repository of past examination papers (except papers with MCQ, MTF, and TF). The online repository is searchable by course code and title. Dating from 2000, the Library's archive maximises student access and ensures the long-term preservation of past examination papers. Members of faculty are encouraged to submit papers at the end of each examination period.

Research Support

The following internal platforms facilitate external access to UWI academics and their open access and unpublished output:

- **UWISpace** (<http://uwispace.sta.uwi.edu/dspace/>): This institutional repository was established by The UWI Libraries to support the dissemination of knowledge by providing open access to the digitally preserved intellectual output of the University.
- **UWIScholar** (<https://uwischolar.sta.uwi.edu/>): UWIScholar is an online platform developed by the AJL to showcase the research and expertise of faculty, staff and students across The UWI Campuses. It creates a researcher profile capturing information such as bio data, research activities and interests, publications, courses taught, public service, consultancies, education & training, grants & funding, awards, affiliations and links to social media accounts.
- **Open Journal System (OJS)** (<http://journals.sta.uwi.edu/>): Hosted at the AJL, this platform facilitates the online delivery of electronic journals produced by Faculties, Academic Departments, and Schools of the UWI. The system allows for the submission of articles, blind reviewing and publishing to the World Wide Web in an entirely paper free environment.
- The Alma Jordan Library, in collaboration with the St. Augustine Centre for Innovation and Entrepreneurship (STACIE) and the Intellectual Property Office of the Ministry of the Attorney General and Legal Affairs, provides an **Intellectual Property Help Desk Service** (libraries.sta.uwi.edu/ajl/index.php/services/ip-help-desk) to help support researchers.

STUDENT EXCHANGE & STUDY ABROAD

INTERNATIONAL OFFICE - OFFICE OF INSTITUTIONAL ADVANCEMENT AND INTERNATIONALISATION (OIAI)

The St. Augustine Campus has a range of partnership agreements managed through the International Office, OIAI that facilitates exchanges by UWI students as well as students from our international partners to spend time at each other's campuses. The Office also enables student mobility with institutions where we do not have such formal partnerships.

The UWI Student Exchange programme will allow you to study at one of our many international partners around the world, including in North America, Europe, South America, Africa, Asia and the Caribbean in addition to other UWI Campuses.

This type of international immersion has many educational and personal benefits. Students who have participated in the past have all spoken about the tremendous experiences and learnings not only in the classroom, but also from the people and places that they were able to interact with. They have become more independent in their thinking, self-sufficient and confident. They have also been able to make new friends, learn new languages and experience the world first-hand as true global citizens. A number of options for student mobilities are available to undergraduate and postgraduate students, including:

1. Incoming and Outgoing Student Exchange – from one semester to one year duration.
2. Incoming and Outgoing Study Abroad (fee paying) – from one semester to one year duration.
3. Visiting Students – for postgraduate students doing research on invitation by overseas institution.
4. Incoming and Outgoing Study Tours
5. Students on internships/practicums

Funding is available to assist students with some of these exchange opportunities.

For further information on funding as well as Student Exchange and Student Mobility, please visit our website: sta.uwi.edu/internationaloffice/

APPLY FOR SCHOLARSHIPS AND BURSARIES AT THE UWI ST. AUGUSTINE

There are more than 330 scholarships and bursaries available to both new and continuing students of the St. Augustine Campus each year.

Some ***scholarships*** are renewable based on performance and range in value from TT\$5,000 to TT\$ 30,000 per year.

A ***bursary*** is held for one academic year and may range in value from TT\$5,000 to TT \$15,000.

Who Can Apply?

Applications to UWI St. Augustine Campus Scholarships & Bursaries are open to all Full-time Undergraduate Degree students ONLY. Each award is based on different criteria which is determined by the donor in collaboration with the UWI. Eligibility criteria may include Academic Merit/Performance, Co/Extra-Curricular activities, and/or Financial Need. Some awards are available to regional students, while others are available to Trinidad & Tobago nationals. Some awards are also based on membership in associations, institutions and residential locations.

We encourage all eligible students, particularly those in tight or already difficult financial circumstances, to visit sta.uwi.edu/scholarships/ and download the latest Scholarships and Bursaries booklet, to see if you qualify for any of the opportunities listed.

When to Apply

Continuing students must apply between January – May each year. New students must apply after completing the Registration process in the month of September. Look out for ads in the press or via online platforms for exact deadline dates. Awards are typically disbursed to both returning students and new students between the November to December periods.

STUDENT PRIZES

The following prizes are awarded to students in the Faculty of Social Sciences each year.

CAMPUS FACULTY PRIZES

- i. A First Year Faculty prize of books is awarded to the Level I student with the best academic performance.
- ii. A Second Year Faculty prize of books is awarded to the Level II student with the best academic performance.
- iii. A Silver Gilt medal is awarded to the Level III (Final) year student with the best academic performance.

CROSS-CAMPUS FACULTY PRIZES

CROSS-CAMPUS SOCIAL SCIENCES LEVEL I PRIZE

Presented to the student registered for an Undergraduate Social Sciences Degree, who obtains the highest degree GPA in Level I Examinations across all Campuses.

