4. Per credit fees for Specially Admitted Students for 2026/2027 31
5. Per credit fees for Occasional Students, Course Audits, and Students Writing Examinations Only for 2026/2027 31

FURTHER INFORMATION 32

GENERAL INFORMATION

Definitions & Explanations

Definition of a Student

A person is considered to be a UWI student only after the completion of registration and payment of all fees (tuition, compulsory and hall fees) for the semester. A student who writes an examination(s) for a course(s) for which he/she was not registered and paid for will not be credited for such course(s).

Accounts Receivable Hold (AR Hold)

An AR Hold is placed on the accounts of students who have not paid fees and/or submitted all required registration documents. This HOLD prevents access to a number of services including but not limited to, registration, access to grades, examinations and transcripts and can only be removed by the Bursary, Student Accounts & Receivables Section.

GATE Hold (GT Hold)

The Government Assisted Tuition Expenses (GATE) policy of the Government of the Republic of Trinidad and Tobago, states that, effective January 2015, "GATE no longer covers students whose cumulative Grade Point Average (GPA) is below 2.0 at the end of the academic year". Such students will be required to pay their own tuition fees. Note that GATE is a fee payment offered by the Government of the Republic of Trinidad & Tobago (GoRTT) to Trinidad and Tobago citizens who qualify according to the rules of the GoRTT.

Subsidies

Students receiving subsidies are required to pay the percentage of their tuition fee as per their contract agreement. If a government or other subsidy is not forthcoming, a student is responsible for his or her full fee.

How to Calculate Tuition Fees

Except for self-financing programmes and programmes in the Faculty of Medical Sciences, The University of the West Indies has a credit-based fee structure for undergraduate programmes.

To calculate the cost of tuition for your programme:

1. Check the relevant Faculty Booklet to confirm the number of credits required per year to complete your programme
2. Return to this fee booklet and multiply the number of credits by the fee per credit applicable to the Faculty and based on your nationality.

For Trinidad & Tobago nationals, this is the figure that is used to calculate GATE.

For Self-Financing/Full-Fee Paying Programmes
These programmes are not subsidised, nor do they qualify for GATE. Full tuition costs for these programmes are stated in this fee booklet. Students are responsible for paying the full cost of tuition.

How to Calculate Fees Payable

Once you have calculated your Tuition Fees, **add the annual compulsory fees and the Fee Pay Enrolment Fee** listed in this Fee Booklet. These are now all the fees payable to the University.

Trinidad & Tobago nationals should note that Compulsory Fees are not covered by GATE.

How to Calculate the Total Cost of Pursuing Your Programme

Once you have calculated your Tuition, Compulsory Fees and the Fee Pay Enrolment Fee, **add the estimated cost of your personal expenses**. This figure will be the estimated cost of your entire programme. Personal expenses will vary from one individual to the next based on your circumstances (e.g., meals, travel and accommodation costs).

Full-time and Part-time

Students registered for 24 or more credits for the academic year are classified as full-time. Those registered for less than 24 credits are classified as part-time.

Tuition Costs Paid by Nationals from UWI Contributing Countries

The University of the West Indies is a regional institution supported by 17 contributing Caribbean countries. The University also recognises 22 other countries which are members of the Association of Caribbean States (ACS). Tuition fees vary according to the nationality of the student. See the list of contributing and non-contributing countries in the table below.

Tuition fees for nationals of contributing countries **who are sponsored by their governments** have been calculated at 20% of the 2026/2027 economic cost. Contributing governments pay the remaining 80% of the economic cost on behalf of each sponsored student.

Students from **non-campus contributing countries** would be allowed to pay the fee applicable to T&T nationals once a letter of sponsorship for economic cost from their respective governments is provided.

Self-Financing Programmes

Not all programmes are sponsored by governments or are eligible for GATE funding. Students pursuing **self-financing programmes** would be responsible for paying their own tuition in addition to the other fees listed.

Living Expenses

Living expenses are separate from tuition and compulsory fees. They include accommodation, meals, transportation, personal items such as clothing and toiletries, as well as books and learning materials. As such, this cost varies from person to person and from faculty to faculty. Below are some general estimates that you can use as a guide.

