Welcome to Imagify, the best way to easily optimize your images!

1. Create an Account

Don't have an Imagify account yet? Optimize your images by creating an account in a few seconds!

SIGN UP, IT'S FREE!

2. Enter your API Key

Save your API Key you have received by email or you can get it on your [Imagify account page](#).

I HAVE MY API KEY

3. Configure it

It's almost done! You have just to configure your optimization settings.

GO TO SETTINGS

Plugins

Add New Plugin

You're almost there...

Add this website to [ManageWP](#) or [GoDaddy Pro](#) dashboard to enable backups, uptime monitoring, website cleanup and a lot more!
If prompted, provide the **connection key** (found on the Plugins page, in the Worker description under Connection Management) to verify that you are the website administrator.