To receive the Social Sciences Level I Prize, a student must have:

- Been nominated by one of the Faculties of Social Sciences or the Global (formerly Open) Campus Academic Programmes and Delivery;
- Done the majority of credits while registered for an undergraduate degree in the Social Sciences;
- Completed the 30 credits in a single year, if registered full-time;
- Completed the 24 credits within two years, if registered part-time;
- Passed all UWI courses at the first attempt;
- Completed at least 30 credits all of which must be relevant to the completion of the programme for which the student is registered, if registered full-time;
- Completed at least 24 credits all of which must be relevant to the completion of the programme for which the student is registered, if registered part-time;
- If granted exemptions with credit for courses done at other institutions, completed at least 24 credits earned while registered at UWI;
- The highest GPA counting all Level I courses (or courses substituted for Level I courses or where a Level II course is permitted as Level I) attempted at UWI including those done in other Faculties prior to entering the FSS save that preliminary course(s) shall not be counted and that credits earned for courses done at other institutions shall be treated on a pass/fail basis.

In the event of a tie, achieved the highest degree GPA calculated using the marks gained for the Foundation courses. In the event the tie is not broken, the prize shall be shared.

CHARLES M. KENNEDY CROSS-CAMPUS FINAL YEAR ECONOMICS PRIZE

Time to start thinking about ...

POSTGRADUATE STUDIES IN THE FACULTY OF SOCIAL SCIENCES

Before you select your programme of study or your courses for the year, consider whether or not you would like to proceed to the postgraduate level after graduation. In most professions, a Bachelor's degree is only the first step in the learning process that you should continue throughout your professional career. However, your choices at the undergraduate level can affect your postgraduate options. This brief guide provides you with basic information on the Faculty's current graduate programme, our research areas and any undergraduate requirements or prerequisites. For more detailed information and advice, please consult the Postgraduate Information Guide and speak with your Academic Advisor.

About Postgraduate Study

The Faculty of Social Sciences at the University of the West Indies offers 6 Diploma programmes, 19 MSc programmes, 11 MPhil programmes and 12 PhD programmes. Our Diploma and Taught Masters programmes (e.g. MSc) are particularly well suited to those who have already embarked upon their professional career and are looking to gain deeper insight into a specialised area in their field. Our research programmes (MPhil and PhD) allow students to follow their passion and provide the opportunity, resources and support for you to develop your own innovative ideas and approaches to the problems facing the Caribbean and the world today.

Definitions and Admission Requirements

Below are brief descriptions of the different types of programmes offered by the Faculty and the general admission requirements. Please consult the Postgraduate Information Guide for more detailed information.

Postgraduate Diplomas - These programmes involve a mix of taught classes, examinations, coursework and a written paper. The duration is generally one year for full-time study and two years for part-time study. To be admitted to the prescribed course of study for the Postgraduate Diploma, candidates must

- i. hold a bachelor's degree from an approved university.
- ii. normally the class of degree should be at least lower second class honours.
- iii. in some programmes, practical experience or other qualifications of special relevance to the course programme may be required.
- iv. in some programmes, applicants may have to write an entrance examination.

MSc Programmes - These are also referred to as "Taught" as opposed to "Research" programmes. To be admitted to the prescribed course of study for the MSc, candidates must

- i. hold a bachelor's degree from an approved university.
- ii. normally the class of degree should be at least lower second class honours.
- iii. in some programmes, practical experience or other qualifications of special relevance to the course programme may be required.
- iv. in some programmes, applicants may have to write an entrance examination or may have to do qualifying courses. In the latter instance, that student will be deemed to be a qualifying student.

MPhil/PhD Programmes - The Master of Philosophy (MPhil) and the Doctor of Philosophy (PhD) degrees are research degrees. Research degrees involve independent study, directed by a supervisor, and the production of a thesis. The essential difference between the Master and Doctoral levels, aside from the length of the registration period, lies in the quality of a successful PhD thesis, which must be judged to be the result of original research, to be an addition to knowledge and to be worthy of publication either in full or in an abridged form in a refereed journal.

The award of a PhD also requires the candidate to defend his/her thesis at a public oral examination. Many research degrees now contain a taught element. The intention of these taught courses is to provide students with research techniques and skills that will not only help them to complete their current research topic, but will also stand them in good stead for life after University.

Students will be considered for the MPhil/PhD programmes having satisfied the criteria set below:

- i. Candidates seeking entry to the MPhil programme should hold a Bachelor's degree (Second Class Honours or above) in the area in which they wish to pursue.
- ii. Candidates seeking entry into the PhD programmes should hold a Master's degree from an approved University with a specialty in the area of study.
- iii. Students may be required to attend an interview prior to being accepted.
- iv. Students applying for MPhil or PhD degrees must prepare an appropriate research proposal for consideration.

FREQUENTLY ASKED QUESTIONS (FAQs) FOR FACULTY OF SOCIAL SCIENCES

General FAQs for All Undergraduate Students (Full-Time and Part-Time):