ESTIMATED LIVING EXPENSES IN TT$ PER ACADEMIC YEAR — All Faculties Except Medical Sciences		
Accommodation	17,000	17,000
Meals	20,000	20,000
Personal expenses – toiletries, medical supplies, transportation	10,000	10,000
Books/learning material	8,000	8,000

ESTIMATED LIVING EXPENSES IN TT$ PER ACADEMIC YEAR — Medical Sciences		
Accommodation	20,000	20,000
Meals	20,000	20,000
Personal expenses - toiletries, medical supplies, transportation	10,000	10,000
Books/learning material	10,000	10,000
Travelling allowance for students off-campus	3,000	3,000

Registration & Submission of Documents

Students registering for their programmes and courses follow a seven-step process set out on the Campus registration website.

The Registration process includes activities outlined in this fee booklet related to finances, such as applying for GATE (Trinidad & Tobago citizens only), enrolling in Fee Pay and paying fees. Registration documents are to be uploaded via e-Courier.

If you have questions, please do not hesitate to contact the Bursary's Service Desk.

FINANCING YOUR PROGRAMME

Government Assistance for Tuition Expenses (GATE)

(APPLICABLE TO CITIZENS OF TRINIDAD & TOBAGO ONLY)

Accessing GATE

1. All students under the age of 50 years, who are citizens of Trinidad & Tobago, and who are accepted into a recognised **undergraduate** tertiary programme may apply to the Ministry of Education for Government Assistance for Tuition Expenses (GATE) funding to cover tuition fees via the GATE eService.

   To access the GATE eService, students are to:

   1) register at any of the TTConnect Service Centre locations OR follow TTConnect's Online GATE eService ID Application Process;
   2) obtain a GATE e-Service ID;
   3) visit the e-GATE website at www.e-gate.gov.tt;
   4) use your GATE e-Service ID to log in to the website and complete the e-GATE application form.

2. Students are required to submit a signed copy of their e-GATE application form with their registration documents.

3. GATE funding is not retroactive. If a student fails to complete a GATE application form upon registration, a claim will NOT be accepted after the semester has ended.

4. Continuing students who have not maintained a minimum cumulative GPA of 2.0 as at the end of the academic year will NOT be able to access GATE funding for Semester 1 of the following academic year. However, if the cumulative GPA increases to 2.0 or above at the end of Semester 1 of a given academic year, the student can apply for GATE funding for Semester 2 of that same academic year. A copy of the academic transcript is to be submitted to GATE e-Service for approval.

The Means Test

5. Starting in academic year 2017/2018, a means test is used to determine the level of GATE funding which a student can access. With effect from August 2020, all applications for GATE funding include a mandatory means test as follows:

HOUSEHOLD INCOME (TTD)	STUDENT ELIGIBILITY
below $10,000 per month	100% GATE funding for tuition fees*
above $10,000 per month but less than $30,000 per month	75% GATE funding for tuition fees
above $30,000 per month but less than $75,000 per month	50% GATE funding for tuition fees
above $75,000 per month	Not eligible for GATE funding

   Failure to complete the means test will disqualify the application from being considered for GATE funding.

   NOTE:
   If the tuition fees for your programme are higher than the capped amount, you would be required to pay the percentage of the annual tuition fee determined by your means test, PLUS the excess amount that is unfunded. This applies even if you qualify for 100% GATE funding.

Criteria for Programme Funding

6. Funding under the GATE programme is provided for:
   - one non-terminal programme and one Bachelor's Degree OR
   - one Diploma and one Bachelor's Degree OR
   - one Advanced Diploma and one Bachelor's Degree OR
   - one Associate Degree and one Bachelor's Degree OR
   - one Certificate Programme and one Bachelor's Degree.

7. Students currently enrolled in undergraduate programmes continue to be funded for the normal duration of the programme.

8. Students enrolled at regional campuses of The University of the West Indies (UWI), pursuing programmes that are also offered at the UWI, St. Augustine Campus, are provided the same level of funding as if they were pursing their programmes at the St. Augustine Campus

9. Students who are already in possession of undergraduate or postgraduate qualifications, regardless of whether or not they were beneficiaries of the GATE Programme, will not be able to access funding for any other programme.

10. Students repeating courses that were covered by GATE at the first sitting will be required to pay to retake those courses.

11. Effective August 2017, only institutions and programmes accredited by the Accreditation Council of Trinidad and Tobago (ACTT) will be funded.

12. Effective August 2016, persons over the age of 50 years old are no longer eligible for GATE funding.

13. Effective August 2016, The GoRTT discontinued the funding of new students in the medical programme at St. George's University, Grenada, SGU.

Higher Education Loan Programme (HELP)

A HELP Loan is a low interest student loan available through local commercial banks. Students must apply for the loan annually and must fulfil the following criteria:

- be citizens of Trinidad & Tobago
- have a continued period of residency of three (3) years prior to application
- be between 18 and 50 years of age

NOTES:

- HELP loans cover tuition expenses (if not rated 100% through Means Test) and non-tuition expenses.
- Students who do not qualify for GATE can apply for a HELP loan.
- Students who are receiving GATE funding may also apply for a HELP loan to cover non-tuition fees and expenses.
- Students studying in Trinidad & Tobago who meet all the criteria above are eligible to borrow up to a maximum of TT$35,000 per year.
- Students studying elsewhere in the region who meet all the criteria above are eligible to borrow up to a maximum of TT$75,000 per year.
- The amount received is based on the Means Test Criteria for HELP loans.

For more information, visit https://www.moe.gov.tt/help-framework/ or email helploans@moe.gov.tt.

Scholarships & Bursaries (Undergraduate)

There are hundreds of scholarships and bursaries available to both new and continuing students of the St. Augustine Campus each year. **You must be a registered student to apply**.

Some ***scholarships*** are renewable based on performance, and range in value from TT$5,000 to TT$ 30,000 per year. ***Bursaries*** are held for one academic year and may range in value from TT$5,000 to TT $15,000.

We encourage all eligible students, particularly those in tight or already difficult financial circumstances, to visit https://sta.uwi.edu/scholarships/ and download the latest Scholarships and Bursaries booklet to see if you qualify for any of the opportunities listed.

HOW TO PAY FEES

The FEE PAY Payment Plan

Fee Pay is a payment plan which grants users automatic financial clearance on enrolment. As part of the registration process, **ALL students are required to enrol in Fee Pay**. The plan is accessed through "My Secure Area" on the Student Portal.

Fee Pay recognises two categories of students:

- Sponsored (e.g. GATE, Scholarships)
- Non-Sponsored (self-funded)

Fee Pay combines the payments due for tuition and compulsory fees. These fees are then payable in instalments each semester as follows:

AUTOMATED PAYMENT PLANS: SPONSORED STUDENTS			
	Semester 1*	Semester 2*	Summer Semester*
Instalments	% of Fees Due	% of Fees Due	% of Fees Due
1st	15%	15%	50%
2nd	15%	15%	50%
3rd	70%	70%	–

AUTOMATED PAYMENT PLANS: NON-SPONSORED STUDENTS			
	Semester 1*	Semester 2*	Summer Semester*
Instalments	% of Fees Due	% of Fees Due	% of Fees Due
1st	40%	40%	50%
2nd	30%	30%	50%
3rd	30%	30%	–

*For the deadline dates for each instalment, please see the Fee Pay Instalment Schedule on the Bursary's website.

Financial Clearance

Financial Clearance is required for students to:

- Access myeLearning to view online course materials and to submit coursework assessments online
- Take in-person final exams
- See exam results
- Use facilities like the Health Services Unit and The Alma Jordan Library
- Graduate, access transcripts, certificates etc.

If you miss payment deadlines, an **Accounts Receivable (AR) Hold** will be placed on your account. This hold restricts access to the activities and services listed above.

How to Get Financial Clearance

Follow the steps below to get and maintain your financial clearance.