- **What should you do to obtain special permission to pursue additional courses beyond your maximum as a full-time or part-time student?**
During the online registration period students can submit a request online to exceed the maximum credit limit. If approval is granted, the courses are added to the student's registration.
- **Can Level 3 courses count for Level 2 courses?**
Yes, this can be done but such requests will only be entertained in respect of elective courses.
- **If a student fails a course and repeats it, how does this affect their GPA?**
Failing a course serves to depress one's GPA. You should therefore do **your best** to avoid failing a course. If the course is repeated and passed, the grade obtained is also used in the calculation of one's GPA.
- **Are students required to attend all their lectures and tutorials within a semester?**
Students who attend less than 75% of lectures or tutorials may be debarred from writing the final examination. Please check the course outline for the courses you are taking to ascertain if this debarment rule will apply.
- **What happens if you get sick before an exam (e.g. midterm & final exams)?**
Have a medical report completed by a doctor and submit it to the Campus' Health Service Unit. If the medical is accepted by the Health Services Unit, then you will not be penalized. The grade "AM" will be assigned to the courses affected.
- **What can you do if you got sick during an exam and are unable to finish it?**
The Invigilator will take any student complaining of feeling unwell during an examination to the Campus Health Service Unit for assessment. If the case is genuine, you will not be penalized in terms of your GPA. The grade "FM" will be assigned to the courses affected.
- **How does a student request a course override (from Faculty/Department)?**
Overrides must be submitted online. It is the responsibility of the student to check the Banner system to see if their override request has been approved/denied. Once approved, the student must then register for the said course(s). Please note that the Faculty personnel cannot register a student for a course, this must be done by the student him/herself.
- **How can students who get a late admission offer access academic advising?**
Academic advising can be accessed by visiting the Departmental Office under which their programme resides.
- **What do you do if you have a question/issue of a financial nature?**
Please visit the Student Accounts section at the Bursary where the matter will be sorted out.
- **Can a first year student register for Level 2 and Level 3 courses as electives?**
Students must seek permission from their Head of Department to do this, and such request will only be granted if the relevant pre-requisites are satisfied.
- **Can students pursue cross faculty majors?**
Yes, but a formal request in writing must be made to the-Assistant Registrar, Student Affairs - Admissions.
- **If students pursue enough credits in any discipline, will they automatically be awarded a Minor in that discipline?**
No, this will not be automatic. The requisite forms must be **completed** and submitted to the Dean's Office.

Do Level I courses count toward students' Degree GPA?

No, credits gained from Level I courses will not be considered in the calculation of students' Degree GPA.

- **When is a Minor declared?**
Minors must be declared by the end of the registration period of the student's final semester. To declare a minor, the student must complete the required form and submit it to the Dean's Office. If this is not done, and if the student does not satisfy the course/credit requirements for the requested Minor, the Minor will not be awarded. For the purposes of this regulation, the end of registration means the "Add/Drop" period.
- **Can a student pursue more than one Minor concurrently?**
 Yes. A Minor in the Faculty of Social Sciences comprises of five courses (15 credits). A student pursuing a Major can use the 10 elective courses at Level II/III to pursue up to two Minors if so desired.
- **Will a student who is registered for a Major but who completes the credit requirements for a Special be awarded the Special degree?**
 Not automatically. For this to happen, a request must be submitted to change from a Major to a Special. This request must be submitted in writing to the Assistant Registrar, Student Affairs - Admissions, usually at the end of the second semester of the second year.
- **What is the process to be followed to pursue and declare a double Major?**
 Student must write to the Assistant Registrar, Student Affairs - Admissions seeking approval to pursue a double Major. This request must be submitted prior to the start of the final year of study.
- **How can a student change from one Department/Major after beginning a degree programme?**
 To change an option (major), a student must write to the Assistant Registrar, Student Affairs - Admissions seeking approval and this must be done during the second semester of his/her first year of study.
- **If a student has a GPA below 2.0 after completing all their degree courses, will he/she be awarded a degree?**
 No. In order to qualify for the award of a degree a student must:
 - a. have completed a minimum of ninety (90) credits (normally equivalent to thirty (30) semester courses) of which:
 - i. at least thirty (30) credits are from Level I semester courses (including the Foundation course requirements), and
 - ii. at least sixty (60) credits from Levels II and III semester courses.
 - b. have satisfied the requirements for their specific degree programmes.
 - c. have attained a minimum GPA of 2.0 from Level II and III courses.
- **What is a Dean's hold?**
 A Dean's hold is placed on a student's record when his/her GPA is below 2.0 in a semester. At this stage the student is placed on a Warning for the next semester.
- **What does a student do if he/she is placed on a warning?**
 A student is placed on Warning when their GPA is below 2.0. To remove the Dean's hold the student **must seek academic advising from the respective departments before the hold is removed to permit registration.**
- **What is RTW status?**
 A student is placed on RTW status after two consecutive semesters of GPA below 2.0. A student on RTW status must stay out of the University system for one academic year and then apply for re-entry to the University (the application period is normally November to March).
- **When a student returns to Campus after he/she was required to withdraw will their current GPA be counted?**
 If the re-entry student registers for a new programme then the GPA record will start anew. If, on the other hand, the re-entry student continues in the programme he/she was pursuing prior to the RTW then the academic record continues.
- **What are students' options if they are required to withdraw?**
 They can seek to meet with the Dean and to outline a plan to improve their academic standing. A decision will then be made as to whether the RTW can be deferred for a semester.
- **How does the GPA affect GATE coverage for tuition?**
 A student with an **OVERALL GPA** of less than **2.0** will not be eligible for GATE. If the student brings the GPA up to **2.0** after Semester I, they can seek to get GATE approval for Semester II.

- **Are there circumstances in which a pre-requisite can be waived?**
Only in compelling circumstances can pre-requisites be waived, and only the Dean can approve such requests.
- **How does a student apply for an exemption based on courses completed at another institution of higher learning?**
A student must complete the requisite Credit and Exemptions application form and attach the relevant course outlines from the institution where credits were attained. This request must be submitted to the Assistant Registrar, Student Affairs-Admissions.
- **What is the difference between a consultation and a remarking of an examination script?**
A consultation is a review of the script by the Examiner/Lecturer with the candidate. Consultations are only permitted to students who have failed the course.

In the case of a remarking, the script is remarked by a new examiner. Marks can be changed (either up or down) and the new mark awarded becomes the final mark.

- **What steps must be taken to request a consultation or a remarking of an examination script?**
 1. A student who is dissatisfied with the results of his/her examination should report his/her dissatisfaction in writing to the Campus Registrar. Such a report must be made within two weeks of publication of results, and in the case of the Supplemental/Summer School or resit examinations within **five days** of the publication of results.
 2. The Campus Registrar shall forward the student's request to the Dean of the Faculty concerned.
 3. Only students who have failed a course may request consultation to go through his/her script with the Examiner; (utilizing an approved electronic teleconferencing system if necessary)
 4. Students may request to have their scripts remarked. A student who wishes to have his/her script remarked must **pay a fee of Bds\$125.00 or J\$2000.00 or TT\$375.00, or US\$62.50** (according to campus) to have his/her script re-marked by a new Examiner.
 5. Where re-marking of a script results in a higher mark than that previously recorded, the fee shall be refunded provided that the increased mark results in a change of grade.
- **If students pursue a foreign language that is not required for their degree at the Centre for Language and Learning (CLL) can they get credit for it to count toward their degree credits?**
Yes, but only to satisfy elective course requirements.
- **Will Foundation courses affect a student's GPA?**
From the 2014/2015 academic year students will be awarded grades for their Foundation courses and these will be included in the calculation of the GPA for the determination of Warning, RTW, GATE and the determination of Level I prizes.
- **How many co-curricular courses/credits are students permitted to register for during their degree programmes?**
A student can pursue a maximum of 6 co-curricular Credits.
- **Do co-curricular courses/credits count towards degree requirements?**
Co-curricular courses credits can be used to meet Level I credit requirements.

- **What co-curricular courses are offered?**

LANGUAGE COURSES

The Centre for Language Learning (CLL) offers courses in 10 foreign languages: Arabic, Chinese, French, German, Hindi, Italian, Japanese, Korean, Portuguese, Spanish and Yoruba.

Its aim is to empower students to use the target language in order to understand information, to express themselves orally and in writing, to communicate with native and non-native speakers of the language and engage with the culture of the language.

Students can register at the CLL and attend classes in any language, upon payment of a small registration fee. Students can also pursue credit courses in Chinese, French, Japanese and Spanish. Registration is online using BANNER. **Students must complete registration on the CLL website before their BANNER registration.** The normal per credit fee applies.

For course descriptions, please download the [Faculty of Humanities & Education Undergraduate Handbook](#).

GEND COURSES

LEVEL: II**SEMESTER: II****COURSE CODE: GEND 2104/FILM 2101****COURSE TITLE: CINEMA AND GENDER****CREDITS: 3****DEPARTMENT RESPONSIBLE: INSTITUTE FOR GENDER AND DEVELOPMENT STUDIES**

COURSE DESCRIPTION: This course focuses on the development of the gendered 'gaze'. While the films analyzed in this course will be drawn from international cinema, the course will pay particular attention to the portrayal of masculinity and femininity in popular international films on the Caribbean as well as those made in the Caribbean, by Caribbean filmmakers. Cinema in this course also incorporates the media of television. Students will be encouraged to explore issues both through the textual analysis of individual films and through consideration of wider feminist debates concerning the production and consumption of popular cultural forms. Students will be expected to view films, read and present ideas from the course literature, learn to do gendered reviews of films and produce a short visual narrative that explores a problematic of gender. This course will also satisfy a requirement for Gender and Development major and minors.

LEVEL II**SEMESTER I****COURSE CODE: GEND 2203****COURSE TITLE: FEMINIST THEORETICAL FRAMEWORKS****NUMBER OF CREDITS: 3****PRE-REQUISITES: NONE****DEPARTMENT RESPONSIBLE: INSTITUTE FOR GENDER AND DEVELOPMENT STUDIES**

COURSE DESCRIPTION: The course provides students with an enhanced theoretical approach to women's and gender studies. Feminist Theory attempts not only to describe the present condition of women and men but also to present ways of understanding this and to prescribe methods to change that condition towards the elimination of gender, race, class and sexual hierarchies. Reading a variety of theoretical materials, the class will examine several theoretical approaches to feminism and evaluate each theory's effectiveness in explaining reality and in facilitating change locally and globally. Students will emerge from this course of study with a comprehension of the many faces of feminism and a better understanding and grasp of their convictions regarding some of today's most challenging debates. This is a core course for the Minors in Gender Studies and Gender and Development Studies.

LEVEL III**SEMESTER I****COURSE CODE: GEND 3501****COURSE TITLE: THE PHILOSOPHY OF GENDER****NUMBER OF CREDITS: 3****PRE-REQUISITES: NONE****DEPARTMENT RESPONSIBLE: INSTITUTE FOR GENDER AND DEVELOPMENT STUDIES**

COURSE DESCRIPTION: This course aims to provide students with tools for critical thinking and analysis and engages in philosophical discussions about the relationships between one's gender and society. It asks the questions - What kind of society do we want to create? What are we saying about the roles, responsibilities and relationships between men and women in society that make for a more equitable distribution of labour, power and privilege? Why should we aim to build societies in which equality and justice of gender, race and class, are the cornerstones of our civilization? This course will engage students in a feminist critique of western thought and knowledge, equipping them with the tools and concepts to guide, analyse and challenge you to consider the ethical and moral dilemmas abounding in the contemporary world we inhabit. While exposing you to the universal and generic issues raised in all human philosophy, the material of this course and particularly that in the sister course GEND 3052 is grounded in Caribbean reality.