1. **Enroll in Fee Pay for Automatic Financial Clearance**:
   - **FIRST - enroll in the Fee Pay system** during the registration period to get automatic financial clearance.
   - **SECOND – enroll in a Fee Pay payment plan. This is required** whether you are paying your fees in instalments or all at once. If you do not sign up for a payment plan, you will not get automatic financial clearance.
   - **THIRD** – start making payments using any of the payment methods listed later in this section.

2. **Make Scheduled Payments to Maintain Financial Clearance**:
   - Submit all your registration documents on or before the due date for the **first** installment.
   - Follow the payment schedule outlined in Fee Pay and ensure that all payments are made by the specified deadlines.
   - Would you like to pay more than the amount due (pre-pay)? The Fee-Pay system allows you to adjust the figure to be paid. Your payments will be automatically reflected and your remaining installments recalculated.

Payment Methods

Once you have enrolled in Fee Pay, the Campus provides a variety of convenient payment methods:

1. Online Payment via mySecureArea using FEE PAY **(highly recommended**)
2. Online Payment using a credit card OR chip debit cards (international and local cards accepted)
3. Online Inter-bank Transfers/Internet banking (local banks only) *
4. Deposit at any branch of Republic Bank in Trinidad & Tobago using the UWI deposit slip**
5. Wire transfer (for students based outside Trinidad & Tobago)

NOTES

* UWI is a registered Bill Payee with Republic Bank's online banking service. To pay your UWI fees through Republic Bank's online banking, follow these steps:

1. Log in to RBL online banking, go to "Pay"
2. Select "Company/Utility Payment"
3. Choose "Other-Utility to Pay"
4. Under "Education," select "The UWI St. Augustine Students"

For more information and detailed instructions, visit https://sta.uwi.edu/bursary/payment-options

** If paying via cheque, cheques must be made payable to **The University of the West Indies**. At the back of the cheque, please print the following in **BLOCK** letters:

STUDENT'S NAME
STUDENT'S IDENTIFICATION NUMBER
NAME OF FACULTY

Compulsory Fees

FEE	RATE
Guild Fee	TT$ 225
Identification Card (first issue only)	TT$ 120
Caution Money (year of entry only)*	TT$ 500
Students Group Health Plan	TT$ 100
Personal Accident Insurance	TT$ 20
Student Amenities Fee	TT$ 500
Pelican Perks Advantage Fee*	TT$ 69

***NOTES**

- **Except for caution money**, compulsory fees are non-refundable.
- The **Pelican Perks Advantage Programme (PPAP)** Fee is payable once per year for the first three years of a student's academic journey at The University of the West Indies (The UWI). This initiative offers students lifetime membership in The UWI Alumni Association (UWIAA), along with access to exclusive benefits such as discounts, networking opportunities, and alumni events. For more information, please visit: https://www.uwi.edu/alumnionline/membership/pelican-perks

Caution Money

Caution money is payable by all students upon entry to The University. It is refunded on completion or withdrawal from a programme. To apply for a refund:

1. Download and fill out the Caution Money Refund Application Form
2. Apply for Faculty Clearance - Email the completed form to the appropriate address/addresses listed in the table below for the Dean's signature. Some Faculties also require that you apply for Departmental and/or Lab clearance.
3. Apply for Library Clearance – Fill out the online library clearance form. You would normally receive Library Clearance via email within four working days.
4. Submit completed Refund Application form with Dean's signature AND Library Clearance to the Bursary Service Desk.

Other Fees

• Fee Pay Enrollment Fee (ALL students per semester)	TT$ 35
• Replacement Identification Card	TT$ 180
• Transcript Fee	TT$ 42 per copy
• Late Registration	TT$ 200
• Late Registration/Late Payment of Fee (Summer)	TT$ 150

Recommended Allowances for Scholarship Students

Recommended Upkeep Allowance for Students on Scholarship

The University recommends that scholarship donors include provision for a return fare during the long vacation for students who are not from the campus country. Where a student is required to remain at St. Augustine for academic reasons, a maintenance grant in the sum of TT$9,000 should be made available to cover a period of 13 weeks.

Recommended Arrival/Termination Allowance

The University recommends that a settling-in grant of TT$2,000 be paid directly to students by their sponsor to help with expenses for the first month.