COURSE DESCRIPTION: This course explores the role of social media in contemporary Caribbean societies and examines the ways gender informs and is constructed through social media. Social media is defined as a space that relies on mobile and web-based technologies to facilitate the creation, sharing and modification of user-driven information, ideas and images (for example: Facebook, What's App, Instagram, Twitter, and Tumblr). The course examines theoretical and empirical positions that have emerged through the study of this highly interactive space, as well as the ways in which activism and in particular cyber feminism has engaged and used the space. Students will discuss how gender is made salient in multiple contexts, for example in social interaction, construction of intersectional identities, social and cultural organization and representations of self and other. Using lectures and classroom discussions, the course will also introduce students to the different ways the real and hyperreal environment is negotiated. Assessment activities will require students to evaluate, critique and engage with social media and its implications for evolving feminist practice and projects.

LEVEL: III**SEMESTER: II****COURSE CODE: GOVT 3054****COURSE TITLE: INTRODUCTION TO INTERNATIONAL RELATIONS IN THE CARIBBEAN****CREDITS: 3****PREREQUISITES: GOVT 1000 OR GOVT 1001****DEPARTMENT RESPONSIBLE: POLITICAL SCIENCE**

COURSE DESCRIPTION: This course examines the international relations of the Caribbean from the colonial period to the present. It traces the history and evolution of the Caribbean region through colonialism, slavery, indentureship and independence to the current era and examines the theories, which guide the discourse on Caribbean identities in an effort to facilitate a better understanding of the region. The course proceeds to examine the theoretical underpinnings of the Caribbean's development problematique in the context of the broader crisis in development faced by developing countries. It then explores the challenges faced by the Caribbean in its external relations with the superpower, the United States and magablocs such as the European Union. Finally, the course addresses the regional security dilemma in the context of the New Global Disorder ushered in by non-traditional security threats such as crime, drug-trafficking, human-trafficking, environmental degradation, climate change and a global financial crisis.

LEVEL: III**SEMESTER: I****COURSE CODE: GOVT 3055****COURSE TITLE: THEORY AND PRACTICES OF INTERNATIONAL NEGOTIATIONS****CREDITS: 3****PREREQUISITES: GOVT 1000 OR GOVT 1001****DEPARTMENT RESPONSIBLE: POLITICAL SCIENCE**

COURSE DESCRIPTION: This course provides students with an understanding of the theoretical and practical aspects of international negotiation as well as issues in international trade. It aims to facilitate an understanding of the process of negotiation, negotiation outcomes and how outcomes may be improved. Case studies and examples from different issue areas will be employed to enhance learning contemporary international negotiations: its features and many faces, its limitations and possibilities for greater effectiveness and the challenges of developing countries in international trade. It will incorporate interactive lectures and other materials to enhance students' research and analytical skills and knowledge in the field of negotiations.

LEVEL: III**SEMESTER: II****COURSE CODE: GOVT 3062****COURSE TITLE: COMPARATIVE PUBLIC ADMINISTRATION****CREDITS: 3****PREREQUISITES: GOVT 1000 OR GOVT 1001****DEPARTMENT RESPONSIBLE: POLITICAL SCIENCE**

COURSE DESCRIPTION: This course introduces students to the broad field of comparative public administration. The course is fusion of the subfields of comparative politics and public administration. The comparative component emphasizes issues of research methodology and the question of whether and how inferences can be made from a comparative study of bureaucratic institutions. One critique of this field of inquiry is that broad generalization is very problematic due to the unique nature of bureaucratic institutions in different contexts – one practical result of this critique is that scholars tend to differentiate between several sub-classes of bureaucratic contexts.

LEVEL: III**SEMESTER: II****COURSE CODE: GOVT 3065****COURSE TITLE: RELIGION AND WORLD POLITICS****CREDITS: 3****PREREQUISITES: GOVT 1000 OR GOVT 1001****DEPARTMENT RESPONSIBLE: POLITICAL SCIENCE**

COURSE DESCRIPTION: This course is an introduction to religion and politics within the sphere of International Relations. The main objective is to examine two central and related issues. First, how does religion in its various forms and manifestations influence world politics? Second, how will adding religion to the discourse on international relations modify our theoretical understanding of international relations?

LEVEL: III**SEMESTER: I****COURSE CODE: GOVT 3066****COURSE TITLE: INTERNATIONAL LAW AND DEVELOPMENT****CREDITS: 3****PREREQUISITES: GOVT 1000 OR GOVT 1001****DEPARTMENT RESPONSIBLE: POLITICAL SCIENCE**

COURSE DESCRIPTION: This course examines how Public International Law contributes to development in varied contexts. Students will be expected to analyze international legal rules and the extent to which these rules promote or undermine development. It also seeks to build on the foundation created in Principles of Public International Law.

LEVEL: III**SEMESTER: II****COURSE CODE: GOVT 3067****COURSE TITLE: CARICOM SINGLE MARKET AND ECONOMY (CSME): INTERNAL AND EXTERNAL RELATIONS****CREDITS: 3****PREREQUISITES: GOVT 1000 OR GOVT 1001****DEPARTMENT RESPONSIBLE: POLITICAL SCIENCE**

COURSE DESCRIPTION: This course provides specific knowledge of the CARICOM (Caribbean Common Market) Single Market and Economy (CSME) as an actor in the international environment as well as covers skills in international negotiations and diplomacy. It also examines theories of Integration. The course aims at a comprehensive understanding of the CSME's external relations bringing together an interdisciplinary analysis of its internal decision-making processes with developments in the broader context of international relations and diplomacy.