Recommended "End of Programme" Allowance

An allowance of TT$1,000 is also recommended to help students meet additional costs at the end of the academic programme.

Halls of Residence Fees

Students who have been accepted to live on a Hall of Residence are required to pay the following fees online:

- Hall Application Fee
- Hall Precautionary Fee

For details and instructions, visit the Hall Application page online.

Hall Accommodation fees can be paid either in full at the beginning of each semester or monthly. Payments can be made using any of the following options:

- online via mySecureArea using a valid credit or debit chip card
- at any branch of Republic Bank in Trinidad and Tobago
- online bank transfer from any local banking institution
- by wire transfer (for foreign-based students)

Hall Payment Schedule

Payment Plan	Semester 1	Semester 2	Summer Session
1st Instalment	Last working day August	Last working day January	Last working day May
2nd Instalment	Last working day September	Last working day February	Last working day June
3rd Instalment	Last working day October	Last working day March	-

A copy of the receipt must be submitted online to the **Bursary – Student Accounts & Receivables Section** via e-Courier.

NOTES:
Payment for Semester 1 covers accommodation on hall up to the end of that semester.
Payment for Semester 2 covers a period of one week beyond the end of Semester 2.
For the most up-to-date calendar of dates, please check the latest Academic Calendar.

Other Hall Fees

In addition to the fees quoted in the table below, students living on hall are required to pay the following:

- **Hall Application Fee** (non-refundable) TT$ 250
- **Precautionary Deposit (All Halls)** TT$ 1,000

The precautionary deposit is required to reserve a room and is only refundable after a student is no longer residing on the hall.

LATE FEES

- **Late fee** TT$500
  - Semester 1: effective from **21 September 2026**
  - Semester 2: effective from **15 February 2027**

How to Apply to Live on Hall

Applications to reside at any of the Halls of Residence are to be submitted online via https://sta.uwi.edu/dssd/hall-application to:

The Manager, Student Accommodation On & Off Campus
Division of Student Services and Development
UWI, St Augustine,
Republic of Trinidad & Tobago, West Indies

All enquiries related to the Halls of Residence are to be submitted by email to UWIHalls@sta.uwi.edu.

TUITION & OTHER FEES – 2026/2027

FEES FOR

Students Sponsored by Campus Contributing Governments

The following fees are payable by all students sponsored for economic cost by Governments of countries contributing to the University. Click here to see the list of Contributing Governments.

NOTE: The costs quoted below are general estimates. Please check the relevant Faculty Booklet to confirm the number of credits required to complete each year of your programme and use that number in your final calculation.

Faculty of Engineering

ALL FEES ARE QUOTED IN TRINIDAD & TOBAGO DOLLARS UNLESS OTHERWISE STATED.

GENERAL NOTES

1. **Total tuition fees vary** based on the number of credits required for your programme.
2. Programmes in the Faculty of Engineering typically require between 90 and 108 credits, though requirements vary by programme
3. If you are a **Trinidad & Tobago national and qualify for GATE**, you must pay the percentage of your tuition not covered by GATE (based on your means test result), PLUS any part of your tuition that goes over the GATE limit set for your Faculty, PLUS all compulsory and other listed fees.
4. Not all programmes are sponsored by Governments or are eligible for GATE funding. Students pursuing these **self-financing programmes** are responsible for paying their FULL tuition PLUS the compulsory and other fees listed. See the list of Self-Financing Programmes below.
5. Pelican Perks Advantage Programme Fee is payable once per year for the first three years of a student's academic life at the UWI.
6. **Other expenses** such as accommodation, meals, personal items, books and learning material will vary from one individual to the next depending on your circumstances and, thus, have not been included in these figures.

PAYMENT NOTE

- For the full list of available payment methods, see the Payment Methods section above.

Annual Summary - Engineering

Faculty of Food & Agriculture

ALL FEES ARE QUOTED IN TRINIDAD & TOBAGO DOLLARS UNLESS OTHERWISE STATED.

FACULTY NOTES

Students who have not received an exemption are required to undergo a six-week training session in the relevant manual skills during the Summer Semester.