LEVEL: III**SEMESTER: II (Not Offered in 2025/2026)****COURSE CODE: GOVT 3118****COURSE TITLE: POLICY ANALYSIS AND EVALUATION****CREDITS: 3****PREREQUISITE: GOVT 1000 OR GOVT 1001****DEPARTMENT RESPONSIBLE: POLITICAL SCIENCE**

COURSE DESCRIPTION: The course will expose students to a toolbox of basic analytical techniques that are practical and theoretically defensible. Students' engagement with these methods should serve to extend their knowledge about the logic of policy analysis and evaluation, and the significance of context for effective policy formulation. The course will therefore progress through a description of the policy analytic and planning process, explanation of the techniques relevant to each step in the process and practical exercises to build analytical skills. Much insight will be generated from government publications in the Caribbean region and policy scenarios in policy texts.

PSYC COURSES

LEVEL: I

SEMESTER: I

COURSE CODE: PSYC 1001

COURSE TITLE: INTRODUCTION TO PSYCHOLOGY

CREDITS: 3

PREREQUISITES: NONE

DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES

COURSE DESCRIPTION: The concepts and practice of psychology are becoming increasingly important in our society. This course allows students to gain an understanding of basic principles in psychology. It also illustrates some basic techniques of measuring human behaviour. An attempt will also be made to indicate where psychological principles could play an effective part in understanding and solving certain problems. The course is organized into seven sections. An attempt will also be made to use a multi-disciplinary approach through illustrations. The theme of humanistic psychology will be used alongside the Freudian and Behaviouristic approaches to explore whether human beings have the inherent nature to transcend the environment or to remain always at the mercy of environmental forces. Among the topic areas dealt with in this course are sensation and perception, learning, motivation, memory, emotions, intelligence, personality, development and research methods. This course is a prerequisite for all other second and third year.

LEVEL: I

SEMESTER: II

COURSE CODE: PSYC 1004

COURSE TITLE: INTRODUCTION TO SOCIAL PSYCHOLOGY

CREDITS: 3

PREREQUISITES: NONE

DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES

COURSE DESCRIPTION: This course seeks to introduce students to the field of Social Psychology as the scientific study of how people think about, influence, and relate to one another while introducing its scope of study and its methodology. This course intends to give students an appreciation for the combined analysis of psychological and sociological perspectives in studying human behaviour. Social Psychology will, therefore, be constructed as an interactionist discipline. Students will be exposed to numerous social psychological concepts, particularly in the light of empirical research, including primary and secondary socialization and its consequences in relationships; self and personality development; attitude formation and measurement; persuasion; conformity, compliance, obedience and deviance; group behaviour; interpersonal relations; impression formation, aggression and altruistic behaviour. Each topic will be covered in sufficient depth for students to be able to appreciate classical social psychological concepts and findings. Students will also develop a keen appreciation for social psychology as a tool for national, as well as personal development.

LEVEL: I

SEMESTER: II

COURSE CODE: PSYC 1009

COURSE TITLE: RESEARCH METHODS IN PSYCHOLOGY

CREDITS: 3

PREREQUISITES: NONE

DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES

COURSE DESCRIPTION: This course introduces the first-year psychology undergraduate student to science as a philosophy, and psychology as a branch of science. Research methods unique to psychology and the ethical implications of studying human behaviour will be covered. The content to be covered in the course includes conducting literature review and evaluation of psychological research, understanding psychological measures and designing ethical psychological studies, and communicating research findings to others.

COURSE DESCRIPTION: Humans are constantly taking in information from the environment, whether it is the words on this page or the sounds in the classroom. Sensation involves the biological mechanisms that detect physical stimuli and translate them into neural activity. Perception refers to the processes the brain uses to actively interpret sensory information and form a representation of the external world. This course will focus on the biological and cognitive mechanisms of sensation and perception in the visual and auditory systems, and other sensory modalities.

LEVEL II**SEMESTER: II****COURSE CODE: PSYC 2019****COURSE TITLE: EXPERIMENTAL AND APPLIED PSYCHOLOGY****CREDITS: 3****PREREQUISITES: PSYC 1001 OR PSYC 1004 AND ECON 1005 OR SOCI 1005****DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: Students acquire advanced skills in psychological experimentation and also an understanding of how psychological concepts can be applied towards solving human problems. Experimental work will emphasize theories and concepts obtained from psychology courses previously or concurrently taken, showing the value and implications of experimental work in psychology.

LEVEL: III**SEMESTER: II****COURSE CODE: PSYC 3002****COURSE TITLE: ADVANCED TOPICS IN PERSONALITY****CREDITS: 3****PREREQUISITES: PSYC 1001 OR PSYC 1004****DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: This course extends on the major theories of personality covered in PSYC 2004. Further theories are also presented in offering a more comprehensive coverage of the field. In addition, a variety of selected issues are considered including the role of personal, cultural, biological and environmental influences. Case studies provide an application component to the course.

LEVEL: III**SEMESTER: II****COURSE CODE: PSYC 3003****COURSE TITLE: COMMUNITY & ENVIRONMENTAL PSYCHOLOGY****CREDITS: 3****PREREQUISITES: PSYC 1001 OR PSYC 1004****DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: Theories developed in a variety of areas – social psychology, sociology, ethnology, political science, architecture and anthropology are synthesized to understand and assess the interaction between the individual and his/her environment.