GENERAL NOTES

1. **Total tuition fees vary** based on the number of credits required for your programme.
2. Most programmes in the Faculty of Food & Agriculture require **up to 108 credits**. See the list of exceptions below.
3. If you are a **Trinidad & Tobago national and qualify for GATE**, you must pay the percentage of your tuition not covered by GATE (based on your means test result), PLUS any part of your tuition that goes over the GATE limit set for your Faculty, PLUS all compulsory and other listed fees.
4. Not all programmes are sponsored by Governments or are eligible for GATE funding. Students pursuing these **self-financing programmes** are responsible for paying their FULL tuition PLUS the compulsory and other fees listed. See the list of Self-Financing Programmes below.
5. Pelican Perks Advantage Programme Fee is payable once per year for the first three years of a student's academic life at the UWI.
6. **Other expenses** such as accommodation, meals, personal items, books and learning material will vary from one individual to the next depending on your circumstances and, thus, have not been included in these figures.

PAYMENT NOTE

- For the full list of available payment methods, see the Payment Methods section above.

Tuition Fees By Course			
Programmes	**Tuition per Semester**	**Programme Duration (Semesters)**	**Total Tuition**
Pre-Science - Biology	3,630	2	**7,260**
Pre-Science - Chemistry	3,630	2	**7,260**
Pre-Science - Computer Science	3,630	2	**7,260**
Pre-Science - Mathematics	2,160	2	**4,320**
Pre-Science - Physics	3,630	2	**7,260**

HOW TO CALCULATE YOUR FEES (PRE-SCIENCE)

Pre-Science (N1) students may pursue **up to three subjects** over the course of the one-year (two semesters) duration of the programme.

The fee summary table below shows the *maximum* and *minimum* fees students would have to pay for the one-year duration of the programme, depending on which subjects they are pursuing, and how many, PLUS the total compulsory and other fees. For example:

- 3 Subject Maximum - **any three** of Biology, Chemistry, Computer Science or Physics plus compulsory and other fees.
- 3 Subject Minimum – Mathematics **AND any two** of Biology, Chemistry, Computer Science or Physics plus compulsory and other fees.

Pre-Science Fee Summary	Tuition	Total Compulsory and Other Fees	Total Estimated Cost
3 Subject Maximum	21,780	3,604	**25,384**
3 Subject Minimum	18,840	3,604	**22,444**
2 Subject Maximum	14,520	3,604	**18,124**
2 Subject Minimum	11,580	3,604	**15,184**
1 Subject Maximum	7,260	3,604	**10,864**
1 Subject Minimum	4,320	3,604	**7,924**

Nationals of Contributing Countries

TUITION AND EXAMINATION FEES PAYABLE IN US$ EXCEPT WHERE OTHERWISE INDICATED**.**
Where a student does not receive a subsidy, the student is responsible for the entire programme tuition fee.

GENERAL NOTES

1. **MBBS information** also applies to nationals of contributing countries admitted as January intake/Full-Fee Paying students.
2. Effective from academic year 2016/2017 the Government of Jamaica discontinued the subsidy for new students pursuing either the **DVM or DDS** programmes. However, continuing students enrolled prior to 2016/2017 are required to pay 15% of the subsidised fee quoted above.
3. Students in the **Pharmacy** programme registering for fewer than 24 credits over the academic year will pay tuition fees at the rate of US$245 per credit.
4. The **BSc Midwifery** is delivered over a two (2) year period to Registered Nurses and a four (4) year period for persons who newly entered into the profession of Midwifery.
5. Students in the **Dental Surgery** programme are required to buy their own set of dental instruments during the first semester of their second year. The cost can be up to USD $7,000. These kits can be purchased from local or international dental supply companies.
6. Pelican Perks Advantage Programme Fee is payable once per year for the first three years of a student's academic life at the UWI.
7. **Other expenses** such as accommodation, meals, personal items, books and learning material will vary from one individual to the next depending on your circumstances and, thus, have not been included in these figures.

PAYMENT NOTES

For the full list of available payment methods, see the Payment Methods section above.