LEVEL: III**SEMESTER: II****COURSE CODE: PSYC 3014****COURSE TITLE: INDUSTRIAL AND ORGANISATIONAL PSYCHOLOGY****CREDITS: 3****PREREQUISITES: PSYC 1001 OR PSYC 1004****DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: This course explores the applications of psychological theories and concepts to problems encountered in work environments with special reference to the Caribbean. The study of Industrial and Organizational (I/O) Psychology is important to all who are part of the world of work. It will benefit students who are interested in pursuing a career in I/O psychology, human resources, or simply want to understand how psychology applies to the workplace. I/O psychology is a subfield of psychology concerned with various aspects of people in the workplace, including employee productivity and well-being. This course will introduce students to methods, practice, research, and theories of Industrial and Organizational (or I/O) Psychology. It will demonstrate the connection between psychological theory and application and will draw on examples and illustrations from the world of work.

LEVEL: III**SEMESTER: I****COURSE CODE: PSYC 3022****COURSE TITLE: LEARNING AND MEMORY****CREDITS: 3****PREREQUISITES: PSYC 1001 OR PSYC 1004****DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: This course will explore how humans acquire and remember information that allows them to meet the demands of a complex world. The focus is on learning and memory in humans, but it will also cover how studying lower animals is beneficial. Learning is almost always associated with the behaviourist school while memory, for the most part, has fallen into the cognitivist camp. The approach taken offers a more comprehensive picture of the learning process through a synthesis of the behaviouristic and cognitivist perspectives. In addition, brain-behaviour relationships are highlighted, as these underscore the natural integration of the learning process.

LEVEL: III**SEMESTER: I****COURSE CODE: PSYC 3023****COURSE TITLE: CONTEMPORARY ISSUES IN SOCIAL PSYCHOLOGY****CREDITS: 3****PREREQUISITES: PSYC 1001 OR PSYC 1004****DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: This course emphasizes the linkages between social psychological theory and social issues. It illustrates how social psychological theories and/or principles (conformity, cognitive dissonance, schematic processing etc.) can be applied in understanding and solving social problems in Caribbean societies and Trinidad and Tobago, in particular. Insights into current issues and research processes are also acquired from critiques of refereed publications.

LEVEL: III**SEMESTER: YEAR LONG****COURSE CODE: PSYC 3025****COURSE TITLE: RESEARCH PROJECT IN PSYCHOLOGY****CREDITS: 6****PREREQUISITES: PSYC 1009, PSYC 2010 AND PSYC 2019****DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: In order to pursue this course, students must be in Level 3 and registered in the Psychology Special Programme. The project will help develop the student's capability in formulating research themes, data collection and analysis from a psychological perspective. This year-long course involves seminar-type classes and close frequent consultations with a Project Supervisor from the Department's staff.

LEVEL: III**SEMESTER: II****COURSE CODE: PSYC 3026****COURSE TITLE: HISTORY AND SYSTEMS IN PSYCHOLOGY****CREDITS: 3****PREREQUISITES: PSYC 1001 OR PSYC 1004****DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: The purpose of this course is to familiarize students with the various systems of thought that have developed over the lifespan of psychology from its philosophical origins to recent perspectives. This course will primarily rely upon readings, class presentation, and class discussion to convey this body of knowledge.

LEVEL: III**SEMESTER: II****COURSE CODE: PSYC 3027****COURSE TITLE: MOTIVATION AND EMOTIONS****CREDITS: 3****PREREQUISITES: PSYC 1001 OR PSYC 1004****DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: This course seeks to assist students in understanding the psychological bases for human motivation and emotion. Theoretical as well as experimental points of view will be considered ranging from the infancy of the subject to present time. It begins by examining the historical underpinnings of motivation and emotion, then analyzing basic needs and drives. The brain and its role in motivation and emotion is also addressed.

LEVEL: III**SEMESTER: I****COURSE CODE: PSYC 3028****COURSE TITLE:****CREDITS: 3****PREREQUISITES: PSYC 1009, PSYC 2010 AND PSYC 2019****DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: In order to pursue this course, students must be in Level 3 and MUST be registered in the Psychology Major Programme. This course is designed to provide students with the opportunity to develop a detailed research proposal for investigating a contemporary psychological issue. Students will go through the entire process of developing a research idea and put forward important elements required to conduct the research. The content and process of this course provide students with the basic requirements necessary for conducting psychological research in the future. Students will not be required to carry out the research (i.e. collect data on the proposed research topic) because time (one semester), will not permit the collection and analysis of data.

SOCI COURSES

COURSE DESCRIPTION: Social Development Planning introduces students to social development planning at macro and micro levels. The course maintains praxis and relevance to the Caribbean and the 21st century as core philosophical principles affecting the teaching process. The principles, processes and techniques of planning and the theoretical concepts of development are explored in this course. Issues such as social exclusion, ethnicity and gender that impact governance and the Caribbean development process for the 21st century are addressed within a context of sustainable and holistic development. The course emphasizes the skills needed for social impact assessments (SIA) as they contribute to good governance. Students also experience collaboration with the professional world of policy and planning such as The Ministry of Community Development.

LEVEL: III**SEMESTER: I****COURSE CODE: SOCI 3028****COURSE TITLE: CARIBBEAN SOCIAL STRUCTURE I****CREDITS: 3****PREREQUISITES: SOCI 1002 OR SOCI 1000****DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: Insights into Caribbean social structure and the advent of the colonists from the 16th to the 20th centuries are offered, allowing students to understand the relationship among ethnicity, race, class and colour in West Indian societies, and how the historical legacy of slavery and indentureship produce cultural traditions and customs impacting on social structure and society.

LEVEL: III**SEMESTER: I****COURSE CODE: SOCI 3029****COURSE TITLE: CARIBBEAN SOCIAL STRUCTURE II****CREDITS: 3****PREREQUISITES: SOCI 1002 OR SOCI 1000****DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: This course shows the interrelationship between macro external factors and Caribbean social structure, examining the relationship between the phenomenon of Caribbean migration, Caribbean societal development from post-emancipation to pre-independence times, and the issues of globalization, liberalization, religion, class and ethnicity on the Caribbean social structure in contemporary times.

LEVEL: III**SEMESTER: II****COURSE CODE: SOCI 3030****COURSE TITLE: SOCIOLOGY OF PENAL PRACTICE****CREDITS: 3****PREREQUISITES: CRMJ1001****DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: This course considers the sociology of policing, lower and higher courts, imprisonment, capital punishment, welfare alternatives to prison, and attempts to develop popular justice. A considerable literature from a developmental perspective is available on the police, on courts, and on alternative strategies.

LEVEL: III**SEMESTER: II****COURSE CODE: SOCI 3031/GEND 3031****COURSE TITLE: SEX, GENDER AND SOCIETY: SOCIOLOGICAL PERSPECTIVES****CREDITS: 3****PREREQUISITES: SOCI 1002 OR SOCI 1000 AND GEND 1103****DEPARTMENT RESPONSIBLE: INSTITUTE FOR GENDER AND DEVELOPMENT STUDIES/BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: This course seeks to critically examine the sociological tradition of women, family and gender. It reviews the biological, anthropological and social approaches to the origins of sex differences and examines the changes in the sexual division of labour in human history. Finally, it examines the significance of sexuality and its control in the ordering and structure of society.

LEVEL: III**SEMESTER: I****COURSE CODE: SOCI 3032****COURSE TITLE: CRIMINOLOGY I****CREDITS: 3****PREREQUISITES: CRMJ 1001****DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: This course seeks to provide students with a basic understanding of the major theories of crime and deviance and their relevance in terms of research and policy development. It also seeks to provide students with a working understanding of selected issues on crime with a local and Caribbean focus. Some of these selected issues include: theories of crime, Caribbean Criminology, the Muslimeen Insurrection, juvenile delinquency, white-collar crimes, crime statistics, fear of crime, community policing, victimization, gender and crime, and crime research and policy.

LEVEL: III**SEMESTER II****COURSE CODE: SOCI 3036****COURSE TITLE: CRIMINOLOGY II: POLICE AND SOCIETY****CREDITS: 3****PREREQUISITES: CRMJ 1001****DEPARTMENT RESPONSIBLE: BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: In Police & Society we examine and critique two of the essential institutions in society intended to treat or deal with crime: law enforcement and corrections. We will also as part of the content of the course develop complimentary research knowledge on deportees.

LEVEL: III**SEMESTER: II****COURSE CODE: SOCI 3038/GEND 3038****COURSE TITLE: GENDER, ETHNICITY AND CLASS: ISSUES OF IDENTITY, NATION AND CITIZENSHIP IN THE ENGLISH-SPEAKING CARIBBEAN****CREDITS: 3****PREREQUISITES: ANY OF THE FOLLOWING - SOCI 1002; SOCI 1000; HIST 2003; HIST 2004; HIST 2005; HIST 3001; HIST 3002; HIST 3003; HIST 3005; HIST 3601; SOCI 3029; GEND 2203****DEPARTMENT RESPONSIBLE: INSTITUTE FOR GENDER AND DEVELOPMENT STUDIES/BEHAVIOURAL SCIENCES**

COURSE DESCRIPTION: This course seeks to raise the level of discourse on 'race' and ethnic relations in our societies and establish the centrality of gender to issues of 'race', ethnicity, class and culture. At the end of this course the student should be more familiar with the historical background to contemporary relations; have a better understanding of the ways in which women and men are differently located within the discourse on race and class in the region; and an appreciation of the new ways in which scholars have sought to understand and conceptualize these complex interactions. It is hoped that this course will contribute to a more informed approach to inter-ethnic and gender relations in the region. This course is intended for senior undergraduates and should be open to students from a range of faculties. Some knowledge of sociology would be an asset.

LEVEL: III

SEMESTER: I

LEVEL: II

SEMESTER: II

COURSE CODE: TOUR 2002 (TOUR 2005)

COURSE TITLE: TRANSPORTATION AND TRAVEL

CREDITS: 3

PREREQUISITES: NONE

DEPARTMENT RESPONSIBLE: MANAGEMENT STUDIES

COURSE DESCRIPTION: Global tourism demand has been increasing at a phenomenal rate from 56 million international arrivals in the 80's to 620 million in 2000. This increased tourism demand has stipulated the rapid development of the transportation industry. The transportation industry has had to adjust in order to accommodate this increase and also more sophisticated demand. Adequate transportation infrastructure and access to generating markets is one of the most important prerequisites for the development of any destination. Thus, tourist transport is not a passive element of the tourist product but rather an integral part of the industry and the tourist's experience.

The primary aim of this course is twofold: To evaluate the function of intermediation in the facilitation of travel and transport and to provide an understanding of the tourist transport system and to examine its provision, operation and the factors which influence its future development.
